MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER'S COMMUNIQUE

**C. P. Gurnani**

Managing Director & Chief Executive Officer

Dear Shareholders

The year gone by has been an eventful year in many respects. It was a year of re-imagining and laying the foundation of the new TechM. Our journey of re-inventing ourselves has been challenging and fulfilling, but I am happy to report that we have begun this journey well. I am proud of the resilience we have demonstrated as a company and am confident we will continue to build on it.

Last year, we restructured our organization to be more agile and responsive, modernized our service offerings by focusing on new digital technologies, while driving automation and productivity through our platforms. We also expanded our capabilities by creating new and innovative partnerships in our quest of pursuing our vision of the connected world and connected experiences.

As I review FY18, I believe, we have done reasonably well. We ended with a revenue growth of 6% at ₹ 30,773 crores and our profit after tax was ₹ 3,800 crores, up 35% YoY. In dollar terms our revenue was USD 4,771 m up 10% and our profit after tax was USD 588 m up 40 % year on year. One of the notable achievements last year was the EBITDA margin expansion of 550 basis points through the year, which I believe is a reflection of the dedication and hard work that the team has put in. Overall, our Digital business grew much faster than the Company's average and stood at ~27% of revenues. The Enterprise business grew 19.1% YoY, while the growth in Communication business was muted due to market conditions as well as our exit from certain low yielding businesses. Some

of our portfolio companies saw a strong recovery in revenue growth and margins, including the Digital Healthcare consulting company, The HCI Group, which we integrated in the first quarter of Fiscal 18.

Disruption – the biggest challenge and the biggest opportunity!

Technology has become the central enabler for most businesses today. The ongoing evolution of the digital economy abounds in great opportunities, but also brings several new challenges. As an industry, we need to shift from being a technology facilitator to a provider of innovative connected experiences for our clients' businesses. We need to bridge the gap between the physical and digital world, we need future ready associates who can deliver to expectations and lead the charge on future-defining technologies such as artificial intelligence, augmented and virtual reality. The pace of invention is staggering and so is the pace of change, making it doubly important for businesses to be Future ready! How can we, as an organization, do it?

FUTURise to the new normal

FUTURise is our clarion call to become relevant for the future. How are we staying relevant in the future : OUR TECHNOLOGY BETS

We are building a connected ecosystem that will enable us to create customer value through innovation and most importantly, ensure our associates are future proofed and have fulfilling and long careers.

Based on our core strengths and the market demands, and built on our brand philosophy of creating

connected experiences for a connected world, we have identified four key technology areas :

- Customer Experience Management
- Internet of Things (IoT)
- Software Transformation and
- Networks of the future

Our recent announcement on ACUMOS - our tie-up with AT&T and Linux Foundation to make AI accessible to all, is a reiteration of our focus and investment in technologies for the future.

One of our key focus areas last year was talent management and we have tied up with world-class content partners such as edX & Pluralsight, with AI based personalized learning aggregators like Edcast among others, to ensure we provide our associates with best-in-class learning and they get the opportunity to get reskilled to become the workforce of the future. We have launched an organization-wide Career Counselling Program, which has already enabled our associates to chart a better career path.

These are exciting times for the industry and I truly believe we can lead this wave through our connected culture and FUTURise. And I know we can because we have the minds and might of a 112,800 strong army of TechMighties with us. An army that's never accepted any limits and has only Risen higher each time.

As we build and prepare your company for the future i.e. TechMNxT we are focussing and emphasizing on the need for "Platforms" and collaborative disruption.

We therefore launched this year with 130 + global analysts our work so far and vision for TechMNxt. This consisted of our "343" strategy – 3 trends, 4 tech bets and 3 focussed business outcomes of Run Change and Grow. We also are driving aggressively the creation and acquisition of platforms, this combined with our eco system of partnership both our traditional ones and the startup ecosystem in silicon valley, Israel, UK and India, we feel confident that your company is well on its way to be ready for the future needs of our customers, associates and shareholders.

Rise For Good

Tech Mahindra Foundation - the CSR arm of Tech Mahindra Ltd has been working tirelessly in the areas of education, employability and disability, with a keen focus on corporate volunteering. We have established

various programmes over the last 10 years to take forward our objective of 'Empowering Through Education'.

Our flagship programme, SMART that aims at skilling youth, trained more than 16000 youth through 100 vocational training centres this year with the placement rate of nearly 70%. The Foundation's SMART Academies for Healthcare and IT are also doing good work in Delhi, Chandigarh and Vishakhapatnam and are aimed at creating a cadre of well - qualified, trained professionals in the field of allied healthcare and IT sector.

The Foundation supported 68 schools under its education programme and reached out to 20,498 beneficiaries through municipal corporation schools this year.

Before I conclude, I want to highlight a few notable recognitions:

During the year Tech Mahindra was identified as the global leader for its actions and strategies to manage carbon and climate change across the supply chain and has been awarded the supplier engagement leader board by CDP, the non-profit global environmental disclosure platform. Tech Mahindra happens to be the only Indian company, which got such a recognition.

Tech Mahindra has received the "2018 AT&T Supplier Award" for its Outstanding Performance and Services to AT&T during the past year across a broad section of selection criteria, including suppliers' diversity, creative cost management, teamwork, customer service, product service, producer service performance and sustainability. The company is committed to driving innovation and the thought leadership across all lines of business.

I sincerely thank all our stakeholders, our customers, our employees and our shareholders for their unstinting support and guidance.

I am re-energized and excited about the opportunities and look forward to the new Fiscal 18-19 as we continue to lead the change!

Sincerely

Place: Mumbai
Date: May 25, 2018

Products & Services and Platforms, and is committed towards building a synergistic relationship with its partners, to deliver a complete and customized end-to-end solutions to its customers.

There are no material changes or commitments affecting the financial position of the Company between the end of the financial year and the date of the report.

ACQUISITIONS

CJS Solutions Group, LLC (HCI), USA:

The Company, on May 4, 2017, through its wholly owned subsidiary Tech Mahindra (Americas) Inc. acquired 84.7% stake in CJS Solutions Group, LLC (doing business as HCI) for an initial consideration of ₹ 5,742 Million (USD 89.5 Million). Further the subsidiary of the Company acquired a call and a written put option on the 15.3% Non-Controlling Interest to be exercised over a three year period ending December 31, 2019. The HCI Group works with some of the world's most prestigious Tier-I healthcare service providers, primarily in the US and UK, focusing on providing end-to-end implementation of Electronic Health Record (EHR) and Electronic Medical Record (EMR) software, training and support services. This will help scale up Healthcare revenue, as provider sub vertical is a key element of Healthcare and Life Sciences (HLS) strategy. The Company offers innovative and end-to-end integrated solutions for healthcare providers. Its solutions enhances the efficiency of physicians, hospitals, ancillary facilities, clinics, governmental health bodies and public health organizations.

Increase in stake in Comviva Technologies Limited:

The Company, in accordance with the shareholders agreement, acquired an additional 32.07% stake in Comviva Technologies Limited from Bharati Group and Westbridge Ventures II Investment holdings for a total consideration of ₹ 3,618 Million. The Company also acquired 0.68% from some shareholders for a total consideration of ₹ 70 Million. As a result of this, the Company now holds 99.85% stake in Comviva Technologies.

Comviva is amongst the leaders in mobility solutions. Its expansive suite of productized solutions is deployed with over 130 service providers and banks, in over 90 countries across Asia, Africa, Middle East, Latin America and Europe, and powers services to over two billion mobile subscribers.

Altiostar Inc:

The Company, through its wholly owned subsidiary Tech Mahindra (Americas) Inc. has invested an amount

of US\$ 15 Million in return for a 22.5% shareholding in Altiostar. Altiostar is the mobile broadband industry's first provider of vRAN (virtualized Radio Access Networks) solution for LTE technology.

DETAILS OF SUBSIDIARIES/JOINT VENTURES/ASSOCIATE COMPANIES

During the year under review, the Board of Directors of the Company at their meeting held on November 1, 2017 approved a proposal to amalgamate Sofgen India Private Limited, a step-down subsidiary with the Company in accordance with the provisions of Companies Act, 2013.

The Company and Sofgen India Private Limited have filed the Company Scheme Petitions before the Hon'ble National Company Law Tribunals at Mumbai and Chennai respectively and are pending for approval.

The performance and financial position of the subsidiaries, associate companies and joint venture companies included in the consolidated financial statement is provided in accordance with the provisions of Section 129 read with Rule 5 of the Companies (Accounts) Rules, 2014 containing the salient features of the financial statement of Company's subsidiaries/joint ventures or associate companies in Form AOC – 1 in "Annexure I" to this report.

Pursuant to Rule 8(5) (iv) of the Companies (Accounts) Rules, 2014, the names of the companies which have become or ceased to be the subsidiaries, joint ventures or associate companies during the year are provided in "Annexure II" to this report.

The policy for determining Material Subsidiaries formulated by the Board of Directors is disclosed on the Company's website and is accessible on <https://www.techmahindra.com/sites/ResourceCenter/brochures/investors/corporategovernance/policy-For-determining-Material-Subsidiaries.pdf>

HUMAN RESOURCES

During 2017-18, your Company focused on unlocking experiences for a connected future and deliver an enterprise of Future. Along with establishing as DT (Digital Transformation) provider, your Company has also taken a step towards being a social enterprise. Your Company's mission is to attain growth while respecting and supporting the stakeholder network. The Company aims to be the organization that will shoulder the responsibility of being a good citizen, inspire associates and be role model for peers. With the intent of future proofing the associates and preparing them for future, your Company has embarked

on journey of FUTURise that ensures continuous learning, unlearning, re-learning, and contribution to innovation for our customers. Increasing number of enterprises are embracing new technologies like Digital, Automation, Cloud, Augmented Reality to provide enhanced user experience, the need to transform skillset of IT workforce is prominent than ever. Your Company is investing heavily in re-skilling and up-skilling its associates to enable them to RISE™ to future challenges and opportunities and achieve customer delight.

Building Future ready workforce and Continuous Learning Organization

Your Company has launched 'DEXT' – a cloud based new age learning platform to facilitate an Integrated, Social, Personalized and Device Agnostic Learning experience for its associates and building a continuous learning organization. Further, your Company has partnered with some of the best in industry players like edX, Pluralsight, SumTotal and new age AI based learning platforms to provide world-class learning experience to its associates and accelerate their learning.

The 'Role Based Academy' provides a structured, holistic approach to building role based competencies for critical and new age roles in the organization and provide career path to the associates. Your Company has trained and certified 80,000+ associates in digital technologies, 20,000+ associates in automation and trained 50,000+ associates in emerging and digital technologies. This focus has positioned your Company to service leading global Enterprises in their transformation journey and enhance growth and profitability. Emphasizing on the new age learning methods and platforms, your Company has launched the Reverse Mentoring program, where Gen Y/Z grooms Leadership on new age practices and tools. Your organization has taken steps in the direction of building a workplace of future by building UVO, a chat bot that is always available for instant query resolution, handle transactions and acts as your virtual office assistant.

Skill building through job adjacency in the form of eXtra Mile platform allows the associates to opt for small assignments posted pan organization and utilize their skills for the benefit of the assigned project. Career counselling platform provides guidance by experienced leaders when lacking direction or clarity.

In order to keep the associates aligned to the digital mission of the organization – Mission 2020, your Company has been continuously hosting conclaves like Mission Innovation and TechM NXT that allows TechMighties to express their views about the big bets and trends of the world, connect with internal and

external stakeholders, co-create new age ventures and also celebrate the realization of ideation. Iris, Appify, helped spark the entrepreneurial spirit among associates of the Company. In order to reach out to the multicultural and diverse workforce your Company has embarked on the journey of Gamification and launched Career Turbo for career exploration and Rise with Dice to help ingrain the culture.

Rewarding and Recognizing

Your Company believes that timely appreciation remains key to creating a happy organisation and recognized over 45,000 TechMighties through multiple channels. In line with the digitization focus, the entire Reward and Recognition process is digital and associates share their rewards and pride on their respective social networks.

Strive, Sustain and Safety

Your Company took various steps to ensure the safety and work-life balance of associates working at Tech Mahindra. The Associate Welfare Trust established for the associates, by the associates, helped associates and their family members in their medical exigencies. Company's Mantra of "Wellness before Business" is reflected in the medical camps, wellness programs, work from home facility and numerous other facilities across all the large campuses. Your Company has established a robust Emergency contact process with toll free numbers across India, US, UK, and Australia and conducted self-defence training sessions across many locations.

During the year under review, Tech Mahindra's people practices, policies and programs have been awarded in various external forums representing members from not just the Information Technology industry but the entire spectrum of the corporate world. Some of the awards/accomplishments during FY 2017-18 are -

- Society for Human Resource Management – HR Excellence 2017 in Learning and Development (runner up) and Employer with Best Health and Wellness initiatives.
- Business World HR Award in HR Technology 2017

Tech Mahindra (IT Division) has been assessed for implementation of high maturity business excellence practices' at Mahindra Group (Services Sector). It has been assessed at TMW Maturity Stage 5 (on scale of 1-10 stages) of Mahindra Business Excellence Framework – The Mahindra Way. These certifications are testimony of the robustness of business processes and at large the quality culture imbibed in the organization.

Your Company has also strengthened Process/Practice and Tools Industrialization of various Engineering activities for Development, Testing and Managed service portfolio to achieve standardization, better efficiency and best practices being implemented across the businesses.

Your Company has continued to strengthen the process for transforming Quality Assurance processes to New Age Delivery processes with focus to achieve better customer experience and faster quality delivery; these are measured and monitored through various indices.

One such initiative is "Execution Excellence Index" focusing on achieving high project maturity, improved tools usage and standardization, knowledge

management and performance on key business metrics, in order to strengthen further the Business Excellence in what we deliver to the customers, thereby achieve better Customer satisfaction. Your Company is putting all the initiatives in place in order to ensure the Company delivers as stated in Quality Policy.

DIRECTORS

During the year under review all Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015.

Pursuant to the provisions of Section 152(6)(c) of the Companies Act, 2013, Mr. Vineet Nayyar, Director (DIN: 00018243) is liable to retire by rotation and does not offer himself for reappointment. The Board has decided, not to fill the vacancy caused by retirement of Mr. Vineet Nayyar.

Mr. Vineet Nayyar served on your Board since January 17, 2005. He served as Managing Director & CEO till August 10, 2012. Mr. Vineet Nayyar was appointed as Executive Vice Chairman with effect from August 10, 2012 till August 10, 2015. Thereafter, he continued as Vice Chairman.

Mr. Vineet Nayyar is one of the strongest pillars in the Tech Mahindra success story. The Board places on record its sincere appreciation for the valuable advice and guidance of Mr. Vineet Nayyar during his tenure as a Director on the Board.

Training & Familiarisation Programme

The Company has laid down a policy on training for Independent Directors as part of the governance policies.

The Board Members are regularly updated on changes in Corporate and allied laws, Taxation laws & matters thereto. MD & CEO along with Senior Leadership conducts an exclusive quarterly session for the Board Members sharing updates about the Company's business strategy, operations and the key trends in the IT industry relevant for the Company. These updates help the Board Members to keep themselves abreast with the key changes and their impact on the Company.

The details of programmes for familiarisation of the Independent Directors with the Company are available on the Company's website and can be accessed at the weblink; <https://www.techmahindra.com/sites/ResourceCenter/brochures/investors/corporategovernance/Familiarization-Programme-to-Independent-Directors.pdf>

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013 and Regulation 19 read with Schedule II, Part D of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has devised a policy on evaluation of performance of Board of Directors, Committees and Individual directors. Accordingly, the Chairman of the Nomination and Remuneration Committee obtained from all the board members duly filled in evaluation templates for evaluation of the Board as a whole, evaluation of the Committees and peer evaluation. The summary of the evaluation reports was presented to the respective Committees and the Board for their consideration.

Policy on Directors' Appointment and Remuneration

The Governance policies laid down by the Board of Directors of your Company include:

- i. Policy on appointment and removal of Directors, Key Managerial Personnel and Senior Management
- ii. Policy on remuneration to the Directors, Key Managerial Personnel and Senior Management and other Employees

The extract of these two policies are provided in "Annexure III".

SUCCESSION PLAN

In accordance with the principles of transparency and consistency, your Company has adopted governance policies for Board of Directors, KMP & Senior Management appointments, remuneration & evaluation. These governance policies inter alia outline Succession Planning for the Board, Key Managerial Personnel and Senior Management.

Key Managerial Personnel (KMPs)

Pursuant to provisions of Section 203 of the Companies Act, 2013, Mr. C. P. Chandratre, Practicing Company Secretary, Pune to undertake the Secretarial Audit of the Company. The Secretarial Audit Report is provided as "Annexure IV". There are no qualifications, reservation or adverse remark or disclaimer made in the Secretarial Audit Report.

COMPLIANCE WITH SECRETARIAL STANDARDS

The Company has complied with the applicable Secretarial Standards.

EXTRACT OF THE ANNUAL RETURN

Pursuant to the provisions of Section 134(3) (a) of the Companies Act, 2013, the extract of the Annual Return in Form MGT-9 is attached as "Annexure V".

MANAGERIAL REMUNERATION

Disclosures of the ratio of the remuneration of each director to the median employee's remuneration and other details as required pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time, are provided in "Annexure VI".

None of the directors or Managing Director of the Company, received any remuneration or commission from Subsidiary Companies of your Company.

The details of remuneration paid to the Directors including the Managing Director of the Company are given in Form MGT-9 forming part of the Directors Report.

PARTICULARS OF EMPLOYEES

The information required under Section 197(12) of the Companies Act, 2013 ("the Act") read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 forms part of this Report. However, pursuant to first proviso to Section 136(1) of the Act, this Report is being

sent to the Shareholders excluding the aforesaid information. Any shareholder interested in obtaining said information, may write to the Company Secretary at the Registered Office / Corporate Office of the Company and the said information is open for inspection at the Registered Office of the Company.

PREVENTION OF SEXUAL HARASSMENT POLICY

Your Company laid down Prevention of Sexual Harassment policy and it is made available on the website of the Company. The Company has zero tolerance on Sexual Harassment at workplace. During the year under review there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

EMPLOYEE STOCK OPTION SCHEMES

During the year under review, there were no material changes in the Employee Stock Option Schemes (ESOPs) of the Company and the Schemes are in compliance with the SEBI Regulations on ESOPs. As per Regulation 14 of SEBI (Share Based Employee Benefits) Regulations, 2014 read with SEBI circular dated June 16, 2015 the details of the ESOPs are uploaded on the Company's website; <https://www.techmahindra.com/sites/ResourceCenter/brochures/investors/corporategovernance/Details-of-ESOPs.pdf>

The Board of Directors have approved a new Employee Stock Option Scheme viz. "Employee Stock Option Scheme 2018", earmarking 50,00,000 Options to be granted to the employees exercisable into equity shares. This is forming part of the Notice of the ensuing Annual General Meeting for approval of shareholders.

CORPORATE GOVERNANCE

A report on Corporate Governance covering among others composition, details of meetings of the Board and Committees along with a certificate for compliance with the conditions of Corporate Governance in accordance with the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015, issued by the Statutory Auditors of the Company, forms part of this Annual Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A detailed analysis of your Company's performance is discussed in the Management Discussion and Analysis Report, which forms part of this Annual Report.

RISK MANAGEMENT

The Risk Management Committee of the Board of Directors periodically reviews the Risk Management

framework, identifies risks with criticality and mitigation plan. The elements of risk as identified for the Company with impact and mitigation strategy are set out in the Management Discussion and Analysis Report (MDA).

ESTABLISHMENT OF VIGIL MECHANISM

Your Company has laid down Whistle Blower Policy covering Vigil Mechanism with protective clauses for the Whistle Blowers. The Whistle Blower Policy is made available on the website of the Company.

DEPOSITS / LOANS & ADVANCES, GUARANTEES OR INVESTMENTS

Your Company has not accepted any deposits from the public during the year under review. The particulars of loans/advances, guarantees and investments under Section 186 of the Companies Act, 2013 are given in the notes forming part of the Financial Statements.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

All transactions entered into with Related Parties as defined under Section 2(76) of the Companies Act, 2013 and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015, ("The Listing Regulations"), during the financial year were in the ordinary course of business and at an arm's length pricing basis and do not attract the provisions of Section 188 of the Companies Act, 2013. There were no transactions with related parties in the financial year which were in conflict with the interest of the Company and requiring compliance of the provisions of Regulation 23 of the Listing Regulations. Suitable disclosure as required by the Indian Accounting Standards (Ind AS 24) has been made in the notes forming part of the Financial Statements.

The Company has formulated a policy on materiality of Related Party Transactions and dealing with Related Party Transactions which has been uploaded on the Company's website; <https://www.techmahindra.com/sites/ResourceCenter/Brochures/investors/corporategovernance/Related-Party-Transactions-Policy.pdf>

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

The particulars as prescribed under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the

Companies (Accounts) Rules, 2014 are provided in "Annexure VIII" which forms part of this report.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The CSR vision of your Company is "Empowerment through Education."

In compliance with the guidelines prescribed under Section 135 of the Companies Act, 2013, your Company constituted a Corporate Social Responsibility (CSR) Committee. Your Board of Directors laid down the CSR Policy, covering the Objectives, Focus Areas, Governance Structure and Monitoring & Reporting Framework among others. The policy is available at <https://www.techmahindra.com/society/default.aspx>.

Your Company's social initiatives are carried out by Tech Mahindra Foundation and Mahindra Educational Institutions.

TECH MAHINDRA FOUNDATION (TMF)

The Foundation was set up in 2007, as a Section 25 Company (referred to as a Section 8 Company in the Companies Act, 2013). Since then, it has worked tirelessly towards the vision of "Educated, skilled and able women and men are a country's true strength", establishing itself as a prominent CSR player within the Mahindra Group as well as a leading social organization at the national level. The Foundation essentially works with children and youth from urban, disadvantaged communities in India. During the year under review, Tech Mahindra Foundation has successfully steered 160+ high-impact projects with 90+ partners, reaching out to 150,000+ children and youth across these locations.

The key initiatives in the School Education include:

All Round Improvement in School Education (ARISE)

Tech Mahindra Foundation's educational initiatives under ARISE are long-term school improvement programmes, in partnership with local governments and partner organisations. The Foundation has adopted 60+ schools across India and is working with 18 partners to turn them around completely into model schools of excellence. ARISE+ initiatives encompass educational empowerment programmes for children with disabilities.

Shikshaantar

Shikshaantar, envisioned as a programme for enhancing capacity of government school teachers, has taken rapid strides during the year. TMF has been working with the East Delhi Municipal Corporation to manage its In-Service Teacher Education Institute

(ITEI), where teachers from nearly 400 primary schools receive quality training on a regular basis. In addition, the Foundation has also worked with Municipal Corporations in Chennai, Bengaluru, Hyderabad, Pune & Thane for strengthening capacities of government school teachers.

Employability

Skills for Market Training (SMART) is the Foundation's flagship programme in employability. It is built on the vision of an educated, enlightened and employed India, and a belief that educated and skilled youth are the country's true strength. The programme started with 3 Centres in 2012 and is currently running 100 Centres at 11 locations across India. These include SMART Centres, SMART+ Centres (training for people with disabilities), and SMART-T Centres (training in technical trades).

In 2017-18, your Company trained more than 16,000 young women and men under its SMART programme. More than 70% of the graduates are placed in jobs upon successful completion of the training, across multiple industries.

The Foundation has partnered with the Banasthali University for Women in Rajasthan for setting up of the Tech Mahindra College of Nursing. The College will start offering Bachelors and Master's Degree Programs in Nursing.

MAHINDRA EDUCATIONAL INSTITUTIONS (MEI)

Technical Education

Your Company's initiatives in technical education are carried out through Mahindra Educational Institutions (MEI), under which the Company has extended infrastructural and operational support to Mahindra École Centrale, a state-of-the-art technical institution in Hyderabad.

Mahindra École Centrale (MEC), College of Engineering, established by Tech Mahindra in collaboration with École Centrale Paris (now Centrale Supélec) and Jawaharlal Nehru Technological University, Hyderabad is set to deliver its first batch of graduates this year, after a successful four year presence on the technical education landscape of the country, characterized by its rising popularity.

This high impact, Indo-French collaboration in engineering education has emerged as a disruptive player with its keen focus on Industry-aligned and industry-sponsored education; all Ph.D. faculty roster, global internships and a distinct curriculum that includes the French language.

The Executive Council of MEC features leaders both from Tech Mahindra and the Mahindra Group. The

MEC campus, surrounded by the sprawling green Tech Mahindra Technology Centre in Hyderabad, India, is equipped with state-of-the-art academic infrastructure. To support its strong research vision MEC has set up relevant high technology laboratories for learning, media, design thinking and research.

MEC has hosted many of the Company's customers on their visit to Tech Mahindra Technology Center (TMTC), Hyderabad. The customers express surprise and delight at the presence of MEC and its pedagogy aimed at shaping world class engineers, with global relevance and a strong European influence.

The Annual Report on CSR activities is provided as "Annexure IX".

SUSTAINABILITY

As a responsible business entity, Tech Mahindra concentrates on integrating sustainability into all aspects of the business and develop strategies for Environmental, Social and Governance (ESG) dimensions. The Company has defined strategies to leverage sustainable opportunities to create value for its stakeholders and help emerge as a more efficient organization with increasingly optimized business processes. With a structured stakeholder programme the Company has been able to design strategies and initiatives to build solutions which not just improve its sustainability credentials but reinforce the overall business philosophy too.

The Company's responsibilities and emphasis on its green eco-system is seen through various energy, water and waste reduction initiatives that have helped cut down carbon emissions, made it more energy-efficient and help mitigate its environmental impact. Tech Mahindra is moving towards carbon neutrality through various Sustainability initiatives and best practices. The Company is striving to reduce the carbon footprint by installing solar modules, retrofitting LEDs, installing motion sensors, using star rated equipment and recycling waste water. The Company has digitalized internal communications with virtual meetings through tele/audio-conferencing, which brings down meeting-related travel and other costs considerably. Your Company is investing in Green Solutions like smart grid, smart cities, smart waste management systems and electric vehicle charging systems. Your Company is also working with suppliers and vendors to cut down on logistics and transportation and thus reduce the emissions.

The recent leadership position and achievements across platforms encourage us to strive for excellence and aim even higher.

Few of the recognitions bestowed upon are:

- Recognized as World Leader for Supplier Engagement on Climate Change 2018 by CDP- the only Indian Company on this Leader Board
- Member of DJSI World Index for 2017- one amongst the only 4 Indian companies to be listed

POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTORS, KMPs AND SENIOR MANAGEMENT

Directors

The Nomination & Remuneration Committee (NRC) determines the criteria for appointment to the Board and is vested with the authority to identify candidates for appointment to the Board of Directors. In evaluating the suitability of individual Board member, the NRC will take into account multiple factors, including general understanding of the business, education, professional background, personal achievements, professional ethics and integrity.

Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman / the NRC/ VC / MD & CEO will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act 2013 and Rules made there under.

KMPs

The authority to identify right candidates for the appointment of CFO and CS is vested with the MD & CEO. The HR will facilitate in identifying the candidates internally or externally. NRC will consider the candidates proposed by the MD & CEO and recommend to the Board for its consideration and appointment in accordance with the applicable provisions of the Act and Rules.

In case of EVC / MD / CEO's appointment, NRC will initiate the process of identifying the new candidate, which can be an internal or external candidate, for the respective position. After identification and screening of the candidate, NRC will propose the candidature to the Board for its consideration and for appointment subject to the approval of the Shareholders and Regulatory Authority, if any.

Senior Management Personnel

The Senior Management personnel are appointed and removed/relieved with the authority of EVC / MD & CEO based on the business need and the suitability of the candidate. The details of the appointment made and the personnel removed/relieved during a quarter shall be presented to the Board as part of update on Corporate Governance.

Removal of Directors and KMPs

If a Director or a KMP is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non-adherence to the applicable policies of the company, the NRC may recommend to the Board with reasons

ANNEXURE III

recorded in writing, removal of a Director or a KMP subject to the compliance of the applicable statutory provisions.

REMUNERATION TO DIRECTORS, KMPs, SENIOR MANAGEMENT PERSONNEL & OTHER EMPLOYEES

Non Executive Directors:

The NRC shall decide the basis for determining the compensation to the Non Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and Clause 49 of the Listing Agreement with Stock Exchanges and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors:

The remuneration of MD & CEO shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of appointment, the variable compensation will be determined annually by the NRC based on their performance.

The Company may also grant Stock Options to the Directors subject to the compliance of the applicable statutes and regulations.

Remuneration to Senior Management Personnel and Other Employees

The Company follows an extensive performance management system to review the performance of the employees / Senior Management and provide rewards on the basis of meritocracy.

The overall remuneration to the employees includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as the Company believes employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements :

Performance

Potential

Criticality

Longevity in grade

The remuneration for KMPs - CFO and CS will be proposed by the MD & CEO to the NRC consistent with the strategy of the Company and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration.

The remuneration for the Senior Management personnel shall be proposed by CPO, approved by MD & CEO, and reported to NRC periodically.

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The CPO shall make a presentation to the NRC on the proposed annual increments based on the performance of the company, general trends in the Industry etc. the annual performance appraisal process of the employees conducted by the Human Resources department, during the financial year. Eligible employees will be rewarded with the annual increment. Before taking the proposal to the NRC, the CPO shall obtain the approval of Vice Chairman/ MD and CEO.

The Stock Option grants to the employees are approved by the NRC based on the recommendation of the Advisory Council;

SECRETARIAL AUDIT REPORT**FOR THE FINANCIAL YEAR ENDED 31 MARCH, 2018**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
Tech Mahindra Limited,
Gateway Building, Apollo Bunder,
Mumbai – 400 001.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tech Mahindra Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March, 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment; [There were no Foreign Direct Investment (except remittances from overseas employees for ESOP exercise) and External Commercial Borrowings transactions in the Company, during the Audit Period];
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): —

ANNEXURE IV

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (**Not applicable to the Company during the Audit Period**);
 - (d) The Securities and Exchange Board Of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**Not applicable to the Company during the Audit Period**);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Not applicable to the Company during the Audit Period**); and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (**Not applicable to the Company during the Audit Period**).
- (vi) **I further report that**, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:
- a) The Information Technology Act, 2000, and
 - b) The Special Economic Zones Act, 2005.

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India; and
- ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in

the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the Board of Directors of the Company, subject to other necessary approvals/sanctions, approved the scheme of amalgamation of Sofgen India Private Limited – a step down wholly owned subsidiary of the Company with Tech Mahindra Limited

Place: Pune
Date: May 25, 2018

Dr. K R Chandratre

ANNEXURE VIII

PARTICULARS OF ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO AS REQUIRED UNDER COMPANIES (ACCOUNTS) RULES, 2014

A) CONSERVATION OF ENERGY

Your Company uses electrical energy for their equipment such as air conditioners, computer terminals, lights and other utilities at work places. As an on-going process, the Company continued to undertake the following measures to conserve energy and environment:

1. Power savings of 3.87% per associate per annum achieved in 2017-18 when compared to base year 2013-14 through effective operational controls and close monitoring of utilization.
2. Generated more than 4435403 kWh solar power including savings from Solar Water heaters which lead to reduction of more than 3600 MT CO₂ GHG emissions
3. Replacing florescent lamps with LED lamps in a phased manner.
4. LED installed in Chandigarh premises and reduced energy consumption from 2310 kWh per month to 630 kWh per month
5. Energy simulation done for main buildings and use of automatic sensors integrated with lighting and aircon units in Bangalore
6. Efficient VRV systems, energy efficient HVAC measures and adiabatic cooling methods used to increase Energy efficiency
7. Conservation of Energy through Data Centre consolidation, server virtualization and use of modular energy efficient equipment for data Centre designs

B) TECHNOLOGY ABSORPTION

(i) & (ii) The efforts made by your Company towards technology absorption and the benefits in different segments are given below:

To realize the potential of a connected future, businesses need to create extraordinary digital, physical and convergent experiences for their consumers. 71% of Global CEOs have mentioned Customer Experience as their Top priority. We believe there are technologies that can empower our customers run better, change faster and grow greater and unlock experiences of the future. In FY 2017-18 we focused on following four strategic themes that will create connected experiences for a connected world.

For each of the themes we invested in building platforms, creating partner ecosystem and skill-transformation.

- Network of the Future that will power the content highway
- Software of the Future that enables new age delivery for digital era
- Connectors of the Future will make things more intuitive with IOT
- Delivering Customer Experience of the Future powered by the convergence of digital and design

Network of the future will be the nervous system of the hyper connected world. We have forged multiple partnerships with new age technology providers including a strategic investment in Altiostar. We are a founding platinum member of the ONAP (Open Network Automation Platform) a ground breaking global initiative that is backed by the world's top service providers and technology leaders. Tech Mahindra's VNF Xchange brings together multiple new age and mainstream technology providers and is designed to accelerate the communication industry's adoption of NFV (Network Function Virtualisation). We also have established a network of the future innovation lab powered by Intel architecture and designed to accelerate 5G roll out in India.

Connectors of the future with Internet of Things (IoT) is only the beginning. But the true potential of IoT will be realized only with the design of everything – when sensors, networks and platforms are designed to come together to converse and correlate. ConnectSense for connected Health, DIGISense for connected vehicles, RM&D for connected assets are few such platforms we have invested in, We have also developed partnerships with start-ups in the areas of AR/VR, Location Engine, Analytics and Digital Operations, Noise Based Analytics, Image Analytics, Block Chain and AI to strengthen our propositions.

Today software is everywhere, therefore the way Software of the Future is designed. delivered needs to be changed. Speed to market, re-usability, modularity and ability to access and utilise resources from anywhere in the world is critical. Therefore we have created a marketplace of assets that using principles of AI and gamification to suggest what will be best solution. All of these is bundled into our new age delivery platform.

Customer Experience of the Future will be driven by humanizing experiences delivered with right mix of digital and physical. Our investments in The BIO Agency and Pininfarina has helped us create new conversations with customers on designing experiences.

We applied the same principles in delivering experiences for our associates too.

Our associates social networking platform NeMO platform, digital Visit Management app, or internal marketplace eXtrafor for enthusiastic associates to pick up problem statements / software requirements of their interest, and contribute to building software in a freelance way are all demonstration of our living DIGITAL.

(iii) Information regarding imported technology (Imported during last three years)

Details of technology imported	Technology import from	Year of import	Status implementation / absorption
HoloLens	Procured from US	2016	Project Development Phase

(iv) The expenditure incurred on research and development - ₹ 440 Million

C) FOREIGN EXCHANGE EARNINGS AND OUTGO

1. Initiatives like increasing exports, Development of new export markets etc., to increase foreign exchange	95% of the total revenue of the Company is from exports.
2. Foreign Exchange Earnings	₹ 225,016 Million
3. Foreign Exchange outgo	₹ 132,676 Million

ANNEXURE IX

ANNUAL REPORT ON CSR ACTIVITIES FOR THE FINANCIAL YEAR 2017-18

1. **A brief outline of the company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs.**

Tech Mahindra Limited (TML) is a leading provider of solutions and services in the Information, Communications & Technology industry. The CSR vision of TML is Empowerment through Education. All social investments of the company are accordingly aligned to the attainment of this overall vision.

The TML has established Tech Mahindra Foundation (TMF) in 2007 and Mahindra Educational Institutions (MEI) in 2013; under Section 25 of Companies Act, 1956 (referred to as a Section 8 Company in Companies Act, 2013) with dedicated professionals to carry out its CSR activities. The TMF has been focusing on implementation projects related to of education and employability while MEI implements higher education projects. A brief profile of the projects undertaken by TMF and MEI are given below.

Projects	Description
Tech Mahindra Foundation:	Promoted quality Education and Employability for vulnerable sections of society through vibrant and innovative partnerships with the Government, NGO's, CBO's and other organisations across 12 major cities of India. There have been some recent initiatives in Public Health as well.
School Education:	Projects are aimed to improve the quality of school education, teacher training through infrastructure improvement, capacity building of all stakeholders and supplementary education.
ARISE	All Round Improvement in Special Education
ARISE+	ARISE for children with disabilities
Shikshaantar	Training/Capacity building of Primary School Teachers
Employability:	Projects supported the Government of India's larger vision of skill development of youth through developing their market-oriented skills and linking them to potential employers. These projects seeks to benefit school drop-outs, people with disabilities and those unable to go into higher education, with specific focus on women and people with disabilities.
	The Projects strive to address to gap between the skilling sector and the industry requirement by bringing in renowned industry from the service, technical and manufacturing sector as knowledge partners.
	An employability rate of 70% is achieved annually.
SMART	Skills-for-Market Training Centres
SMART+	SMART Centres for youth with disability
SMART-T	SMART Centres with Technical trades
SMART Academy	Sector specific 'state of art' training institutes
Public Health:	The Foundation has supported a project called 'Last Mile Connect' as part of which a Public Cycle intervention in Delhi is supported on an end-to-end basis. In addition, the Foundation has also supported the infrastructure development of a Nursing College at Banasthali University in Rajasthan and another project in which affordable Dialysis care is being provided to patients.
Mahindra Educational Institutions:	Established institutions of higher education, promoted research and development and collaborated with other renowned institutions to contribute towards the goal of high quality technical education systems in India.
Technical Education:	The Mahindra École Centrale (MEC) project provided high quality technical education in engineering and computer technology for the students.
	MEC is an international quality, technology school with assured career progression for engineering aspirants. It focuses on multi-disciplinary knowledge, personality development, and critical-creative thinking. MEC College of Engineering, heralds the Rise of the New Engineer in India.

Three activities, through nine programmes, across 12 cities, delivered by three agencies - Tech Mahindra Foundation (TMF), Mahindra Educational Institutions (MEI) and K.C.Mahindra Education Trust.				54.78 (TMF)	55.25 (0.0)	55.25 (0.0)	
				21.00 (MEI)	21.00 (0.0)	21.00 (0.0)	
					0.17 (NA)	0.17 (NA)	
				75.78 (Total)	76.42	76.42	

Note:

- (1) The prescribed CSR expenditure for Tech Mahindra for the financial year 2017-18 was ₹ 71.55 Crores (i.e. 2% of ₹ 3,577.5 Crores).

- (2) Tech Mahindra operated with a budget of ₹ 71.55 Crores, and spent ₹ 76.42 Crores over the financial year, through three agencies – Tech Mahindra Foundation (TMF) and Mahindra Educational Institutions (MEI) and K.C.Mahindra Education Trust – A/c Nanhi Kali.
- (3) Against the mandated spend of ₹ 71.55 Crores, Tech Mahindra spent ₹ 76.42 Crores which is more than the prescribed 2%.

6. In case, the company has failed to spend the two per cent of the average net profit of the last three financial years or any part thereof, the company shall provide the reasons for not spending the amount in the Board report.

Not Applicable.

7. A responsibility statement of the CSR committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the company.

For Tech Mahindra Limited, Corporate Social Responsibility means responsible business practices through the involvement of all stakeholders in the decision making process and in operations. It entails having business policies that are ethical, equitable, environmentally conscious, gender sensitive, and sensitive towards the differently abled.

We have adequate systems and tools in place that go beyond regulatory requirement. In collaboration with our community, we analyze the potential impacts of our operations before setting up any new project and during any expansion of existing projects, so as to address the concerns of the community. At the end of a project, the implementing partner submits a report pertaining to the impact of the program, specifically highlighting the project milestones achieved and the quantitative and qualitative benefits generated. The project is also evaluated on milestones achieved by the CSR Committee formulated by TML. Independent Third Party Assessments are also conducted for major CSR initiatives of TML at regular intervals.

The CSR committee certifies that the implementation and monitoring of projects and programmes as per CSR Policy are in compliance with CSR objectives and policy of the company.

CORPORATE GOVERNANCE REPORT

I. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Tech Mahindra's philosophy on Corporate Governance is embedded in its rich legacy of ethical governance practices, most of which were implemented before they were mandatorily prescribed. Your Company believes that Corporate Governance is a set of guidelines to help fulfil its responsibilities to all its stakeholders. It is a reflection of the Company's culture, policies, relationship with stakeholders, commitment to values and ethical business conduct. In the same spirit, timely and accurate disclosure of information regarding the financial position, performance, ownership and governance of the Company is an important part of your Company's corporate governance.

II. BOARD OF DIRECTORS:

Your Company has a balanced mix of eminent executive, non-executive and independent directors on the Board. The Board consists of 5 Independent Directors including 1 Woman Director, 4 Non-Executive Directors and 1 Executive Director. The Chairman is a Non-Executive Director.

During the year 2017-18, four meetings of the Board of Directors were held on May 26, 2017, July 31 & August 1, 2017, October 31 & November 1, 2017 and January 29, 2018.

III. COMMITTEES OF THE BOARD:

The Board has constituted various committees with specific terms of reference and scope. The details of the committees constituted by the Board are given below:

a) AUDIT COMMITTEE:

The Audit Committee of the Board of Directors meets the criteria laid down under Section 177 of the Companies Act, 2013, read with Regulation 18 of the Listing Regulations. The terms of reference to the Audit Committee inter alia includes:

- Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
- Review and monitor the auditor's independence and performance, and effectiveness of audit process;
- Approval or preapproval or any subsequent modification of transactions of the Company with related parties except the transactions with a wholly owned subsidiary whose accounts are consolidated with the Company and placed before the shareholders at the General Meeting for approval;
- Evaluation of internal financial controls and risk management systems;
- Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
- To review the functioning of the Whistle Blower mechanism.

The composition of the Audit Committee, meetings held, and attendance of the members are given below:

There were four meetings held on May 25, 2017, July 31, 2017, October 31, 2017, and January 29, 2018 during the Financial Year 2017-18.

Name	Category	Number of Audit Committee meetings attended
Mr. T. N. Manoharan	Chairman, Independent Director	4
Mr. Anupam Puri	Independent Director	4 ¹
Mr. M. Damodaran	Independent Director	3
Mr. Ulhas N. Yargop	Non-Executive Director	4

¹ Attended one meeting through Video Conference call

The Company Secretary acts as the Secretary to the Audit Committee.

The Vice Chairman, Managing Director, Chief Financial Officer, the Statutory Auditors and the Internal Auditors are the invitees to the meetings of the Audit Committee. The Chief Internal Auditor reports to the Audit Committee Chairman.

The Audit Committee holds discussion with statutory auditors without the presence of management at its quarterly meetings.

Mr. T. N. Manoharan, the Chairman of the Audit Committee, was present at the Annual General Meeting of the Company held on August 1, 2017.

b) **NOMINATION & REMUNERATION COMMITTEE**

The Nomination & Remuneration Committee of the Board of Directors meets the criteria laid down under Section 178 of the Companies Act, 2013, read with Regulation 19 of the Listing Regulations.

The terms of reference to the Nomination & Remuneration Committee are as given below:

- Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration of the directors, key managerial personnel and other employees;
- Formulation of criteria for evaluation of Independent Directors, Committees of Board and the Board;
- Devising a policy on Board diversity;
- Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal;
- The Committee will develop and review induction procedures for new appointees to the Board to enable them to become aware of and understand the Company's policies and procedures and to effectively discharge their duties.

The composition of the Nomination & Remuneration Committee and particulars of meetings attended by the members are given below:

INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of Tech Mahindra Limited

1. This certificate is issued in accordance with the terms of our engagement letter dated 15 September 2017.
2. This report contains details of compliance of conditions of Corporate Governance by Tech Mahindra Limited ('the Company'), for the year ended 31 March 2018, as stipulated in regulations 17 to 27, clauses (b) to (i) of regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') pursuant to the Listing Agreement of the Company with Stock exchanges.

Management's responsibility

3. The compliance with the terms and conditions contained in the Corporate Governance is the responsibility of the management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's responsibility

4. Our examination was limited to procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31 March 2018.
6. We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes, Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ('ICAI') and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate. The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.
9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restrictions on Use

10. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

MANAGEMENT DISCUSSION AND ANALYSIS

Company and Performance Overview

Tech Mahindra Limited is a leading provider of digital transformation, consulting and business re-engineering services and solutions and is a part of the USD 20.7 Billion Mahindra Group; a global federation of companies divided into 10 business sectors. Befitting its size, the Mahindra Group operates in 20 key industries, providing insightful and ingenious solutions that are global in their ramifications. The companies act as a federation, with an optimum balance of entrepreneurial independence and synergy. The Group enables people to rise through innovative mobility solutions, driving rural prosperity, enhancing urban living, nurturing new businesses and fostering communities. It enjoys a leadership position in utility vehicles, information technology, financial services and vacation ownership in India and is the world's largest tractor company, by volume. It also enjoys a strong presence in agribusiness, aerospace, commercial vehicles, components, defense, logistics, real estate, renewable energy, speedboats and steel, amongst other businesses. Headquartered in India, Mahindra employs over 2,40,000 people across 100 countries.

Tech Mahindra represents the connected world, offering innovative and customer-centric information technology services and solutions, enabling Enterprises, Associates and the Society to Rise™. It is a USD 4.8 billion company with 112,800+ professionals across 90 countries, helping over 913 global customers including Fortune 500 companies. Company's convergent, digital, design experiences, innovation platforms and reusable assets connect across a number of technologies to deliver tangible business value and experiences to its stakeholders. Tech Mahindra is amongst the Fab 50 companies in Asia (Forbes 2016 list).

Connected World. Connected Experiences.

Tech Mahindra lives by the philosophy of the Connected World and Connected Experiences. It appreciates that the new revolution is powered by the intelligent symphony of solutions designing 'experiences'. With the ever growing importance of technologies and platforms only those Companies which can create and sustain world class experiences through them will thrive. Consumer 'experiences' are driving and disrupting industries like never before.

Businesses build seamless and integrated technology capabilities across dimensions – the digital, the physical, the convergent, and everything in between. That's when connected experiences manifest. And that's when enterprises and people alike would be empowered to Rise™ in a connected world.

The Company offers a bouquet of services, which includes IT Outsourcing Services, Consulting, Next Generation Solutions, Application Outsourcing, Network Services, Infrastructure Management Services, Integrated Engineering Solutions, Business Process Outsourcing, Platform Solutions and Mobile Value Added Services. The Company's innovative platforms and reusable assets connect across a number of technologies that delivers tangible business value to its stakeholders.

Tech Mahindra's revenue was at ₹ 307,729 Million (USD 4,771 Million) for the financial year ended March 31, 2018, registering a growth of 5.6% (9.6% in USD terms) on a YoY basis. The company's Profit After Tax (PAT) was at ₹ 37,998 Million (USD 588 Million) registering a growth of 35% (40% in USD terms) on a YoY basis for financial year 2017-18.

Tech Mahindra is a Public Listed Company, incorporated and domiciled in India and has its registered office in Mumbai, Maharashtra, India. It has a primary listing on the National Stock Exchange of India Limited (NSE) and The Bombay Stock Exchange Limited (BSE).

Industry Structure and Development

India is the topmost offshoring destination for IT companies across the world. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies. It has been offering an entire new gamut of opportunities.

As per NASSCOM Strategic Review Report 2018, India's IT-BPM industry stood at USD ~167 billion market and employs around 4 million people. It continues to be the leader in the global sourcing market with a ~55% share. Despite the slowing down in growth rates due to the base effect, the industry would add ~USD 24 billion revenue since last year and continues to be a net hirer, having addition of ~100,000+ in FY 2018. Share in total service exports is estimated over 45% and the industry's contribution relative to India's GDP is ~7.9%.

Digital technology is throwing up a new set of opportunities for the technology industry and over the past few years, the business has seen a shift: in revenue share (currently, digital share is between 18%-20% and increasing), talent (India accounts for 75% share in global digital talent), business models (partnerships, As-a-Services, etc.), revenue source (IP-led, platforms, cloud) and organisational structure (dedicated BUs, CoEs, etc.).

The industry comprises 17,000+ firms that offer a complete range of services. In the age of digital technologies, the industry has been adept at building

the necessary skills and capabilities to address new and changing customer demands. Over the past few years, firms have made substantial investments in building their portfolio of capabilities around these technologies and have set up a number of labs and CoEs to deliver digital services to customers. Consequently, the industry is now well equipped to manage the stage of Bi-modal IT.

While global sourcing growth has outperformed global IT-BPM spends growth in 2017, global sourcing grew 1.4X to reach USD 185-190 billion. India continued as the world's No.1 sourcing destination with a share of ~55 percent. 271 new global delivery centres were set up worldwide in 2017 - India accounted for ~24% share and Europe ~29%. Currently the traditional services (ISO, CADM, software testing, F&A, HRO, etc.) continue to have a major share of revenue (~80%), the share of digital revenue is increasing rapidly. From about 14% in FY2016, it is now ~18% and is expected to reach 38% by 2025. The industry also has an ever growing set of start-ups – 5,000-5,200 – making India the world 3rd largest start-up ecosystem. Many of these are digital first companies and are working on very niche technologies like – AI, blockchain, robotics, etc.

As per the NASSCOM Strategic Report 2018, in CY 2017 the Global IT-BPM industry stood at USD 1.3 trillion (excl. hardware) showing a growth of 4.3% over CY 2016. IT services grew 2.4% driven by the continuous need for digital solutions.

In FY2018, India's IT-BPM industry is set to grow ~8%, from USD 154 billion in FY2017 to USD ~167 billion (excl. eCommerce), an addition of USD 12 billion. The IT-BPM Exports from India are expected to reach USD ~126 billion, a 7.7% growth over FY2017 and an addition of USD 9 billion. Overall, the industry is estimated to employ 3.97 million people, an addition of ~105,000 people over FY2017. The domestic IT services are likely to grow ~7.9% to reach USD 41 Billion while eCommerce, a USD 38.5 Billion market, is seen to grow nearly 17% y-o-y. backed by an increase in online transactions.

Outlook

According to Gartner Inc – The world's leading information technology research and advisory company, the worldwide IT spending is projected to total \$3.7 trillion in 2018, an increase of 6.2 percent from 2017. For the year 2018, it expects the IT services spends, at US\$ 1,003 billion and to grow higher by 7.4% compared to 4.4% in 2017. The communication services spend at US\$ 1,452 billion, is also expected to grow higher by 4.3% compared to 1.3% in the previous year.

As per India's IT-BPM Industry Association - NASSCOM; the outlook for the Indian information technology

(IT) sector is steady, with a positive bias for FY2019. It expected the export revenues to grow to ~\$135-137 billion from the \$126 billion in FY 2018, a growth of ~7-9%. The Domestic revenues are expected to grow 10-12 percent to ~\$28-29 billion in the financial year 2018-19. The industry body expects digital spends to grow 20 percent annually.

Opportunities and Risks

Opportunities

The Fourth Industrial Revolution is here. According to Klaus Schwab, the Founder and Executive Chairman, World Economic Forum Geneva, we stand on the brink of a technological revolution that will fundamentally alter the way we live, work, and relate to one another. The First Industrial Revolution used water and steam power to mechanize production. The Second used electric power to create mass production. The Third used electronics and information technology to automate production. The present Fourth Industrial Revolution is building on the Third, the digital revolution; that has been occurring since the middle of the last century. It is characterized by a fusion of technologies that is blurring the lines between the physical, digital, and biological spheres.

The digital era is rewriting the rules of business. There's little doubt that the connected future is taking shape faster than most businesses anticipated. The question remains – are we prepared for the new realities of this connected future? We at Tech Mahindra are committed to bridging the gap between today's capabilities and tomorrow's possibilities.

By 2020, one will be looking for a very different future, which will be shaped by using technology. Autonomous cars, computers working as helpers will become a norm in every process, in every sector. The days when smart phones replaced old Java based phones are behind us. The world is moving towards where everything would be connected and embedded in intelligence. Customers and Customer's customer will *Live, Work & Play* differently. Future employees, customers and consumers would communicate using not only voice and data, but also video, AR/VR, holograms etc. There would be sharing and caring through hyper fast networks, connected information and senses. The Ecosystem will be driven by and helped by autonomous workers and automated bots. Data and analytics would become predominant skills for future processes and operations, they will not just become optimal and past - but also evolve towards new models and new ways of achieving outcomes. Future operations would have the optimal mix of manpower working side by side of automation, both will be driven by constant information influx from connected everything. Artificial Reality/Virtual Reality would dominate the space for play, entertainment and impact on consumers.

All these changes would present unprecedented opportunities and responsibilities that lie ahead for all. Either we wait for the world to evolve or we get-up, understand the changes and help our customers align to the digital realities.

3-4-3 Strategy for Organization

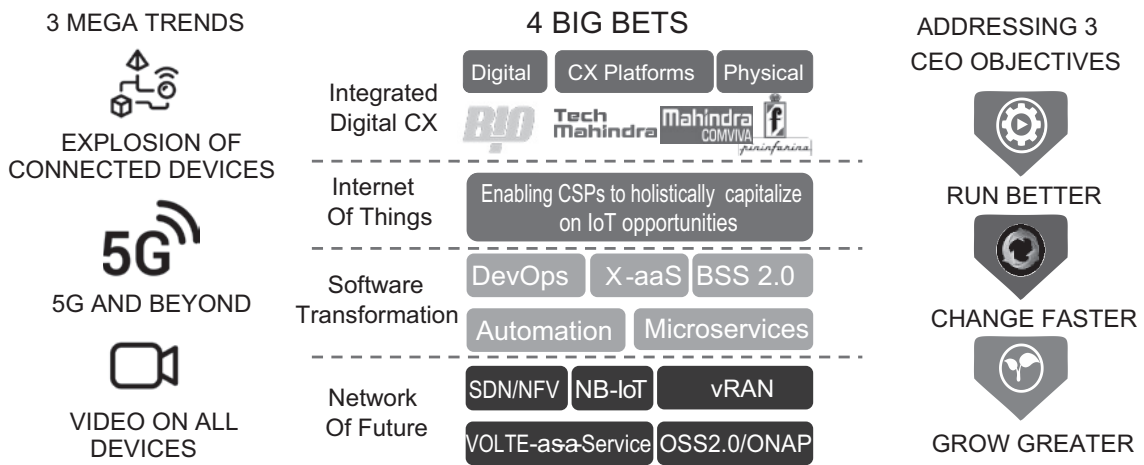

As Tech Mahindra builds diversified and deep relationships with its customers, in this rapidly changing times, The Company has rolled out a strategy which is termed as "3-4-3 strategy". Which

means addressing 3 Megatrends that are happening in the markets, 4 bets that Tech Mahindra would take to address those mega trends and which fits in to the 3 areas of a CXO's priorities.

The three mega trends which Company believes will provide immense opportunities are 1) Explosion of connected devices ~20 billion connected IoT devices by 2023. 2) Data Explosion ~75% of data would be consumed by Video and 3) The power of new network Technologies like 5G, which will enable always connected experience.

The Communication vertical's "3-4-3 strategy" is depicted in a nutshell below:-

TECH MAHINDRA 3-4-3 BUSINESS STRATEGY... TO ENABLE NEW CSP IDENTITY

The 4 Tech bets defining Tech Mahindra's strategy for Future - Company's innovation and automation focus and assets and capabilities; both organically and inorganically; has placed it in a unique position to help customers transform for the future. To enable manifest these transformations, Company has identified its strategy across 4 key business and technology related areas, that are changing the way we work and live:

Customer Experience Management - Orchestrate the interplay of design, digital and convergent deliver connected customer experiences.

Customer Experience today is not just CRM, website or call center but an integrated journey that will be redefined for a digital future. With the acquisition of BIO Agency and Pininfarina, Tech Mahindra is well placed to integrate physical, digital designs and user experiences to create connected experiences, which are worldclass, seamless and phenomenal.

Software Transformation - Leverage Agile, DevOps, open source & automation to build higher velocity-stability to change faster while running better

Business velocity enabled by software will be the differentiator for the future enterprises.

This has Tech Mahindra's historical strength. Company has proven capabilities and has helped its customers transform at a faster pace.

Network of Future - Creating the Foundation for the connected world by creating intuitive networks where physical & digital come together.

Tech Mahindra's ability to create very software intense, intelligent network architecture, coupled with its proven DNA across Networks and Communication industry will be the differentiator where Company can go the extra mile to help its customers set.

Internet of Things - To drive connected everything by being the largest systems orchestrator in the world.

Tech Mahindra have developed 50+ use cases and has partners across the entire IoT ecosystems, enabling to deliver various niche & new use cases across the connected world. Company's Factory of future

offerings, Smart City offerings have enabled various industries & cities to be connected. Tech Mahindra have also enabled Telco(s) to become connected consumer service provider.

The above 3 mega technology trends and 4 key Tech bets will help address CXO's IT priority for his company which is of running better, changing faster and growing greater.

Helping Customers Run Better, Change Faster & Grow Greater.

Run Better

Artificial Intelligence, Machine Learning, Bots, Self-Healing etc. are the new age technologies to effectively reduce operational cost & enhance process times by 3x-5x. Predictive intelligence enabled by data also have led productivity & quality enhancement across the business processes. Tech Mahindra wants to pioneer this digital journey for its customers, while ensuring their existing business run better.

Change Faster

DevOps, Micro Services, Agile, Analytics, Data Intelligence, Machine Learning are propelling enterprises to evolve towards new stacks enabled by Digital Technologies. Tech Mahindra wants to enable its customers transform, but transform faster as technology partner of choice.

Grow Greater

Digital has opened unprecedented new options and, posed dynamic challenges towards global businesses. Tech Mahindra has enabled its customers to constantly evolve and cater to new age consumer demands. Company would continue to enable its customers grow through risk sharing, technology as a service and through various Business Models.

Risks

Some of Tech Mahindra's key risks and their corresponding mitigation strategies are highlighted below.

Key Risk	Impact of risk	Mitigation / strategy
High concentration in communication Vertical	For the Financial year 2017-18 (FY18); Communication Vertical had a revenue share of ~43% of the total business. This is much higher when compared to leading Indian and global IT peers of TechM.	The Communication industry is one of the largest spenders on the IT and Network Services and the nature of these spend keeps evolving and changing as new technologies get introduced. Tech Mahindra has made significant investments in being current and benefiting from the new age technologies. Tech Mahindra has also done several partnerships to disrupt these technologies. The concentration has been coming down gradually over years and stands at 43% for FY18 versus 48% in FY17.
Communication vertical witnesses cyclical spends	Historically IT services spend in Communications industry has been cyclical, resulting in periods of prolonged and tepid spends. Post the global financial crisis in year 2009, the IT spends cycle for the global Communications industry have been on the tepid side increasing the risk of growth for ~43% business going ahead.	While IT services spends growth have been tepid in the Global Communications space, Tech Mahindra has been able to grow in line with its peers in the Communication vertical space over longer periods, which captures both the up and down cycles. Company is one of the few Global IT Company, which has a complete end-to-end span of services in the Communications Industry and the Company has been able to leverage its expertise and unique positioning in the vertical helping it grow faster.

Key Risk	Impact of risk	Mitigation / strategy
		<p>The Company today, works with almost all the key Global Communications Companies. Further, the Company couple of years back, made a foray in to the USD ~40 billion Network Services market, which helps open up, a completely new and untapped market with huge growth opportunities the upcoming being the 5G spend wave in coming years.</p> <p>Further, the Communication service providers are consolidating and getting in to areas like Media & Entertainment, Cable and Content. These would provide significant opportunities to Tech Mahindra going ahead and Company has made investment in these emerging opportunities for the company.</p>
<p>Global economy risk</p>	<p>TechM's export revenues are over 95% and it derives 46% revenue from Americas, 30% from Europe and 24% from the Rest of the World. The Economic growth activity in these nations could directly or indirectly affect TechM customers' IT spends. A slowdown in these economies would pose lower growth or deferred IT spends thus impacting growth for TechM.</p>	<p>Tech Mahindra has been operating in volatile business environment for over three decades and its business model has evolved to deal with these changes in the business environment and IT spend outlook of its clients.</p> <p>Global clients prefer offshoring and India as a preferred destination for offshoring because of its compelling value proposition across people and technology.</p> <p>TechM's business has been growing while the IT services' spend in some of the verticals such as communications has been flat or negative over the past few years.</p> <p>However, severe adverse Global Economic activities risks can impact any Company including Tech Mahindra and remains business risk akin to any other IT services business.</p>
<p>Regulatory changes risk/ Visa Risk</p>	<p>The Company has operations in over 90 countries and its employees work onsite at client facilities and locations on visas granted for extended or short term work.</p> <p>Protectionism is rising in few economies like USA, UK, Australia, Singapore, etc.</p> <p>Any changes in immigration laws or any local regulations can impact the profitability and growth.</p>	<p>Tech Mahindra has been in the software services business for over three decades and has been familiar and complying with the local regulations across its working locations.</p> <p>The Company has adequate and well defined internal processes including contingency plans to deal with the changing regulatory environment.</p> <p>The Company has delivery centres in overseas geographies including USA and also has been hiring local employees from time to time.</p> <p>Tech Mahindra has been engaging with its clients on a regular basis to discuss and deal with any critical regulatory issues, which might have an impact on its business.</p>

Key Risk	Impact of risk	Mitigation / strategy
M&A and Integration risk	The Company has a focused M&A strategy. The Company has acquired multiple companies in the past several years. M&A's and its integrations by nature involve risks relating to failure to achieve strategic objectives, financial loss, cultural and financial integration etc.	<p>Acquisitions and M&A's have not been new to the Company.</p> <p>The Company has well laid out and defined plans and acquisition policy. It uses M&A to fill up gaps in its portfolio of competency / services, verticals and client / geography access.</p> <p>TechM has a dedicated and professional M&A team led by the executive Leadership.</p> <p>The Company undertakes extensive due diligence and deals are evaluated by the Board. Company also engages with Investment bankers, subject matter experts and Advisors in the required areas. Management's experience with most of the acquisitions done until now has been quite satisfactory and in-line with its expectations.</p>
Competition risk	<p>The global IT services industry is highly competitive with competition arising from Indian IT companies and MNC IT services companies having sizable presence in low cost geographies, deep pockets, strong client relationships, In house and Captive services companies etc.</p> <p>The stiff competition can lead to pressure on pricing, vendor consolidation and hence can impact Company growth and profitability.</p>	<p>IT services companies including TechM have been operating under competitive environment for several years.</p> <p>TechM has not only been able to become competitive from a multiple services and competency perspective, but has also been able to move up in the IT services value chain.</p> <p>The Company has deep domain knowledge, skilled workforce, delivery capabilities and efficient sales force and relationship managers to help retain its competitive positioning amongst peers.</p>
Technology risk	The industry is seeing a shift to new age technologies. This shift coupled with changes in delivery models and consumer spending patterns could be a threat to the growth in traditional IT spends and technology obsolescence.	<p>TechM has been a specialist provider of connected solutions and has been investing in competencies required for a digital enterprise.</p> <p>The company has invested in service areas like IoT, Cloud, microservices, Artificial Intelligence, Blockchain, Cyber Security Services etc.</p> <p>The Company invests in centres of excellence (CoE's) and provides many opportunities to its employees through internal and external training on technology and domain skill upgrades and also focuses on reskilling and upskilling employees. One of the key focus areas for this year was nurturing talent and Company has tied up with world class content partners such as edX & Pluralsight, and with AI based personalized learning aggregators like Edcast, among others, to ensure that its human capital / intellectual machinery gets reskilled and honed to become the workforce of the future!</p>

Key Risk	Impact of risk	Mitigation / strategy
Employee related / Supply Side risks	IT being a manpower driven services industry will be associated with supply side risks on availability of talented pool of people, domain and technology experts. Also attracting talented people and attrition remains a risk.	<p>The Company has a strong in-house and external training curriculum which covers latest technologies and soft skills.</p> <p>The Company has been engaging with employees across locations and levels through various employee friendly initiatives.</p> <p>TechM has been diversifying its fresher talent pools by recruiting science graduates, diploma holders and certified skilled undergrads, while increasing hiring of local people in onsite locations.</p> <p>TechM has a comparable remuneration structure, matured HR process and various employee friendly incentives.</p> <p>The Company provides opportunity to all its employees and runs various programmes for employee enhancement and growth like the Global Leadership Cadre (GLC), Young CEO program, Shadow board, 1000 Leaders program etc.</p>
Currency risks	The exchange rate of TechM's major billing currencies like GBP, USD, Euro and AUD has fluctuated widely in the recent past and may continue to fluctuate significantly in the future thus resulting in wide fluctuation in not only revenues but also ForEx losses and gains. Adverse currency impact could also lead to impact on Company's profitability being hit.	<p>TechM has a well-established hedging policy which has been followed consistently over the past years.</p> <p>Hedging is undertaken to protect the Company from an unfavourable currency movements & the Company does not undertake any speculative hedging. More than half of Company's revenue is contributed by its onsite activities and a substantial portion of overall cost is incurred onsite, which provides as a natural hedge.</p> <p>The Company has a dedicated Treasury Department, which seeks advice from expert professionals and banks for its hedging decisions.</p>
Privacy Risk	<p>Many countries have stringent Data Protection and Privacy Laws.</p> <p>There is cyber security risk related to company's corporate and client data, which may hamper company's relationship with customers and company's brand value.</p>	<p>TechM's Information Security (IS) policy is 'to ensure confidentiality, integrity and availability of required information that is acquired, developed and provided to all relevant stakeholders'.</p> <p>TechM's Information and Data Security initiatives are in line with ISO/IEC 27001:2005 standard and code of practice ISO 27002. TechM is one among the five companies in India to be certified and the requirements of the specification are implemented through the Information Security Management System (ISMS).</p> <p>TechM has its own security risk assessment and management methodology that is designed based on the generally accepted methods within the industry.</p>

Key Risk	Impact of risk	Mitigation / strategy
Litigation Risk	Company has been working with over 900 customers across 90 countries and is prone to risk of litigation arising out of contract execution, Intellectual Property related, regulatory compliances, employment related, adverse rulings, mergers etc.	Businesses carry an inherent risk of litigations. To mitigate same, the company has an in-house Legal Counsel Team, spread across regions and catering to all the kinds of risks relevant to the IT business. The company also seeks expertise from external Global Law firms, Taxation and Compliance experts in the relevant areas wherever required. Further, the company has a robust process and framework for dealing appropriately and in a timely manner, to all the litigation related risks arising either external or internal to the company.

Discussion on Financial Performance with respect to Operational Performance

Overview

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and as per Indian Accounting Standards (IND AS) for the year ended March 31, 2018.

The financial statements of TechM and its subsidiaries have been consolidated on a line by line basis by adding together like items of assets, liabilities, income, expenses, after eliminating intra group transactions and any unrealized gains or losses in accordance with the Indian Accounting Standard - 110 on "Consolidated Financial Statements" (IND AS 110).

The discussion on financial performance in the Management Discussion and Analysis relate primarily to the standalone accounts of Tech Mahindra Limited. Wherever it is appropriate, information pertaining to consolidated accounts for Tech Mahindra Limited & its subsidiaries is provided for the current year and previous year. For purpose of comparison with other firms in this industry as well as to see the positioning and impact that Tech Mahindra Limited has in the marketplace, it is essential to take the figures as reflected in the Consolidated Financial Statements.

A. STANDALONE FINANCIAL POSITION

1. Share Capital

The authorized share capital of the Company is ₹ 7,931 Million, divided into 1,586,200,000 equity shares of ₹ 5 each. The paid up share capital stood at ₹ 4,897 Million as on March 31, 2018 compared to ₹ 4,868 Million as on March 31, 2017. The increase in paid up capital during

the year is due to issue of 5,637,728 shares on account of conversion of options into shares (₹ 29 Million) by employees under the Employee Stock Option Plans, reduced by 415,180 shares which were issued to Trust.

2. Reserves and Surplus

I. Investment in Subsidiaries

The Company invested in the following subsidiaries during the year FY17-18:

a) PF Holdings B.V

On May 30, 2016, the Company through its subsidiary, PF Holdings B.V., acquired 76.06% stake in Pininfarina S.p.A. for a total upfront consideration of EUR 25.24 Million (₹ 1,895 Million). Further, as per the share purchase agreement, PF Holdings B.V. made an open public offer to acquire remaining 7,205,128 shares of Pininfarina S.p.A at a price of Euro 1.10 per share, payable upfront. The open offer concluded on July 29, 2016 in which 22,348 equity shares were purchased and transferred on August 5, 2016 in the name of PF Holdings B.V. and accordingly, PF Holdings B.V. increased its holding to 76.18% of the share capital of Pininfarina S.p.A.

Further during the year under review, the company had invested in proportion to its holding an amount of Euro 2.4 million in PF Holdings BV to subscribe for the rights issue of shares offered by Pininfarina SPA.

b) The CJS Solutions Group, LLC "The HCI Group"

The Company on May 4, 2017, through its wholly owned subsidiary Tech Mahindra (Americas) Inc. acquired 84.7% stake in CJS Solutions Group, LLC (CJS) for an initial consideration of ₹ 5,742 Million (USD 89.5 Million). Further the subsidiary of the Company has acquired call and a written put options on the 15.3% Non-Controlling Interest to be exercised over three-year period ended December 31, 2019, based on variable pricing formula determined in the share purchase agreement with an overall cap of USD 130.5 Million.

c) Comviva Technologies Limited

During the year under review, the Company had acquired an additional 32.07% stake in Comviva Technologies Limited from Bharati Group and Westbridge Ventures II Investment Holdings for a total consideration of ₹ 3,618 Million and 0.68% stake from Comviva ESOP Trust for a consideration of ₹ 70 Million respectively. As a result of this, the Company now holds 99.85% stake in Comviva Technologies Limited as on March 31, 2018 (March 31, 2017: 67.10% stake).

6. Deferred Tax Asset

Deferred tax asset as at March 31, 2018 was at ₹ 2,750 Million as compared to ₹ 249 Million as of March 31, 2017. Deferred tax assets represent timing differences in the financial and tax books arising from depreciation of assets, provision for debtors and leave encashment & gratuity. The Company assesses the likelihood that the deferred tax asset will be recovered from future taxable income before carrying it as an asset.

7. Sundry Debtors

Sundry debtors at ₹ 50,700 Million (net of provision for doubtful debts of ₹ 5,274 Million) as of March 31, 2018 as compared to ₹ 45,717 Million (net of provision for doubtful debts of ₹ 6,189 Million) as of March 31, 2017. Debtor days as of March 31, 2018 (calculated based on per-day sales in the last quarter) were 104 days as compared to 93 days as of March 31, 2017.

8. Cash and Bank Balance

The bank balances include both Rupee accounts and foreign currency accounts. The bank balances in overseas current accounts are maintained to meet the expenditure of the overseas branches and overseas project-related expenditure.

₹ in Million

Particulars	As at March 31	
	2018	2017
Bank balances in India & Overseas		
Current accounts	9,055	5,317
Deposit accounts	10,238	14,010
Cheques in hand	-	1,512
Total cash and bank balances*	19,293	20,839

* Including unrealised (gain)/loss on foreign currency.

9. Loans, Other financial assets and Other assets

Loans & other assets as on March 31, 2018 were ₹ 59,506 Million compared to ₹ 64,758 Million as on March 31, 2017. Significant items of loans include Inter Corporate Deposits & Loans to subsidiaries. Other financial assets include foreign currency derivative assets, security deposits, advances to related parties, interest receivable and unbilled revenue. Other assets include prepaid expenses, balance with government authorities, advance income tax, capital advances, amounts deposited and held in escrow accounts for settlement consideration of

Aberdeen UK & US and class action on erstwhile Satyam Computer Services Ltd.

10. Provisions, Financial Liabilities & Other liabilities

Liabilities and provisions were ₹ 57,725 Million as of March 31, 2018 including long term liabilities and provision of ₹ 8,566 million and

short term / current liabilities and provisions of ₹ 49,159 million compared to ₹ 53,497 Million including long term liabilities and provision of ₹ 7,431 Million and short term / current liabilities and provisions of ₹ 46,066 Million as of March 31, 2017.

B. RESULTS OF OPERATIONS

The following table sets forth certain income statement items as well as these items as a percentage of our total income for the periods indicated:

Particulars	Fiscal 2018		Fiscal 2017	
	₹ in Million	% of Total Income	₹ in Million	% of Total Income
INCOME				
Revenue from Services	236,612		231,654	
Other Income	17,307		8,929	
Total Income	253,919	100%	240,583	100%
EXPENDITURE				
Personnel Cost	81,065	31.93%	77,444	32.19%
Subcontracting Expenses	90,129	35.50%	87,569	36.40%
Operating and Other Expenses	26,390	10.39%	29,923	12.44%
Depreciation	6,562	2.58%	6,222	2.59%
Finance Cost	708	0.28%	638	0.27%
Total Expenditure	204,854	80.68%	201,796	83.88%
Profit before tax and exceptional items	49,065	19.32%	38,787	16.12%
Provision for Taxation	9,072		8,314	
Net profit for the year	39,993	15.75%	30,473	12.67%

1. Revenue

The Company derives revenue principally from technology services provided to clients from various industries.

The revenue increased to ₹ 236,612 Million in fiscal 2018 from ₹ 231,654 Million in fiscal 2017. The increase in revenue is mainly due to increase in number of clients served & increase in amount of business from these clients.

Consolidated Revenue

Consolidated Revenue for fiscal 2018 was ₹ 307,729 Million compared to ₹ 291,408 Million in fiscal 2017, growth of 5.6%.

Consolidated revenue by Geography

Revenue from Americas was 46.6% in fiscal 2018 compared to 47.2% in fiscal 2017 while the share of revenue attributable to Europe was 29.8% in fiscal 2018 compared to 29.3% in the previous year. Revenue from Rest of the World (including India) as a percentage of total

revenue was 23.6% in fiscal 2018 compared to 23.5% in fiscal 2017.

Consolidated revenue by Vertical

For fiscal 2018, revenue from Communications was 43.3% compared to 47.8% in previous year. Revenue from Manufacturing was 19.2% in fiscal 2018 compared to 18.7% in fiscal 2017. Revenue from Technology, Media & Entertainment was 6.5% in fiscal 2018 compared to 6.7% in fiscal 2017. Revenue from Banking, financial services & insurance was 13.7% in fiscal 2018 compared to 12.6% in fiscal 2017. Revenue from Retail Transport & Logistics was 6.8% in fiscal 2018 compared to 6.9% in fiscal 2017. Revenue from Others was 10.6% in fiscal 2018 compared to 7.2% in previous year.

Consolidated Revenue by Segment

For fiscal 2018, 92.8% of revenue came from IT services, whereas 7.2% of revenue came from BPO services. The revenue share for fiscal 2017 from IT & BPO services was 93.1% & 6.9% respectively.

2. Other Income

Other income includes interest income, dividend income, foreign exchange gain/loss and net gain on disposal of assets.

Interest income mainly consists of interest received on bank deposits. Dividend income includes dividend received on long term investments as well as that received on current

investments. Exchange gain/loss consists of mark to market gain/loss on ineffective hedges, realized gain/loss and revaluation gain/loss on translation of foreign currency assets and liabilities. Other income was ₹ 17,307 Million in fiscal 2018 compared to ₹ 8,929 Million in fiscal 2017. The increase in other income was mainly due to higher foreign exchange gain and gain on disposal of assets.

3. Expenditure (Standalone)

Particulars	FY 2017-18		FY 2016-17	
	₹ in Million	% of Total Expenditure	₹ in Million	% of Total Expenditure
Personnel Cost	81,065	39.57%	77,444	38.38%
Subcontracting Expenses	90,129	44.00%	87,569	43.39%
Operating and Other Expenses	26,390	12.88%	29,923	14.83%
Depreciation	6,562	3.20%	6,222	3.08%
Finance Cost	708	0.35%	638	0.32%
Total Expenses	204,854	100.00%	201,796	100.00%

Personnel cost includes salaries, wages and bonus, allowances paid to associates deputed outside India, contribution to provident fund and other funds and staff welfare costs. The increase in personnel cost in absolute value is due to annual increments.

Subcontracting expenses include cost of direct contractors and agency contractors to support current and future business growth.

Operating and other expenses mainly include travelling expenses, rent, repairs and maintenance, communication expenses, office establishment costs, software packages and professional fees.

Increase in depreciation is mainly due to increase in investment in infrastructure and equipment to service our growing business.

The Company incurred interest expense of ₹ 708 Million in fiscal 2018 as compared to ₹ 638 Million in fiscal 2017.

4. Profit before tax

Profit before tax and exceptional item was 49,065 Million in fiscal 2018 compared to

₹ 38,787 Million in fiscal 2017. Profit before tax as a percentage of total revenue was 20.7% in fiscal 2018 compared to 16.7% in fiscal 2017.

5. Income taxes

The provision for income tax for the year ended March 31, 2018 was ₹ 9,072 Million as compared to ₹ 8,314 Million in the previous year. The effective tax rate in these years was 18.5% and 21.4 % respectively. Lower rate of tax in fiscal 2018 is due to accounting of MAT credit for AY2012-13 and write back of excess provisions for the earlier years no longer required based on the assessment or appellate decisions.

6. Profit after tax

Profit after tax was ₹ 39,993 Million in fiscal 2018 as compared to ₹ 30,473 Million in fiscal 2017. Profit after tax as a percentage of revenue was 16.9 % in fiscal 2018 and 13.2 % in fiscal 2017.

Consolidated PAT

Consolidated PAT for the fiscal 2018 was ₹ 37,998 Million as compared to ₹ 28,129 Million last fiscal 2017. PAT as a percentage of revenue was 12.3 % in fiscal 2018 compared to 9.7 % in fiscal 2017.

C. CASH FLOW

₹ in Million

Particulars	Fiscal Year	
	2018	2017
Net cash flow from operating activities	33,583	33,322
Net cash flow from (used in) investing activities	(22,711)	(25,864)
Net cash flow from (used in) financing activities	(12,095)	(14,788)
Increase(Decrease) in Cash and Cash Equivalents	(1,223)	(7,330)
Effect of exchange rate changes on cash and cash equivalents	388	(32)
Cash and cash equivalents at the beginning of the year	9,717	17,079
Cash and cash equivalents at the end of the year	8,882	9,717

D. Internal Control Systems

The Company maintains adequate internal control system, which provides, among other things, reasonable assurance of recording the transactions of its operations in all material aspects and of providing protection against significant misuse or loss of Company's assets. The Company uses an Enterprise Resource Planning (ERP) package, Business Intelligence and Analytics packages which enhances the internal control mechanism. The Company also has a Chief Information Risk Officer (CIRO) and Chief Information Officer (CIO) for overseeing the Internal Control and Systems.

E. Material developments in human resources including number of people employed

Being an organization that focuses on staying at the cutting edge of technology through our people, we strive at attracting the best talent through intensive recruitment drives in premier engineering and management institutes. During the year, Tech M saw a net reduction of 4,886 professionals through campus recruitment, lateral hiring and acquisitions. The global headcount of the Company as on March 31, 2018 was 112,807 as compared to 117,693 as on March 31, 2017.

The IT attrition was 18% during the year as compared to 17% in the previous year. The Company has been working towards retaining talent by investing in career development programs, talent engagement initiatives, employee well-being (personal and professional), rewards and recognition as well as an empowered work environment.

Cautionary Statement

Certain statements made in the management discussion and analysis report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on, whether express or implied. Several factors could make a significant difference to the Company's operations. These include economic conditions affecting demand and supply, government regulations and taxation, natural calamities and so on over which the Company does not have any direct control.

Tech Mahindra has in place the Business Responsibility Policy https://www.techmahindra.com/investors/corporate_governance.aspx which addresses the 9 principles as per the National Voluntary Guidelines on Social, Environmental and Economic Responsibilities of Business. This policy is applicable to all Tech Mahindra associates and ensures our business practices are governed by these principles.

- P1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability.
- P2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.
- P3: Businesses should promote the wellbeing of all employees.
- P4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized.
- P5: Businesses should respect and promote human rights.
- P6: Businesses should respect, protect, and make efforts to restore the environment.
- P7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner.
- P8: Businesses should support inclusive growth and equitable development.
- P9: Businesses should engage with and provide value to their customers and consumers in a responsible manner.

Note 1: There is no distinct policy on public advocacy. However, the company is aligned to the Mahindra philosophy on policy advocacy

Note 2: As per the approval matrix of the company, policies are approved by the concerned Unit Heads.

Note 3: All Tech Mahindra policies are uploaded on the BMS site on the Tech Mahindra intranet for the information and implementation by the internal stakeholders. They are also available on the Tech Mahindra website

https://www.techmahindra.com/investors/corporate_governance.aspx;

<https://www.techmahindra.com/company/Sustainability.aspx>;

<http://techmahindrafoundation.org/csr-policy/>

3. Governance related to BR

- (a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year
- Within 3-6 months
- (b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

Tech Mahindra has been publishing its standalone Sustainability Reports since 2013-14. The Reports as per the GRI framework are published annually and are accessible on the Company website <https://www.techmahindra.com/company/Sustainability.aspx>

SECTION E: PRINCIPLE-WISE PERFORMANCE**Principle 1**

- 1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes / No. Does it extend to the Group/Joint Ventures / Suppliers/Contractors/NGOs /Others?**

The policy relating to ethics, bribery and corruption covers not only Tech Mahindra Limited, but extends beyond the company to our stakeholders too. The Company has well-defined policies on Anti-corruption and bribery as well as Code of Conduct which extends to all stakeholders of the Company (internal and external) and cover all issues relating to ethics, bribery and corruption. Tech Mahindra also has a separate Supplier Code of Conduct policy for all our suppliers, vendors, and Companies who provide us with products and services.

- 2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.**

There were 359 CEBC Whistle blower complaints received during FY 2017-18. All whistle blows were redressed for investigation and suitable action taken wherever necessary.

Principle 2

- 1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

Sr. No.	Product	Social / Environment Benefit
1	Saarathi	Winner of the Aegis Graham Bell and Economic Times Award, Saarathi is an AI enabled robot that provides wellness as a service and helps measure the basic medical parameters. It helps make a doctor available via telepresence and provides medical facilities even to people in the most rural areas which lack the necessary infrastructure.
2	Farm Guru	Farm Guru is an end-to-end Smart Agri-Framework intended to minimize human intervention and provide specialized assistance through using precision agriculture for producing a quality yield. The solution with multi-parameter farm health monitoring and predictive analytics keeps a strict vigil on the soil, ambient atmosphere and other key characteristics and supports data management with recommendations based on the measured data. It also keeps the repository of the soil parameters for effective selection of farming needs. The scientific approach in measurement and analysis of the soil samples leads to a better agriculture growth and prosperity for farmers.

Sr. No.	Product	Social / Environment Benefit
3	Next Gen Emergency Management System	Next Gen EMS is a holistic and comprehensive platform which interlaces various next generation technologies to provide end-to-end flow of information and enable emergency response teams to provide high quality care without compromising on the speed of the care delivery. Next gen EMS solution disrupts the current native emergency response system, transforming it into an end-to-end platform which enables emergency response organizations to deploy scalable and next gen technologies like mobile apps and unmanned aerial vehicles for improving the emergency responses. This disruption into a platform contributes to improved utilization of key resources like ambulances (ALS, BLS), reduced response time through nullification of the impact of external environment variables on transit time and also reduced risk through instant establishment of communication medium for real time and seamless flow of information among various stakeholders (like ambulatory team, Hospitals, Specialists) of emergency response team.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

- (a) Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?
- (b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Tech Mahindra being a Software Services company, our products are not resource intensive and hence reduction is negligible.

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

Yes

- (a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Tech Mahindra has a Sustainable Supply Chain Management Policy and the Suppliers Code of Conduct policy which have to be stringently followed by our vendors. Tech Mahindra prefers suppliers with sustainable practices and ability to deliver on key strategic growth initiatives.

90% of inputs are sourced sustainably. Specifications of CAPEX items are finalised by considering their sustainability aspects and vendors have to supply items with desired specifications. Our supplier analysis also takes into account the sourcing strategy of the supplier and proximity of the supplier to the location where the order request has been raised so as to improve logistics and save time, cost & emissions from unwanted transportation through longer routes.

A proportion of our procurement spend is on construction of new facilities and campuses. Our Chennai campus is LEED Gold certified as also 2 towers in our Bangalore campus. Procurement norms of the LEED standard require that we procure construction materials and equipment that meet the required environmental norms and standards in Energy and Water Efficiency, Waste Management and Impact on Biodiversity.

We conduct supplier audits which help us understand the potential risks within the Supply Chain from ESG perspective. Suppliers who can strategically help in adaptation to new technology and procedures for newly constructed campuses & buildings are preferred.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

The Tech Mahindra Sustainable Supply Chain Management Policy includes a clause on procurement of goods and services from local and small communities. During supplier evaluation process, if all other factors are on par between potential suppliers, then the company will give preference to the local supplier or small producer and thus procure goods locally. Most IT requirements have to be procured from Original Equipment Manufacturers (OEMs) and so they cannot be sourced locally. But the company encourages sourcing of operational requirements and consumable services through local distributors and suppliers.

- (a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Development of Local Vendors is a continuous process and their empanelment is done on a regular basis based on references, direct contacts and interactions with them. Tech Mahindra conducts capacity training workshops for our suppliers touching upon topics such as Human rights and labour laws, the global trend in green supply chain and Anti-corruption. Through this capacity building workshop Tech Mahindra aims to help suppliers understand the importance of sustainable development as well as create a platform for all stakeholders to discuss their concerns and challenges.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Yes, > 10%. The company has a mechanism to recycle waste but we don't deal with product recycling as we do not manufacture products.

We have a robust waste management system of segregation at source, collection and management of both hazardous and non-hazardous waste. Scrap waste comprising of plastic, office waste, packaging and paper is given to vendors for recycling. The organic waste is converted into manure through the process of Vermicomposting or in the Organic Waste Composter at our major locations. Vermicomposting of wet waste has yielded 35 ton of manure that was used for landscaping.

The e-waste generated includes defunct computers, monitors and servers, electronic and electrical items and is disposed of for recycling through government-authorized certified vendors. FY 17-18 had 303 ton of E-waste and 3938 laptops sent for recycling through an authorized vendor.

Sewage Treatment Plants are set up at all major facilities to recycle and treat waste water which is reused for non-operational purposes like landscaping and in washrooms. More than 527000 kl of treated STP water helped in reducing fresh water withdrawal. We also have rain water harvesting plants and pits that helps in charging ground water.

Principle 3

(These are the details of only TML)

1. Please indicate the Total number of employees. **94994**

2. Please indicate the Total number of employees hired on temporary/contractual basis. **9771**
3. Please indicate the Number of permanent women employees. **28661**
4. Please indicate the Number of permanent employees with disabilities **203**
5. Do you have an employee association that is recognized by management?

Tech Mahindra recognizes the right to freedom of association & encourages associates to connect, discuss ideas and raise issues through readily available internal tools and platforms. Although in India our associates are not part of any trade Unions, there are internal tools also, readily available to all associates to share their views, opinions and ideas across managerial levels and across the organization. Tech Mahindra follows the local rules and regulations in the country of our operations and adheres to these collective bargaining agreements in European countries where applicable.

6. What percentage of your permanent employees is members of this recognized employee association?

NA

7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

Sr. No.	Category	No of complaints filed during the financial year	No of complaints pending as on end of the financial year
1	Child labour/ forced labour/ involuntary labour	0	0
2	Sexual harassment	28	0
3	Discriminatory Employment	1	0

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

(We have also included the Behavioral trainings given to the non-IT employees here).

- (a) Permanent Employees **90%**

- (b) Permanent Women Employees 91%
- (c) Casual/Temporary/Contractual Employees 59%
- (d) Employees with Disabilities – 93%

Principle 4

1. **Has the company mapped its internal and external stakeholders? Yes/No**
Yes
2. **Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?**
Yes
3. **Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.**

The overarching goal of Tech Mahindra Foundation (TMF) is 'Empowerment through Education'. Under this broad theme, TMF works with the disadvantaged community in each area of work including education and employability.

The Foundation's SMART (Skills for Market Training) employability programme is our flagship programme that trains & educates young men & women to become India's true strength. The Foundation supports 100 SMART centres across 11 cities of India, training more than 20,000 youth annually and successfully plugging the demand and supply gap in multiple manufacturing and service industries.

TMF works with Government Primary Schools by supporting initiatives that lead to sustainable transformation. The Education programme works with schools, teachers and the community to impart quality education to children from disadvantaged communities, with a focus on improving learning outcomes.

The Foundation also works with children and youth with disabilities in the areas of education and skill development. Activities under the disability programme focus on the dignity and independence of persons with disabilities.

TMF strongly encourages volunteering activities to supplement its skilling and education programmes. In 2017-18, a total of 18744 volunteers clocked 80846 hours in various activities.

Please refer to <http://techmahindrafoundation.org/> for further details

Principle 5

1. **Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?**

Policies on Human Rights, including the Code of Ethical Business Conduct, Prevention of Sexual Harassment and the Whistleblower policies along with the group Business Responsibility Policy cover all aspects on Human Rights for the Company and also extend to all stakeholders of Tech Mahindra.

2. **How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?**

There was one charge of discrimination filed with US Dept. of Justice, Civil Rights Division, however the same was dismissed.

Principle 6

1. **Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.**

The company has various policies related to environmental protection. The Supply Chain Management policy includes environment protection and covers suppliers. The Green procurement policy encourages suppliers to deliver products/services with minimal negative impact on environment. The Environment policy applies to all levels of the organization across Tech Mahindra facilities excluding Sales and Client Offices. The Company aims to help suppliers/contractors understand the importance of sustainable development as well as create a platform for all stakeholders to discuss their concerns and challenges.

Tech Mahindra policies are in sync with the Mahindra & Mahindra Group environmental policies. Our ideology of Environmental Sustainability is reflected in our rigor and strategic thinking across the organization. We believe that our operations should not adversely affect the future of our society, its ecological balance and life support functions.

2. **Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.**

Yes, the company has strategies/ initiatives to address global environmental issues such as

climate change & global warming. Please refer to the details in the Sustainability Report on the below link: <http://www.techmahindra.com/company/Sustainability.aspx>

3. Does the company identify and assess potential environmental risks? Y/N

Yes, we have integrated multi-disciplinary company-wide risk identification, assessment, and management processes across our locations. At Tech Mahindra, Risk assessment is entrusted with the Enterprise Risk Management Team in conjunction with various business functions.

The environment risks identified are on the below aspects

- Climate Change
- Weather-related
- Natural Disasters
- Water Quality and Security
- Occupational Health and Safety
- Brand Reputation
- Changing consumer behavior

4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

No

5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

We have various emission reduction initiatives taken across the organization to reduce emissions
 a) Installation of energy efficient equipment (motion sensors, LEDs, energy efficient laptops/servers), consolidation of operations to increase system efficiency, energy savings and better maintenance quality. (b) Increase in renewable energy share of the company operations
 (c) Increase in virtual server infrastructure thus reducing dependency on physical servers.
 (d) Replacement of existing data centres with more efficient HVAC containment & airflow reduction systems and utilizing natural cooling techniques wherever possible.

Please refer to the details in the Sustainability Reports on the below link: <https://www.techmahindra.com/company/Sustainability.aspx>

6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes

7. Number of show cause / legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

An approval for consent to Expansion of project and Environment clearance for one location is pending with MPCB & EC as on end of financial year

Principle 7

1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

Yes, Tech Mahindra is a member of the following associations

- (a) National Association of Software and Services Companies (NASSCOM)
- (b) Confederation of Indian Industry (CII)
- (c) United Nations Global Compact (UNGC)

Tech Mahindra is also part of the following forums through our association with the larger M&M group.

- (d) World Business Council for Sustainable Development (WBCSDI)
- (e) Global Reporting Initiative (GRI),

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

Yes, Tech Mahindra collaborates with the Government and Industry bodies in the following areas

- Sustainability and climate change actions.
- Environmental degradation, climate change and inclusion.
- Transformation through policy advocacy, knowledge creation, knowledge dissemination and 'on-ground' model projects.
- Reporting on how ICT can enable the National Action Plan for climate change and 8 national missions.

- Discussions on various aspects around “Circular Economy”, aimed for key people leading sustainability in organizations.
- Member of the Smart Grid Task Force which help accelerate the development of smart grid technologies in the Indian power sector.
- Workshops aimed to facilitate the development of best practice implementing a voluntary corporate carbon pricing program and report on GHG emissions considering GRI protocols.

Principle 8

1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

All social initiatives and projects are handled through the Tech Mahindra Foundation which focuses on three areas of development – school education, employability and technical education. It has been running 150+ projects with 100+ partners across India and has impacted more than 400,000 lives.

The Foundation has an inclusive approach wherein it also supports disabled children and youth in its programmes. Through SMART+ and ARISE+ programme, the Foundation helps persons with disabilities gain education, earn an income and live independently.

The internal associates’ team, JOSH also takes up social activities as part of its programs and encourages volunteering by associates in the nearby areas.

Tech Mahindra HR invites associates to be part of the Employee Social Responsibility Options (ESRO) initiative where the associate can get funding for the NGOs where they have been volunteering over a sustained period of time.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

Tech Mahindra Foundation implements certain projects directly, some through partners and in certain cases, follows a Public Private Partnership (PPP) model with government organizations.

Direct Implementation Projects for Tech Mahindra

Mahindra Educational Institutions (MEI); Tech Mahindra SMART Academy for Healthcare, New Delhi; In-Service Teacher Education Institute (ITEI), New Delhi (PPP with East Delhi Municipal Corporation)

Partner Implementation Projects

SMART, SMART+, ARISE and ARISE+ programmes are implemented with NGO partners. Shikshaantar (an educator capacity building programme) is implemented directly in New Delhi through ITEI in partnership with East Delhi Municipal Corporation. It is implemented through partners with 5 other Municipal Corporations including Chennai, Bengaluru, Mumbai, Thane and Pune.

3. Have you done any impact assessment of your initiative?

Yes. The Employability (SMART) programme has been assessed by KPMG; the In-Service Teacher Education Institute (ITEI) by Kantar Public and all TMF programmes over the past 10 years are being assessed by Grant Thornton now.

4. What is your company’s direct contribution to community development projects- Amount in INR and the details of the projects undertaken?

Tech Mahindra Foundation spent INR 54.5 crore on its Education and Employability programmes during this financial year. Please refer to <http://techmahindrafoundation.org/> for details of our CSR projects.

The spend on Technical Education by Mahindra Educational Institutions is INR 21 Cr.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

Community involvement is one of the key elements in the design of a CSR programme. The community is involved at multiple stages from inception to implementation of programmes. The SMART programme (Skills for Market Training) provides employable skills to young people from marginalised urban communities. They in turn become advocates for skilling among their peers and communities. ARISE and ARISE+ also include elements of community outreach and mobilisation.

Principle 9

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.

For FY–2017-18, we have addressed all customer complaints and there are no major customer grievances pending.

Our customer centric culture spans across the organization ensuring better services, experience and a better value for money for our customers. Customer escalations and

complaints are treated with utmost importance in the organization. The Customer Centricity Office tracks all critical customer escalations and expedites the necessary actions required to close these complaints quickly. We have a Chief Customer Officer who proactively manages all customer escalations. His contact details are updated on the external Tech Mahindra website https://www.techmahindra.com/company/customer_centricity_office.aspx for easy access and connect with all our customers.

2. **Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. / Remarks (additional information)**
 N.A. Tech Mahindra delivers IT services and is not a product company
3. **Is there any case filed by any stakeholder against the company regarding unfair trade practices,**

irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

There has been no case filed by any stakeholder against Tech Mahindra regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years

4. **Did your company carry out any consumer survey/ consumer satisfaction trends?**

Yes, our customer-centric initiatives include meeting customers pro-actively to understand the pulse on the ground, monitoring customer concerns and measuring customer satisfaction through a customer survey known as NPS (Net Promoter Score) or CaPS (Customer as Promoter score) via a third party. We also run the P-Sat (Project Satisfaction Survey) for all our projects.

Standalone Financial Statements

INDEPENDENT AUDITOR'S REPORT

To the Members of Tech Mahindra Limited

Report on the Audit of Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of **Tech Mahindra Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Ind AS financial statements').

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its profit (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 32 of the Standalone Ind AS financial statements, in respect of certain matters relating to erstwhile Satyam Computer Services Limited ("erstwhile Satyam"), amalgamated with the Company with effect from 1 April 2011, which are discussed below:

Non-compliances of laws and regulations by the erstwhile Satyam under the former Management (prior to Government nominated Board) identified by various agencies have been responded to in earlier years and no further communication has been received on these matters and with the passage of time, the Company does not expect any further proceedings in this regard.

The Company's management, on the basis of current legal status and external legal opinion, has concluded that (i) claims made by 37 companies in the City Civil Court for alleged advances amounting to ₹ 12,304 Million made by these companies to erstwhile Satyam and presented separately under 'Suspense account (net)' and (ii) the claims to these advances filed by Enforcement Directorate under the Prevention of Money Laundering Act in the High Court of Andhra Pradesh, will not sustain on ultimate resolution by the respective Courts as explained in the note.

Our opinion is not modified in respect of these matters.

Other Matter

The comparative financial information of the Company for the year ended 31 March 2017 prepared in accordance with Ind AS included in these Standalone Ind AS financial statements has been audited by the predecessor auditor. The report of the predecessor auditor on the comparative financial information dated 26 May 2017 expressed an unmodified opinion.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements – Refer note 31 to the Standalone Ind AS financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the Standalone Ind AS financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited Standalone Ind AS financial statements for the year ended 31 March 2017 have been disclosed.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT – MARCH 31, 2018

With reference to the Annexure referred to in paragraph 1 in "Report on Other Legal and Regulatory Requirements" of the Independent Auditor's Report to the Members of the Company on the Standalone Ind AS financial statements for the year ended 31 March 2018, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets, by which its fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, title deeds of immovable properties/lease agreements in respect of immovable properties taken on lease, are held in the name of the Company, except for the following:

₹ is Million			
Particulars of immoveable property	Gross Block at March 31, 2018 (₹ Million)	Net Block at March 31, 2018 (₹ Million)	Remarks
Freehold land located at Bahadurpally, Survey No. 62/1A, Qutubullapur Mandal, Bahadurpally Village, District-Ranga Reddy, Hyderabad – 500043 measuring 581,711 square meters	190	190	As per the information and explanations provided to us, after payment of the stamp duty to the Registrar of the state of Andhra Pradesh, the state split into Andhra Pradesh and Telangana, due to which the jurisdiction of the registration office has changed. The final demand has not crystallized and the Andhra Pradesh High Court order is not adjudicated.
Leasehold Land located at Survey no. 1(P), 3(P), 8(P), 40(P), 7I(P), 109, 152(P), MIHAN SEZ Area, Nagpur - 441108, admeasuring 518,241 square meters	470	434	As per the information given to us, the Company has not yet received the adjudication certificate. Mutation proceedings will be initiated after the adjudication certificate is received from the authority.
Leasehold land located at Plot No. S - 1, Maitree Vihar Road, Chandrasekharapur, Bhubaneswar-751023, admeasuring 55,600 square meters	5	4	As per the information given to us, the General Administration Department of Government of Odisha has not yet issued the letter communicating the transfer fees to be paid by the Company. On such payment, the property will be registered in the revenue records.

- (ii) The Company is a service company primarily engaged in providing information technology and related services. Accordingly, it does not hold any physical inventories. Thus, paragraph 3 (ii) of the Order is not applicable.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) (a), (b) and (c) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us and, based on a legal opinion obtained by management, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act 2013 in respect of loans given, investments made, guarantees and security given.
- (v) The Company has not accepted any deposits from the public in accordance with the provisions of Sections 73 to 76 of the Act and the rules made thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under Section 148 of the Act, for any of the services rendered by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Service Tax, Duty of Customs, Sales Tax, Value Added Tax, Cess, Goods and Services Tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account Duty of Excise.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Service Tax, Duty of Customs, Sales Tax, Value Added Tax, Cess, Goods and Services Tax and other material statutory dues were in arrears as at 31 March 2018, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of Income Tax, Service Tax, Sales Tax, Value Added Tax, Duty of Customs and Goods and Services Tax which have not been deposited by the Company on account of any disputes except for the following:

₹ in Million

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF TECH MAHINDRA LIMITED

Referred to in paragraph 2(f) in "Report on Other Legal and Regulatory Requirements" of the Independent Auditor's Report to the Members of Tech Mahindra Limited on the Standalone Ind AS financial statements for the year ended 31 March 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Tech Mahindra Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Control with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is a public limited company incorporated and domiciled in India. The address of its registered office is Gateway Building, Apollo Bunder, Mumbai – 400 001. The Company is listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). It has over 170 subsidiaries across the globe.

The financial statements for the year ended March 31, 2018 were approved by the Board of Directors and authorised for issue on May 25, 2018.

2. Significant accounting policies:

2.1 Statement of Compliance:

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016, guidelines issued by the Securities and Exchange Board of India ('SEBI') and other relevant provisions of the Companies Act, 2013.

Details of the Company's accounting policies are included in paragraphs 2.4 to 2.18.

Functional and presentation currency

These financial statements are presented in Indian rupees ("INR") which is also the

Company's functional currency. All amounts have been reported in Indian Rupees Million, except for share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

2.2 Basis for preparation of financial statements:

These financial statements have been prepared on the historical cost basis and on an accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 *Share-based Payments*, leasing transactions that are within the scope of Ind AS 17 *Leases*, and measurements that have some similarities to fair value but are not fair value, such as 'value in use', in Ind AS 36 *Impairment of assets*.

2.3 Use of Estimates:

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Critical accounting estimates

i) Revenue Recognition

The Company applies the percentage of completion method in accounting for its fixed price contracts. Use of the

percentage of completion method requires the Company to estimate the efforts or costs expended to date (input method) as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date. Volume discounts are recorded as reduction of revenue. When the volume discount varies with the levels of revenue, volume discount is recorded based on estimates of future revenues from the customer.

ii) **Income taxes and deferred taxes**

The major tax jurisdictions for the Company are India and the United States of America. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry-forward period are reduced. The policy for the same has been explained under Note 2.13.

iii) **Property, plant and equipment**

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after

determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology. The policy for the same has been explained under Note 2.4.

iv) **Impairment testing**

Investments in subsidiaries and intangible assets are tested for impairment at least annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions. The policy for the same has been explained under Note 2.7.

v) **Provisions**

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. The policy for the same has been explained under Note 2.17.

vi) **Defined benefit plans and compensated absences**

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These

include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The policy for the same has been explained under Note 2.11.

vii) Expected credit losses on financial assets

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company’s past history, customer’s creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period. The policy for the same has been explained under Note 2.7.

viii) Other estimates

The share based compensation expense is determined based on the Company’s estimate of equity instruments that will eventually vest.

2.4 Property, Plant & Equipment and Intangible assets:

Property, Plant & Equipment and intangible assets are stated at cost less accumulated depreciation/amortisation and net of impairment. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use as at each reporting date is disclosed under capital work in progress.

Depreciable amount for assets is the cost of an asset, less its estimated residual value. Depreciation on Property, Plant & Equipment (including assets taken on lease), other than

freehold land, is charged based on the straight line method on the estimated useful life as prescribed in Schedule II to the Companies Act, 2013 except in respect of the certain categories of assets, where the life of the assets has been assessed based on internal technical estimate, considering the nature of the asset, estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc. The estimated useful lives of assets are as follows:

*Buildings	28 years
*Plant and Equipment	3 to 5 years
*Furniture and Fixtures	5 years
*Vehicles	5 years
Computers	3 years
Office Equipments	5 years

* The useful lives of these assets is different from the useful lives as prescribed under Part C of Schedule – II of the Company’s Act, 2013.

The estimated useful life of intangible assets (software) is 1 to 10 years.

The estimated useful life and residual values of the Property, Plant & Equipment and Intangible assets are reviewed at the end of each reporting period.

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

The cost of software purchased for internal use is capitalized and depreciated in full in the month in which it is put to use.

Project specific intangible assets are amortised over their estimated useful life on a straight line basis or over the period of the license/project period, whichever is lower.

Intellectual Property Rights (‘IPR’) comprise right to use for licensed software. The Company has recognised the IPR based on consideration paid. Subsequent to initial recognition, the intangible asset is measured at cost, less any accumulated amortization and accumulated impairment losses. The IPR’s are amortised over their estimated useful life of 10 years on a straight line basis.

An item of Property, Plant & Equipment and intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the

asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant & Equipment and intangible assets is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

When the use of a property changes from owner occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

2.5 Investment Property:

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and accumulated impairment losses, if any in accordance with Ind AS 16 *Property, Plant and Equipment*.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Useful life of investment properties:

Buildings	28 years
Plant and Equipments	3 to 5 years
Furniture and Fixtures	5 years
Office equipment	5 years

2.6 Leases:

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date. The arrangement is, or contains a lease if, fulfilment of the arrangement is dependent on the use of a specific asset or assets, even if that right is not explicitly stated in the arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

i. Finance lease:

Where the Company, as a lessor, leases assets under finance lease, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is based on constant rate of return on the outstanding net investment.

Assets taken on finance lease are initially recognised as assets of the Company at the lower of the fair value of the leased item or the present value of the minimum lease payments. Lease payments are apportioned between finance costs and reduction of outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

ii. Operating lease:

Lease arrangements under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease rentals under operating lease are recognised in the statement of profit and loss on a straight line basis over the lease term except where the rentals are structured to increase in line with expected general inflation.

2.7 Impairment of Assets:

i) Financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets.

Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using effective interest rate.

Loss allowances for trade receivables are measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Lifetime expected credit loss is computed based on a provision matrix which takes into account historical credit loss experience adjusted for forward looking information. For other financial assets, expected credit loss is measured at the amount equal to twelve months expected credit loss unless there has been a significant increase in credit risk from initial recognition, in which case, those are measured at lifetime expected credit loss.

ii) Non-financial assets

The Company assesses long-lived assets such as property, plant, equipment and acquired intangible assets for impairment whenever events or changes in circumstances indicate that the carrying

amount of an asset or group of assets may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the asset or group of assets. The recoverable amount of an asset or cash generating unit is the higher of its fair value less cost of disposal (FVLCD) and its value-in-use (VIU). The VIU of long-lived assets is calculated using projected future cash flows. FVLCD of a cash generating unit is computed using turnover and earnings multiples. If the recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment losses previously recognized are reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment losses had not been recognized initially.

2.8 Revenue recognition:

Revenue from software services and business process outsourcing services include revenue earned from services rendered on 'time and material' basis, time bound fixed price engagements and system integration projects.

Revenue recognition is based on the terms and conditions as per the contracts entered into / understanding with the customers. All revenues from services, as rendered, are recognised when persuasive evidence of an arrangement exists, the sale price is fixed or determinable and collectability is reasonably assured and are reported net of sales incentives, discounts based on the terms of the contract and applicable indirect taxes.

The Company also performs time bound fixed price engagements, under which revenue is recognised using the 'percentage of completion' method of accounting, unless work completed cannot be reasonably estimated. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method

has been used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable. When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of profit and loss in the period in which such losses become probable based on the current contract estimates.

'Unbilled revenues' represent cost and earnings in excess of billings as at the end of the reporting period. 'Unearned revenues' represent billing in excess of revenue recognized. Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

Revenue from maintenance contracts is recognised ratably over the period of the contract in accordance with its terms. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognised on a straight line basis over the specified period.

Revenues from the sale of software and hardware products are recognised when the significant risk and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with the ownership of goods have ceased, the amount of revenue can be estimated reliably, it is probable that economic benefit associated with the transaction will flow to the company and cost incurred in respect of transaction can be measured reliably.

License fees and royalties for use of entity assets are recognised in accordance with substance of the agreement. License fees / royalty contingent on the occurrence of a future event is recognised only when it is probable that the fee or royalty will be received.

When two or more revenue generating activities or deliverables are provided under a single arrangement, each deliverable that is considered a separate unit of account is accounted for separately. The allocation of the consideration from revenue arrangement to its separate units of account is based on the relative fair value of each unit. If the fair value of the delivered item is not reliably measurable, then revenue is allocated based on the difference between total arrangement consideration and the fair value of

the undelivered item. Fair values are determined based on sale prices for the components when it is regularly sold separately, third party prices for similar components or cost plus an appropriate business specific profit margin related to the relevant component.

Reimbursement/Recoveries from customers are separately identified as contractual receivables.

Costs that relate directly to a contract and incurred in securing a contract are recognized as an asset (deferred contract costs) and amortized over the contract term as reduction in revenue.

Liquidated damages and penalties are accounted as per the contract terms wherever there is a delayed delivery attributable to the Company and when there is a reasonable certainty with which the same can be estimated.

The Company accrues the estimated cost of warranties at the time when the revenue is recognized. The accruals are based on the Company's historical experience of material usage and service delivery costs.

The Company recognizes unearned finance income as financing revenue over the lease term using the effective interest rate method.

Dividend income is recognised when the Company's right to receive dividend is established. Interest income is recognised using effective interest rate method.

Rental income from the investment property is recognised in statement of profit and loss on a straight-line basis over the term of lease except where the rentals are structured to increase in line with expected general inflation.

2.9 Foreign currency transactions:

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the statement of profit and loss.

2.10 Financial Instruments:

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are

directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the statement of profit and loss.

i) Non-derivative financial instruments:

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest method less impairment losses, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value

Financial assets not measured at amortised cost are carried at fair value through profit or loss (FVTPL) on initial recognition, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in 'other comprehensive income', for investment in equity instruments which are not held for trading.

The Company, on initial application of IND AS 109 *Financial Instruments*, has made an irrevocable election to present in 'other comprehensive income', subsequent changes in fair value of equity instruments not held for trading.

Financial asset at FVTPL, are measured at fair values at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the statement of profit and loss.

Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment as per Ind AS 27 *Consolidated and Separate Financial Statements*.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest rate method or at FVTPL. For financial liabilities carried at amortised cost, the carrying amounts approximate fair values due to the short term maturities of these instruments. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or is held for trading or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in the statement of profit and loss.

ii) Derivative financial instruments and hedge accounting

The Company is exposed to foreign currency fluctuations on foreign currency assets, liabilities and forecasted cash flows denominated in foreign currency. The Company uses foreign currency forward contracts / options to hedge its risks associated with foreign currency fluctuations relating to certain forecasted transactions. The Company designates some of these forward contracts / options as hedge instruments and accounts for them as cash flow hedges applying the recognition and measurement principles set out in Ind AS 109.

The use of foreign currency forward contracts / options is governed by the Company's risk management policy approved by the Board of Directors, which provide written principles on the use of such financial derivatives consistent with the Company's risk management strategy. The counter party to the Company's foreign currency forward contracts is generally a bank. The Company does not use derivative financial instruments for speculative purposes.

Foreign currency forward contract/ option derivative instruments are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that

are designated and effective as hedges of future cash flows are recognised in other comprehensive income and accumulated under 'effective portion of cash flow hedges' (net of taxes), and the ineffective portion is recognised immediately in the statement of profit and loss.

Amounts previously recognised in other comprehensive income and accumulated in effective portion of cash flow hedges are reclassified to the Statement of Profit or Loss in the same period in which gains/ losses on the item hedged are recognised in the statement of profit and loss.

Changes in the fair value of derivative financial instruments that do not qualify for hedge accounting are recognised in the statement of profit and loss as they arise.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument classified as effective portion of cash flow hedges is classified to Statement of Profit and Loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in effective portion of cash flow hedges is transferred to the statement of profit and loss for the period.

iii) Derecognition of financial instruments

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risk and rewards of transferred financial assets, the Company continues to recognize the financial asset and also recognizes the borrowing for the proceeds received.

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired.

iv) Financial Guarantee contracts

Financial guarantee contracts issued by the Company are initially measured at

fair value and subsequently measured at the higher of the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18 Revenue.

2.11 Employee Benefits:

(i) Gratuity:

In accordance with the Payment of Gratuity Act, 1972, the Company accounts for its gratuity liability covering eligible employees as a defined benefit plan. The gratuity plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of the employment based on the respective employee's last drawn salary and the tenure of the employment. Liabilities with regard to the Gratuity plan are determined based on an actuarial valuation carried out by an independent actuary as at the Balance Sheet date using the Projected Unit Credit method.

Actuarial gains and losses are recognised in full in other comprehensive income and accumulated in equity in the period in which they occur.

(ii) Provident fund:

The eligible employees of the Company are entitled to receive the benefits of Provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently at 12% of the basic salary) which are charged to the Statement of Profit and Loss on accrual basis. The provident fund contributions are paid to the Regional Provident Fund Commissioner by the Company. The Company has no further obligations for future provident fund.

(iii) Superannuation and ESIC:

Contributions to Superannuation fund and employees' state insurance scheme (ESI), which are defined contribution schemes, are charged to the Statement of Profit and Loss on an accrual basis.

The Company has no further obligations for future superannuation fund benefits other than its annual contributions.

(iv) Other Long Term Employee Benefits:

The Company provides for compensated absences and long term service awards subject to Company's rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment or availment. The liability is accrued based on the number of days of unavailed leave at each Balance Sheet date and the awards are accrued based on number years of service of an employee. It is measured at the balance sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method.

Actuarial gains and losses are recognised in full in the Statement of Profit and Loss in the period in which they occur.

The Company also offers a short term benefit in the form of encashment of unavailed accumulated compensated absences above certain limits for all of its employees and same is provided for in the books at actual cost.

(v) Other short-term employee benefits:

Other short-term employee benefits such as overseas social security contributions and performance incentives expected to be paid in exchange for services rendered by employees, are recognised in the statement of profit and loss during the period when the employee renders the service.

2.12 Borrowing costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

2.13 Taxation:

Tax expense comprises of current tax and deferred tax. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted as at the reporting date and applicable for the period. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemptions in accordance with the local tax laws existing in the respective countries.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit has a legally enforceable right and intends to settle the asset and liability on a net basis.

Deferred income taxes

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India. MAT credit is recognized for future economic benefits in the form of adjustment of future income tax liability and is considered as an asset if there is probable evidence that the Company will pay normal income tax.

Deferred tax assets and liabilities are offset when it relates to income taxes levied by the same taxation authority and the relevant entity

intends to settle its current tax assets and liabilities on a net basis.

In cases, where the tax on dividend from a foreign subsidiary is allowed as a set off against the Company's own dividend distribution tax (DDT) liability, then the amount of tax paid on foreign dividend is recognised in the statement of changes in equity.

The Company recognises interest levied and penalties related to income tax assessments in interest expenses.

2.14 Employee Stock Option Plans:

Equity instruments granted are measured by reference to the fair value of the instrument at the date of grant. The equity instruments generally vest in a graded manner over the vesting period. The fair value determined at the grant date is expensed over the vesting period of the respective tranches of such grants (accelerated amortization). The share based compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

The expense is recognized in the statement of profit and loss with a corresponding increase to the 'share option outstanding account', which is a component of equity.

2.15 Research and development:

Research costs are recognized as an expense in the statement of profit and loss in the period they are incurred. Development costs are recognized in the statement of profit and loss unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete the development project and use the asset and the costs can be measured reliably.

2.16 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for any bonus shares issued during the year.

For calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity

shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

2.17 Provisions:

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

2.18 Assets Held for Sale:

Non-current assets held for sale are measured at the lower of their carrying value and fair value of the assets less cost to sell. Assets and liabilities classified as held for sale are presented separately in the Balance Sheet. Property, plant and equipment once classified as held for sale are not depreciated/ amortised.

2.19 New Accounting Standards yet to be adopted:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new Accounting Standards ('Ind AS') and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

Ind AS 115 – Revenue from Contracts with Customers

Ind AS 115 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. Ind AS 115 will supersede the current revenue recognition standard Ind AS 18 Revenue, Ind AS 11 Construction Contracts when it becomes effective.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an

amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

The Company is evaluating the impact of this amendment on its financial statements and will apply the standard using the cumulative effective method, with the effect of initially applying IND AS 115 being recognized as an adjustment to the opening balance of retained earnings of the annual reporting period.

Ind AS 21 – The effect of changes in Foreign Exchanges rates

The amendment has been incorporated in Ind AS 21 as Appendix B, which clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix is applicable for accounting periods beginning on or after April 1, 2018. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company is evaluating the impact of this amendment on its financial statements.

NOTE 3 : PROPERTY, PLANT AND EQUIPMENT

Note :

Certain fixed deposits of the Company, then aggregating to ₹ 8,220 Million were alleged by 'The Enforcement Directorate' ('ED') to be 'proceeds of crime' and were provisionally attached by the ED (the Order). The Hon'ble High Court of Andhra Pradesh (the Court) had, pending further Orders in the Writ Petition, granted stay of the said Order and all proceedings thereto. The main Writ Petition is pending for final hearing. Meanwhile, the ED had challenged this interim Order passed by the Single Judge before the Division Bench of the Court. The Hon'ble High Court upon hearing the matter, has dismissed the Appeal filed by ED and affirmed the Stay granted by the Single Judge. Consequently, out of the aforesaid fixed deposits which were attached, fixed deposits aggregating ₹ 3,570 Million have been redeemed. Certain banks are awaiting clarification from the High Court of Andhra Pradesh before redeeming the fixed deposits amounting to ₹ 4,650 Million (principal including accrued interest amounts to ₹ 7,032 Million as of 31 March 2018 (31 March 2017 : ₹ 6,753 Million)) and the Company is pursuing the matter legally. (refer note 32)

31 Commitments and Contingencies

31.1 Capital Commitments

The estimated amount of contracts remaining to be executed on capital account (net of capital advances) and not provided for as at March 31, 2018 is ₹ 1,046 Million (March 31, 2017: ₹ 974 Million).

31.2 Purchase commitments in respect of investments

- i. The Company, pursuant to the share purchase agreement dated January 8, 2015, had acquired 100% stake in Sofgen Holdings Limited (Sofgen) on March 13, 2015 for a consideration upto USD 24.25 Million, out of which USD 14.25 Million (₹ 895 Million) was paid upfront and the balance amount of USD 10 Million was payable on achieving performance based milestones during the calendar years 2015 (USD 6 Million) and 2016 (USD 4 Million). The Company, based on mutual agreement, has agreed and paid a final settlement amount of USD 3 Million on July 14, 2017 and now no additional amounts are due.
- ii. During the year ended March 31, 2016, the Company had entered into a subscription agreement for a Limited Partnership interest with a USA based fund namely Northgate FinTech Innovations Partners, L.P (Northgate). The Company would invest upto USD 40 Million (₹ 2,555 Million) as a limited partner in Northgate. On September 26, 2016, the Partnership made a capital call of USD 1 Million to cover management fees from October 2016. However, pending discussion with Northgate, the Company has not paid any amount till date.
- iii. The Company has agreed to fund its subsidiary FixStream Networks Inc. for an amount upto USD 20 Million (₹ 1,277 Million) through inter corporate loans. As at March 31, 2018, the Company has given a loan of USD 4.50 Million (₹ 287 Million) to FixStream Networks Inc. This loan is convertible into equity shares of FixStream Networks Inc. at a predetermined conversion ratio at the option of the Company once the total loan of USD 20 Million is provided to FixStream Networks Inc.
- iv. Tech Mahindra Servicios De Informatica LTDA (100% subsidiary of the Company) which held 51% stake in Complex IT Services Consultoria EM Informatica LTDA (Complex IT Services) had acquired balance stake of 49% in Complex IT Services on January 31, 2014. Out of total consideration payable, amount outstanding as of March 31, 2018 of BRL 8 Million (₹ 156 Million) (March 31, 2017 : BRL 16 Million (₹ 328 Million) is payable by December 2020.

31.3 Acquisitions / Additional Investments in Subsidiaries during the year

- i. During the year, the Company had acquired an additional 32.07% stake in Comviva Technologies Limited from Bharati Group and Westbridge Ventures II Investment Holdings for a total consideration of ₹ 3,618 Million and 0.68% stake from Comviva ESOP Trust for a consideration of ₹ 70 Million respectively.

As a result of this, the Company now holds 99.85% stake in Comviva Technologies Limited as on March 31, 2018 (March 31, 2017: 67.10% stake).

- ii. On June 21, 2016, the Company entered into an agreement to acquire 100% share capital of The Bio Agency Limited, UK, for an initial consideration of GBP 24.91 Million (₹ 2,265 Million).

As per the Share Purchase Agreement there are contingent payments payable to the selling shareholders of The Bio Agency Limited on mutually agreed performance milestones upto April 30, 2019 with a cap of GBP 18.35 Million. Since such payments are linked to continuing employment provided by the erstwhile shareholders, they are considered as an employee costs and are recognised on a proportionate basis over the service period.

Fair value of financial liability payable as at March 31, 2018 amounts to GBP 3.88 Million (₹ 356 Million) (March 31, 2017: GBP 11.33 Million (₹ 1,027 Million)).

- iii. The Company through its subsidiary, Tech Mahindra Fintech Holdings Limited had acquired 100% equity stake in Target Topco Limited, UK on August 19, 2016 for an initial consideration of GBP 97.75 Million (₹ 8,595 Million).

As per Share Purchase Agreement, there are contingent payments payable to the selling shareholders of Target Topco Limited based on mutually agreed performance milestones upto December 31, 2019 with a cap of GBP 60 Million. Such payments to the extent linked to continuing employment of the

erstwhile shareholders, have been considered as employee costs and recognised in statement of profit and loss on proportionate basis over the service period.

Fair value of financial liability payable as at March 31, 2018 amounts to GBP 4.60 Million (₹ 423 Million) (March 31, 2017: GBP 20.22 Million (₹ 1,778 Million)).

- iv. As per Shareholder's agreement dated May 27, 2016, Tech Mahindra Fintech Holdings limited may issue upto 12.5% of its share capital to employees of Target Topco Limited. As at March 31, 2018, 5.37% shares of the above are outstanding. The Company has a call option and employees of Target Topco Limited have a put option for these issued shares, which can be exercised at an exercise price derived based on pricing mechanism stated in the agreement. The validity of this option is based on continuing employment of employees upto December 31, 2019. Cost of this is debited to statement of profit and loss account.

Fair value of financial liability payable as at March 31, 2018 amounts to GBP 2.09 Million (₹ 192 Million).

- v. On May 30, 2016, the Company through its subsidiary, PF Holdings B.V., acquired 76.06% stake in Pininfarina S.p.A. for a total upfront consideration of EUR 25.24 Million (₹ 1,895 Million).

Further, as per the share purchase agreement, PF Holdings B.V. made an open public offer to acquire remaining 7,205,128 shares of Pininfarina S.p.A at a price of Euro 1.10 per share, payable upfront. The open offer concluded on July 29, 2016 in which 22,348 equity shares were purchased and transferred on August 5, 2016 in the name of PF Holdings B.V. and accordingly, PF Holdings B.V. increased its holding to 76.18% of the share capital of Pininfarina S.p.A.

- vi. On May 15, 2015, the Company along with other shareholders incorporated Nth Dimension Ltd. in the United Kingdom wherein the Company subscribed to 86.50% of its paid up in capital. The Company, entered into an agreement with other shareholders, dated June 2, 2017 through which it has acquired call and written put options over the 13.5% stake held by the other shareholders. These options shall vest based on the performance and employment conditions mentioned in the agreement.

31.4 Diminution in value of Investments in Subsidiaries

The Company's Management assesses the operations of the subsidiaries/entities, including the future projections, to identify indications of diminution, other than temporary, in the value of the investments recorded in the books of account and, accordingly no additional provision is required to be made, other than the amounts already provided for in the books of account.

During the year ended March 31, 2018, the Company established a provision of ₹ 330 Million for diminution in value of investment in Tech Mahindra Growth Factories Limited, a 100% subsidiary of the Company.

31.5 Contingent Liabilities

- i. Bank Guarantees/corporate guarantees outstanding as at March 31, 2018: ₹ 28,090 Million (March 31, 2017: ₹ 27,387 Million).
- ii. Letters of support/letters of comfort of USD 75 Million: ₹ 4,855 Million (March 31, 2017: USD 75 Million, ₹ 4,831 Million) to banks for loans availed by step down subsidiaries of the Company.

31.6.2 Footnotes to the Schedule

i. Petition before Hon'ble High Court of Judicature at Hyderabad: Financial years 2002-2003 to 2007-2008

Erstwhile Satyam had filed various petitions before Central Board of Direct Taxes (CBDT) requesting for stay of demands aggregating to ₹ 6,170 Million for the financial years 2002-2003 to 2007-2008 till the correct quantification of income and taxes payable is done for the respective years. In March 2011, the CBDT rejected the petition and erstwhile Satyam filed a Special Leave Petition before the Hon'ble Supreme Court which directed erstwhile Satyam to file a comprehensive petition/ representation before

CBDT and to submit a Bank Guarantee (BG) for ₹ 6,170 Million which was complied by erstwhile Satyam. The BG has been extended upto October 14, 2018.

The Assessing Officer served an Order dated January 30, 2012, for provisional attachment of properties under Section 281B of the Income-tax Act, 1961 attaching certain immovable assets of erstwhile Satyam. Erstwhile Satyam filed a writ petition in the Hon'ble High Court of Judicature at Hyderabad that has granted a stay on the provisional attachment order.

ii. Appointment of Special Auditor and re-assessment proceedings

- In August, 2011, the Additional Commissioner of Income-tax issued the Draft of Proposed Assessment Orders accompanied with the Draft Notices of demand resulting in a contingent liability of ₹ 7,948 Million and ₹ 9,637 Million for the financial years 2001-2002 and 2006-2007, respectively, proposing adjustments to the total income, including adjustments on account of Transfer Pricing. Erstwhile Satyam has filed its objections to the Draft of Proposed Assessment Orders for the aforesaid years on September 16, 2011 with the DRP, Hyderabad, which is pending disposal.
- Consequent to the letter of erstwhile Chairman of the erstwhile Satyam, the Assessing Officer had commissioned special audits for the financial years 2001-2002, 2002-2003, 2006-2007, 2007-2008 and 2008-2009 on various dates. Erstwhile Satyam had filed petitions before Hon'ble High Court of Judicature of Hyderabad challenging the special audits, which are pending disposal.

31.7 Other Claims on the Company not acknowledged as debts

- i. Claims against erstwhile Satyam not acknowledged as debts: ₹ 1,389 Million (March 31, 2017 ₹ 1,377 Million).
- ii. Claims made on the Company not acknowledged as debts: ₹ 113 Million (March 31, 2017 ₹ 135 Million).
- iii. Claims against the Company for not contributing towards provident fund for employees working overseas in non-SSA countries, deputed from India ₹ 2,448 Million (March 31, 2017 ₹ 2,448 Million). The Company has provided a Bank Guarantee of ₹ 500 Million (March 31, 2017 ₹ 500 Million).
- iv. Others ₹ 407 Million (March 31, 2017 ₹ 407 Million).
- v. Claim against the Company for transfer of land in SEZ at Nagpur considered by Maharashtra Airport Development Company Limited (MADC) as 'non-formal transfer' as per its Transfer Policy and claiming the transfer fee of ₹ 150 Million.

31.8 Management's assessment of contingencies/claims

The amounts disclosed under contingencies/claims represent the best possible estimates arrived at on the basis of the available information. Due to high degree of judgment required in determining the amount of potential loss related to the various claims and litigations mentioned above and the inherent uncertainty in predicting future settlements and judicial decisions, the Company cannot estimate a range of possible losses.

However, the Company is carrying a provision for contingencies as at March 31, 2018, which, in the opinion of the Management, is adequate to cover any probable losses in respect of the above litigations and claims. Refer note 45.

31.9 Delay in Conveyance of Immovable Properties

Pursuant to the Scheme of Amalgamation and Arrangement ('the Scheme') sanctioned by the Hon'ble High Courts of Andhra Pradesh and Bombay, Venturbay Consultants Private Limited (Venturbay), CanvasM Technologies Limited (CanvasM) and Mahindra Logisoft Business Solutions Limited (Logisoft), the wholly owned subsidiaries of the Company, and Satyam Computer Services Limited (Satyam) an associate of the Company (through Venturbay) and C&S System Technologies Private Limited (C&S) a wholly owned subsidiary of erstwhile Satyam, merged with the Company with effect from April 1, 2011 ('the appointed date'). Pursuant to the Scheme, the title deeds for the immovable properties pertaining to the amalgamating companies are pending conveyance in the name of the Company. The Company has initiated the name change formalities.

32 Certain matters relating to erstwhile Satyam Computer Services Limited (erstwhile Satyam):

In the letter dated January 7, 2009 Mr. B. Ramalinga Raju, the then Chairman of erstwhile Satyam, stated that the Balance Sheet of erstwhile Satyam as at September 30, 2008 carried inflated cash and bank balances, non-existent accrued interest, an understated liability and an overstated debtors position. Consequently, various regulators/investigating agencies such as the Serious Fraud Investigation Office ('SFIO')/Registrar of Companies ('ROC'), Directorate of Enforcement ('ED'), Central Bureau of Investigation ('CBI') had initiated investigations on various matters and conducted inspections and issued notices calling for information including from certain subsidiaries which have been responded to.

In 2009, SFIO initiated two proceedings against erstwhile Satyam for violations of Companies Act, 1956, which have since been compounded. Further, certain non-compliances/breaches of various laws and regulations by the erstwhile Satyam under the former Management (prior to Government nominated Board) were identified by various agencies. These have been responded to/appropriately addressed by the erstwhile Satyam/the Company and the Company does not expect any further proceedings in this regard.

On May 22, 2013, the ED had issued a show-cause notice to the erstwhile Satyam for contravention of provisions of the Foreign Exchange Management Act, 1999 ('FEMA') for alleged non-repatriation of American Depository Receipts ('ADR') proceeds aggregating to USD 39.2 Million. The Company has responded to the ED's show-cause notice on March 28, 2014 and has not received any further communication in this regard.

The ED had also issued a show-cause notice to the erstwhile Satyam on April 28, 2011 for contravention of the provisions of FEMA and the Foreign Exchange Management (Realisation, Repatriation and Surrender of Foreign Exchange) Regulations, 2000, in respect of the non-realisation and repatriation of export proceeds to the extent of foreign exchange equivalent to ₹ 506 Million for invoices raised during the period July 1997 to December 31, 2002. The erstwhile Satyam has responded to the show-cause notice and has not received any further communication in this regard.

As per the assessment of the Management, based on the forensic investigation and the information available, all identified/required adjustments/disclosures arising from the identified financial irregularities, had been made in the financial statements of erstwhile Satyam as at March 31, 2009. Considerable time has elapsed after the initiation of investigation by various regulators/agencies and no new information has come to the Management's notice which requires adjustments to the financial statements. Further, as per above, the investigations have been completed and no new claims have been received which need any further evaluation/adjustment/disclosure in the books of account.

Proceedings in relation to 'Alleged Advances':

Pursuant to the aforesaid letter dated January 7, 2009, the erstwhile Satyam received letters from 37 companies seeking confirmation by way of acknowledgement of receipt of certain alleged amounts by the erstwhile Satyam (referred to as 'alleged advances'). These letters were followed by legal notices from these companies dated August 4/5, 2009, claiming repayment of the alleged advances aggregating ₹ 12,304 Million stated to be given as temporary advances but without any evidence in support of the nature of these transactions. This is also borne out in the internal forensic investigation. The legal notices also claimed damages/compensation @18% per annum from the date of the advances till the date of repayment. The erstwhile Satyam has not acknowledged any liability to any of the 37 companies and has replied to the legal notices stating that the claims are legally untenable.

The 37 companies have filed petitions/suits for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad (Court), with a prayer that these companies be declared as indigent persons for seeking exemption from payment of requisite court fees.

One petition where court fees have been paid, the pauper petition was converted into a suit which is pending disposal. The petitions filed by remaining 36 companies are before the Court, at various stages of rejection of pauperism/trial of pauperism/inquiry. In one petition, the delay in submission of the petition has been condoned by the Court and the Company has obtained an interim stay Order from the Hon'ble High Court of Andhra Pradesh, which has remanded the matter to the lower Court directing to consider the application afresh. The Lower Court upon hearing the application has condoned the delay in re-submission of pauper petition. The Company has challenged the said order in Revision before the High Court of Andhra Pradesh, which is pending hearing. In another development, the Company has also filed a Revision against the orders of the Lower Court in the application filed by the Company to recall the Order in numbering the pauper petition as Original Petition. Hon'ble High Court has been pleased to stay the proceedings until further orders.

The Hon'ble High Court in its Order approving the merger of the erstwhile Satyam with the Company, further held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans, i.e. alleged advances, by the former Management of the erstwhile Satyam, the new Management of the erstwhile Satyam is justified in not crediting the amounts received in their names and not disclosing them as creditors and in disclosing such amounts as 'Amounts pending investigation suspense account (net)' in the financial statements. The Hon'ble High Court held, inter-alia, that the contention of the 37 companies that Satyam is retaining the money, i.e. the alleged advances, of the 'creditors' and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved beyond doubt which is not so in this case.

The said 37 companies have filed appeals before the Division Bench of the Hon'ble High Court of Andhra Pradesh, against the Orders of the Hon'ble High Court of Andhra Pradesh and the Hon'ble High Court of Judicature at Bombay sanctioning the scheme of merger of Satyam Computer Services Limited (Satyam) with the Company w.e.f. April 1, 2011, which are yet to be heard. One of the aforesaid companies has also appealed against the Order rejecting the Petition for winding-up of the erstwhile Satyam. These matters have been combined for hearing.

The Directorate of Enforcement (ED) while investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) had directed the erstwhile Satyam not to return the alleged advances until further instructions. In furtherance to the investigation, certain fixed deposits of the Company with certain banks, then aggregating to ₹ 8,220 Million were alleged by ED to be 'proceeds of crime' and were provisionally attached vide Order dated October 18, 2012 by the ED (the Order). The Hon'ble High Court of Andhra Pradesh (the Court) had, pending further Orders in the Writ Petition, granted stay of the said Order and all proceedings thereto vide its Order dated December 11, 2012. The main Writ Petition is pending for final hearing. Meanwhile, the ED had challenged this interim Order passed by the Single Judge before the Division Bench of the Court. Vide order dated December 31, 2014, the Hon'ble High Court upon hearing the matter, has dismissed the appeal filed by ED and affirmed the stay granted by the Single Judge. Consequently, out of the aforesaid fixed deposits which were attached, fixed deposits aggregating ₹ 3,570 Million have been redeemed. Certain banks have not honored the redemption claim and the Company is pursuing the matter legally.

Criminal prosecution was initiated by the ED against SCSL, since merged with Tech Mahindra Limited (Company) under Section 3 of The Prevention of Money-Laundering Act, 2002 for alleged money laundering along with 212 accused person. Upon an application challenging the prosecution against the Company, the Hon'ble High Court of Andhra Pradesh quashed the proceedings by its Order dated December 22, 2014. The appeal preferred by the ED challenging the order of quashing the prosecution before the Division Bench of the High Court was dismissed by an order dated March 30, 2017 and confirmed the order of quashing.

A Special Leave Petition was filed by ED before the Hon'ble Supreme Court of India. By an order dated December 8, 2017, the Hon'ble Supreme Court dismissed the SLP filed by the ED and affirmed the order of the Single Judge quashing the prosecution against the Company.

In view of the aforesaid developments and based on an independent legal opinion the Management believes that the claim by the 37 companies for repayment of the alleged advances, including interest thereon is not legally tenable. Consequently, pending the final outcome of the proceedings, as a matter of prudence, the Company has accounted and disclosed the amount of ₹ 12,304 Million as 'Suspense Account (net)'. Although remote, in the event that these cases are decided against the Company, there would be no effect on the financial results or financial position of the Company.

33 Claims by certain Shareholders of erstwhile Satyam

In terms of the Settlement of claims made by Aberdeen Asset Management PLC., UK and Aberdeen Claims Administration Inc., USA, (together referred to as 'Aberdeen') the erstwhile Satyam has deposited a total amount of USD 80.16 Million towards the Settlement Amount and interest in an Escrow Account during the financial year ended March 31, 2013.

The Commissioner of Income Tax, Mumbai has filed two writ petitions before the Hon'ble High Court of Bombay, seeking to set aside the orders of Authority for Advance Ruling ('AAR') dated February 15, 2016, which ruled that no withholding tax is applicable for remittance of the Settlement Amount. The above writ petitions have been disposed off for non-removal of office objections vide order dated August 8, 2017. The Company has communicated with Aberdeen requesting for an indemnity (if the AAR decision is reversed by a higher authority) prior to remitting the funds.

34 Details of the investment property and its fair value

The Company has obtained the fair valuation of its investment property situated at Vizag and Bahadurpally as at March 31, 2018 from a Government registered independent valuer who holds recognised and relevant professional qualification and has experience in the location and category of the investment property being valued.

During the year ended March 31, 2018, the Company has leased out a commercial building with related fixtures at Vizag and accordingly has reclassified ₹ 538 Million from property, plant & equipment to investment property.

The fair values of investment properties are given below:

₹ in Million

Description	As at	
	March 31, 2018	March 31, 2017
Land	691	256
Building	815	330
Plant & Machinery	603	100
Furniture & Fixtures	106	75
Office Equipments	3	4
Total	2,218	765

35 Dispute with Venture Global Engineering LLC

Pursuant to a Joint Venture Agreement in 1999, the erstwhile Satyam and Venture Global Engineering LLC ('VGE') incorporated Satyam Venture Engineering Services Private Limited ('SVES') in India with an objective to provide engineering services to the automotive industry.

On March 20, 2003, numerous corporate affiliates of VGE filed for bankruptcy and consequently the erstwhile Satyam, exercised its option under the Shareholders Agreement (the 'SHA'), to purchase VGE's shares in SVES. The erstwhile Satyam's action, disputed by VGE, was upheld in arbitration by the London Court of International Arbitration vide its award in April 2006 (the 'Award').

The Courts in Michigan, USA, confirmed and directed enforcement of the Award. They also rejected VGE's challenge of the Award. In 2008, the District Court of Michigan further held VGE in contempt for its failure to honour the Award and inter-alia directed VGE to dismiss the nominees of VGE on its Board and replace them with individuals nominated by the erstwhile Satyam. This Order was also confirmed by the Sixth Circuit Court of Appeals in 2009. Consequently, erstwhile Satyam's nominees were appointed on the Board of SVES and SVES confirmed their appointment at its Board meeting held on June 26, 2008. The erstwhile Satyam was legally advised that SVES became its subsidiary with effect from that date.

In the meantime, while proceedings were pending in the USA, VGE filed a suit in April 2006, before the District Court of Secunderabad in India for setting aside the Award. The City Civil Court, vide its judgment in January 2012, has set aside the Award, against which the erstwhile Satyam preferred an appeal (Company Appeal) before the High Court.

VGE also filed a suit before the City Civil Court, Secunderabad inter alia seeking a direction to the Company to pay sales commission that it was entitled to under the Shareholders Agreement. In the said suit, two ex-parte Orders were issued directing the Company and Satyam to maintain status quo with regard to transfer of 50% shares of VGE and with regard to taking major decisions which are prejudicial to the interests of VGE. The said suit filed by VGE is still pending before the Civil Court. The Company has challenged the ex-parte Orders of the City Civil Court Secunderabad, before the High Court (SVES Appeal).

The High Court of Andhra Pradesh consolidated all the Company appeals and by a common Order dated August 23, 2013 set aside the Order of the City Civil Court, Hyderabad setting aside the award and also the ex-parte Orders of the City Civil Court, Secunderabad. The High Court as an interim measure ordered status quo with regard to transfer of shares. VGE has filed special leave petition against the said Order before Supreme Court of India, which is currently pending. The Supreme Court by an interim Order dated October 21, 2013 extended the High Court Order of status-quo on the transfer of shares. The Company has also filed a Special Leave Petition ('SLP') before the Supreme Court of India challenging the judgment

of the High Court only on the limited issue as to whether the Civil Court has jurisdiction to entertain VGE's challenge to the Award. The said Petitions are pending before the Supreme Court. The Hon'ble Bench of Supreme Court, in view of the difference of opinion by an order dated November 1, 2017 has directed the registry to place the SLP's before the Chief Justice of India for appropriate further course of action.

In a related development, in December 2010, VGE and the sole shareholder of VGE (the Trust, and together with VGE, the Plaintiffs), filed a complaint against the erstwhile Satyam in the United States District Court for the Eastern District of Michigan (District Court) inter alia asserting claims under the Racketeer Influenced and Corrupt Organization Act, 1962 (RICO), fraudulent concealment and seeking monetary and exemplary damages (the Complaint). The District Court vide its order in March 2012 has dismissed the Plaintiffs Complaint. The District Court also rejected VGE's petition to amend the complaint. In June 2013, VGE's appeal against the order of the District Court has been allowed by the US Court of Appeals for the Sixth Circuit. The matter is currently before the District Court and the Company has filed a petition before District Court seeking dismissal of the Plaintiff's Complaint. The said petition is pending before the District Court. On March 31, 2015, the US District Court stayed the matter pending hearing and decision by the Indian Supreme Court in the Special Leave Petitions filed by VGE and the Company.

36 Foreign currency receivables

In respect of overdue foreign currency receivables for the period's upto March 31, 2009 pertaining to erstwhile Satyam, the Company is taking steps under the provisions of FEMA, for recovery and/or permissions for write-offs as appropriate. Erstwhile Satyam under the Management post Government nominated Board has fully provided for these receivables.

37 Details of employee benefits as required by the IND AS-19 – Employee Benefits are as under:

i. Defined Contribution Plans

The Company makes contributions to Provident Fund, Superannuation Fund and National Pension Scheme Fund which are defined contribution plans for qualifying employees. Under these Schemes, the Company contributes a specified percentage of the payroll costs to the respective funds.

The Company has recognized as an expense in the Statement of Profit and Loss the following:

- ₹ 2,279 Million (March 31, 2017: ₹ 2,211 Million) for Provident Fund contributions;
- ₹ 395 Million (March 31, 2017: ₹ 415 Million) for Superannuation Fund contributions; and
- ₹ 25 Million (March 31, 2017: ₹ 22 Million) for National Pension Scheme contributions.

ii. Defined Benefit Plan

The defined benefit plan comprises of gratuity. The gratuity plan is partially funded. Changes in Defined Benefit Obligation ('DBO') and Trust Fund plan assets recognized in the Balance Sheet are as under:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
	Partially Funded	Partially Funded
Defined benefit obligation at the beginning of the year	2,684	2,423
Current Service cost	449	381
Past Service Cost	66	29
Interest Cost	175	176
Actuarial (gain)/loss – experience	(149)	(68)

42 Financial Risk Management Framework

Tech Mahindra Limited is exposed primarily to fluctuations in foreign currency exchange rates, credit risk and liquidity risk which may impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential effects on the financial performance of the Company.

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions.

Financial Instruments by category

The carrying value and fair value of financial instruments by categories as of March 31, 2018 is as follows:

₹ in Million

Particulars	Fair value through P&L	Fair value through OCI	Derivative instruments in hedging relationship	Amortised cost	Total carrying value	Total Fair Value*
Assets:						
Cash and cash equivalents	-	-	-	8,882	8,882	8,882
Other balances with banks	-	-	-	10,411	10,411	10,411
Trade receivables	-	-	-	50,700	50,700	50,700
Investments (Other than in Subsidiary and interest in TML Benefit Trust)	39,693	122	-	4,000	43,815	43,815
Loans	-	-	-	3,509	3,509	3,509
Other financial assets	-	-	3,721	20,665	24,386	24,386
Total	39,693	122	3,721	98,167	141,703	141,703
Liabilities:						
Trade and other payables	-	-	-	20,314	20,314	20,314

Total	890	-	1,997	32,683	35,570	35,570

The carrying value and fair value of financial instruments by categories as of March 31, 2017 is as follows:

₹ in Million

Particulars	Fair value through P&L	Fair value through OCI	Derivative instruments in hedging relationship	Amortised cost	Total carrying value	Total Fair Value*
Assets:						
Cash and cash equivalents	-	-	-	9,717	9,717	9,717
Other balances with banks	-	-	-	11,122	11,122	11,122
Trade receivables	-	-	-	45,717	45,717	45,717
Investments (Other than in Subsidiary and interest in TML Benefit Trust)	21,222	330	-	-	21,552	21,552
Loans	-	-	-	5,918	5,918	5,918
Other financial assets	-	-	9,610	16,045	25,655	25,655
Total	21,222	330	9,610	88,879	119,681	119,681
Liabilities:						
Trade and other payables	-	-	-	22,112	22,112	22,112
Borrowings	-	-	-	1,742	1,742	1,742
Other financial liabilities	3,577	-	81	5,221	8,879	8,879
Total	3,577	-	81	29,075	32,733	32,733

*The fair value of cash and cash equivalents, other balances with bank, trade receivables, unbilled revenues, loans, trade payables, borrowings and certain other financial assets and liabilities approximate their carrying amount largely due to the short term nature of these instruments.

Fair value Hierarchy:

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

The different levels have been defined as follows:

Level-1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level-2 – Inputs other than quoted prices included within level-1 that are observable for asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level-3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

Financial instruments that are subject to concentration of credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units, quoted bonds issued by government and quasi government organizations and non-convertible debentures issued by institutions with high credit ratings.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 141,581 and ₹ 119,710 Million as of March 31, 2018 and March 31, 2017 respectively, being the total of the carrying amount of trade receivables, investments, cash and cash equivalents, other balance with banks, loans and other financial assets.

In addition, the Company is exposed to credit risk in relation to financial guarantees given to banks provided by the Company. The Company's maximum exposure in this respect is the maximum amount the Company would have to pay if the guarantee is called on. (Refer Note 31.5 above).

Trade receivables

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each Balance Sheet date whether a financial asset or a group of financial assets is impaired. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The Company's exposure to customers is diversified and no single customer contributes to more than 10% of outstanding accounts receivable and unbilled revenue as of March 31, 2018 and March 31, 2017. The concentration of credit risk is limited due to the fact that the customer base is large.

The expected credit loss allowance is based on the ageing of receivables and the rates in the provision matrix. Movement in the expected credit loss allowance is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Balance at the beginning of the year	6,213	7,712
Movement in the expected credit loss allowance on trade receivables and other financial assets:		
Provided during the year	1,488	1,683
Reversed/utilised during the year	(2,377)	(3,182)
Balance at the end of the year	5,324	6,213

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange currency risk.

a) Foreign Currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar, Euro, Great

Britain Pound, Australian Dollar and Canadian Dollar against the respective functional currency of the Company. The Company, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange currency risk.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies.

The foreign exchange rate sensitivity is calculated by aggregation of the net foreign exchange rate exposure and a simultaneous parallel foreign exchange rates shift of all the currencies by 1% against the respective functional currency of the Company.

Further the exposure as indicated below is mitigated by some of the derivative contracts entered into by the Company as disclosed in note below.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

₹ in Million			
Particulars	Currency	March 31, 2018	March 31, 2017
Financial Assets	USD	42,928	37,880
	EUR	6,505	7,806
	GBP	7,246	7,207
	AUD	4,159	5,057
	CAD	2,218	3,623
	Others	12,412	14,480
Total		75,468	76,053
Financial Liabilities	USD	16,551	17,245
	EUR	2,240	1,732
	GBP	1,431	745
	AUD	898	495
	CAD	676	1,591
	Others	3,850	1,604
Total		25,646	23,412

A reasonably possible strengthening by 1% of USD, GBP, EUR, AUD and CAD against the Indian Rupee as at March 31, 2018 and 31 March 2017 will affect the statement of profit and loss by the amounts shown below:

₹ in Million		
Currency	March 31, 2018	March 31, 2017
USD	264	224
EUR	43	28
GBP	58	14
AUD	33	25
CAD	15	15

b) Forward Exchange/Contracts

The Company enters into foreign Exchange Forward Contracts and Currency Option Contracts to offset the foreign currency risk arising from the amounts denominated in currencies other than the Indian Rupee. The counter party to the Company's foreign currency Forward Contracts and Currency Option Contracts is generally a bank. These contracts are entered into to hedge the foreign currency risks of certain forecasted transactions. These contracts are for a period between 1 day and 2 years.

The following are the principal amounts of outstanding foreign currency exchange forward contracts entered into by the Company which have been designated as Cash Flow Hedges:

Type of cover	Amount outstanding in Foreign currency (in Million)	Fair Value Gain / (Loss) (₹ in Million)
Forwards	GBP to USD 192 (March 31, 2017: 189)	(1,158) (March 31, 2017: 1,480)
	EUR to USD 168 (March 31, 2017: 132)	(819) (March 31, 2017: 262)
	AUD to USD 34 (March 31, 2017: 70)	14 (March 31, 2017: (43))
	USD to CAD 41 (March 31, 2017: 44)	15 (March 31, 2017: 38)
	USD to INR 1,100 (March 31, 2017: USD: 1,440)	3,994 (March 31, 2017: 7,762)
	Options	GBP to USD 36 (March 31, 2017: 12)
EUR to USD 69 (March 31, 2017: Nil)		(145) (March 31, 2017: Nil)
USD to INR 96 (March 31, 2017 USD: 6)		7 (March 31, 2017: 31)

The movement in hedging reserve for derivatives designated as Cash Flow Hedges is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Balance at the beginning of the year	7,287	1,982
Changes in the fair value of effective portion of derivatives – Gain/(Loss)	(683)	9,165
Net (Gain)/Loss reclassified to statement of profit and loss on occurrence of hedged forecasted transactions	(5,757)	(3,860)
(Gain)/loss on cash flow hedging derivatives, net	(6,440)	5,305
Balance as at the end of the year	847	7,287
Tax Impact on effective portion of outstanding derivatives	(197)	(2,522)
Balance as at the end of the year, net of deferred tax	650	4,765

Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of significant financial liabilities as of March 31, 2018:

₹ in Million

Particulars	Less than 1 year	1-3 years	More than 3 years	Total
Non Derivative Financial Liabilities				
Finance lease obligation	1,098	1,359	91	2,548
Trade Payables	20,314	-	-	20,314
Financial Guarantees	75	149	404	628
Other financial liabilities	6,675	3,408	-	10,083
Total	28,162	4,916	495	33,573
Derivative Financial Liabilities				
Total	29,362	6,203	495	36,060

The table below provides details regarding the contractual maturities of significant financial liabilities as of March 31, 2017:

₹ in Million

Particulars	Less than 1 year	1-3 years	More than 3 years	Total
Non Derivative Financial Liabilities				
Finance lease obligation	883	1,642	158	2,683
Trade Payables	24,706	-	-	24,706
Financial Guarantees	64	128	412	604
Other financial liabilities	1,694	3,022	-	4,716
Total	27,347	4,792	570	32,709
Derivative Financial Liabilities	53	28	-	81
Total	27,400	4,820	570	32,790

43 Current Tax and Deferred Tax

The income tax expense for the year ended can be reconciled to the accounting profit as follows:

₹ in Million

Particulars	For the year ended	
	March 31, 2018	March 31, 2017
Profit before tax	49,065	38,787
Enacted tax rate	34.608%	34.608%
Income tax expense calculated at 34.608%	16,980	13,423
Effect of income that is exempt from tax*	(6,875)	(5,652)
Effect of expenses disallowed for tax purpose	1,229	876
Effect of differential overseas tax rate	287	202
Effect of income taxes related to prior years	(1,805)	(632)
Others	(744)	97
Income tax expense recognised in statement of profit and loss	9,072	8,314

* Includes allowance under section 10AA of Income Tax Act, 1961 and dividend received from subsidiaries.

The tax rate used for the above reconciliation is the rate as applicable for the respective period payable by corporate entities in India on taxable profits under the Indian income tax laws.

Current tax for the year ended March 31, 2018 includes tax expense with respect to foreign branches amounting to ₹ 1,310 Million (year ended March 31, 2017: ₹ 1,214 Million).

Current tax expense for the year ended March 31, 2018 is net of reversal of provision of ₹ 1,805 Million (year ended March 31, 2017: ₹ 632 Million) pertaining to earlier periods written back.

Deferred Tax:

The following is the analysis of Deferred Tax Assets presented in the Balance Sheet:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Deferred tax assets	3,147	3,204
Deferred tax liabilities	(397)	(2,955)
Deferred tax assets (net)	2,750	249

The tax effect of significant temporary differences that has resulted in deferred tax assets are given below:

₹ in Million

Particulars	For the year ended March 31, 2018			
	Opening balance	Recognised in Profit and loss	Recognised in OCI	Closing balance
Employee Benefits	832	594	(68)	1,358
Property, Plant and Equipment	1,257	(641)	-	616
Provisions	921	(103)	-	818
Changes in fair value of derivatives	(3,298)	576	2,325	(397)
Other Items	537	(182)	-	355
Net Deferred Tax Assets	249	244	2,257	2,750

₹ in Million

Particulars	For year ended March 31, 2017			
	Opening balance	Recognised in Profit and loss	Recognised in OCI	Closing balance
Employee Benefits	878	(46)	0	832
Property, Plant and Equipment	1,333	(76)	-	1,257
Provisions	1,595	(674)	-	921
Changes in fair value of derivatives	-	(776)	(2,522)	(3,298)
Other Items	49	488	-	537
Net Deferred Tax Assets	3,855	(1,084)	(2,522)	249

Deferred tax expense for the year ended March 31, 2018 is net of MAT credit of ₹ 270 Million (year ended March 31, 2017: Nil).

- 44 The Company provides warranty support to some of its customers as per the terms of the contracts. The details of provision for claims and warranties are as follows:

₹ In Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Opening balance	269	194
Provision made during the year	398	466
Reversals during the year	(21)	(110)
Utilisation during the year	(576)	(281)
Closing balance	70	269

Note: Provision for warranties is estimated and made based on technical estimates of the Management and is expected to be settled over the period of next one year.

- 45 **Provision for contingencies**

The Company carries a provision for contingencies towards various claims made/anticipated against the Company based on the Management's assessment. The movement in the said provisions is summarized below:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Opening Balance	372	392
Provision made during the year	-	-
Utilisation during the year	(45)	(20)
Closing balance	327	372

47 Employee Stock Option Scheme

i. ESOP 2000 & ESOP 2010:

The Company has instituted 'Employee Stock Option Plan 2000' (ESOP 2000) and 'Employee Stock Option Plan 2010' (ESOP 2010) for eligible employees and Directors of the Company and its subsidiaries. The vesting pattern of the schemes has been provided below. The options can be exercised over a period of 5 years from the date of the grant. Each option carries with it the right to purchase one equity share of the Company at the exercise price determined by the Company at the time of grant for ESOP 2000 and exercise price as determined by the Nomination and remuneration Committee for ESOP 2010.

ii. ESOP 2006 & ESOP 2014:

The Company has instituted 'Employee Stock Option Plan 2006' (ESOP 2006) and 'Employee Stock Option Plan 2014' (ESOP 2014) for eligible employees and Directors of the Company and its subsidiaries. In terms of the said plan, the Nomination and Remuneration Committee has granted options to the employees of the Company and its subsidiaries. The maximum exercise period is 7 years from the date of grant for ESOP 2006 and options can be exercised over a period of 5 years from the date of each vesting for ESOP 2014.

The vesting period of the above mentioned 4 ESOP Schemes, namely ESOP 2000, ESOP 2006, ESOP 2010 and ESOP 2014 are as follows:

Vesting percentage of options			
Service period from date of grant	ESOP 2000 and ESOP 2010	ESOP 2006	ESOP 2014
12 months	33.33%	10%	15%
24 months	33.33%	15%	20%
36 months	33.33%	20%	30%
48 months	-	25%	35%
60 months	-	30%	-

iii. TML ESOP – B 2013:

Erstwhile Satyam has established a scheme 'Associate Stock Option Plan – B' (ASOP - B) under which 28,925,610 options were available for grant/exercise at the time the Scheme of Amalgamation became effective. Post-merger, these options were adjusted in terms of the approved Scheme of Amalgamation. Each option entitles the holder one equity share of the Company. These options vest over a period of 1 to 4 years from the date of the grant. Upon vesting, employees have 5 years to exercise the options. Post-merger, the name of the ESOP scheme has been changed to 'TML ESOP B 2013'.

iv. TML- RSU:

The erstwhile Satyam has established a scheme 'Associate Stock Option Plan - Restricted Stock Units (ASOP – RSUs)' to be administered by the Administrator of the ASOP – RSUs, a committee appointed by the Board of Directors of the erstwhile Satyam in May 2000. Under the scheme, 1,529,412 equity shares (equivalent number of equity shares post-merger) are reserved to be issued to eligible associates at a price to be determined by the Administrator which shall not be less than the face value of the share. These RSUs vest over a period of 1 to 4 years from the date of the grant. The maximum time available to exercise the options upon vesting is five years from the date of each vesting. Post-merger, the name of the ESOP scheme has been changed to TML RSU.

v. ESOP – A:

Erstwhile Satyam had established an ESOP scheme viz., 'Associate Stock Option Plan – A' (ASOP - A) formulated prior to the SEBI Guidelines on ESOP and ESPS issued in 1999. This plan was administered through a Trust viz., Satyam Associates Trust (Satyam Trust). At the time the Scheme of Amalgamation and Arrangement became effective, the Satyam Trust was holding 2,055,320 shares of erstwhile Satyam, which post amalgamation were converted into 241,802 shares of the Company at the approved share exchange ratio and this scheme has been transitioned and renamed as ESOP-A. Satyam Trust grants warrants to the employees of the Company with an exercise price and terms of vesting advised by the Nomination and Remuneration Committee of the Company. Each warrant shall entitle the warrant holder to one equity share. The exercise period is 180 days from the date of each vesting.

vi. Employee Stock Option Scheme – ESOS:

Erstwhile MESL has established Employee Stock Option Scheme (ESOS) - ESOS for which 1,400,000 equity shares were earmarked. ESOS Scheme is administered through a Trust viz., MES Employees Stock Option Trust. The options under this Scheme vest over a period of 1 to 3 years from the date of the grant. Upon vesting, employees have 7 years to exercise the options. As on the effective date of amalgamation, 18,084 options were outstanding under ESOS, which were converted into equivalent 30,144 options of the Company giving effect to approved share exchange ratio, split and bonus.

vii. Details of options granted during the year:

ESOP Scheme	Method of Settlement	Number of options granted during the year ended March 31, 2018	Grant date	Weighted average fair value
ESOP A	Equity settled Plans	248,000	Aug. 24, 2017	412.26

* Weighted average remaining life for options exercised pending allotment as at year end has been considered as '0'.

- xii. The fair value of each option is estimated on the date of grant based on the following assumptions (on weighted average basis):

Assumptions	For grants made during year ended		
	March 31, 2018		March 31, 2017
Particulars	ESOP 2014	ESOP A	ESOP 2014
Weighted average share price	381-599	430	423-491
Exercise Price	5-362	5	5
Expected Volatility (%)	27-29	29	27-30
Expected Life (in years)	2-6	3	2-6
Expected Dividend (%)	1.2	1.2	1
Risk Free Interest Rate (%)	6-7	6.2	6-7

The Black and Scholes valuation model has been used for computing the weighted average fair value.

48 Earnings Per Share:

₹ in Million except earnings per share

Particulars	For the year ended	
	March 31, 2018	March 31, 2017
Profit after taxation	39,993	30,473
Equity Shares outstanding as at the end of the year (in nos.)	979,318,628	973,539,300
Weighted average Equity Shares outstanding as at the end of the year (in nos.)	979,261,979	971,311,309
Weighted average number of Equity Shares used as a denominator for calculating Basic Earnings Per Share	979,261,979	971,311,309
Add: Dilutive impact of employee stock options	7,365,157	13,578,961
Number of Equity Shares used as denominator for calculating Diluted Earnings Per Share	986,627,136	984,890,270
Nominal Value per Equity Share (in ₹)	5.00	5.00
Earnings Per Share		
Earnings Per Share (Basic) (in ₹)	40.84	31.37
Earnings Per Share (Diluted) (in ₹)	40.53	30.94

Basic earnings per share is calculated by dividing the profit attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year including vested option exercisable for little or no consideration.

- 49 The previous year figures have been audited by a firm other than B S R & Co. LLP.
- 50 The disclosures regarding details of specified bank notes held and transacted during November 8, 2016 to December 30, 2016 has not been made since the requirement does not pertain to financial year ended March 31, 2018. Corresponding disclosure as appearing in the audited Standalone Ind AS financial statements for the period ended March 31, 2017 have been disclosed below:

“Pursuant to MCA notification dated March 30, 2017 read with Section 143 and Section 469 (1) (2) of Companies Act, 2013, the Company had not dealt in Specified Bank Notes and other notes in the form of any deposit, withdrawal, payment or receipt during the period from November 8, 2016 to December 30, 2016”.

51 Previous year figures have been regrouped wherever necessary, to correspond with the current period's classification / disclosure.

Consolidated Financial Statements

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF TECH MAHINDRA LIMITED

Report on the Audit of Consolidated Ind AS Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of **Tech Mahindra Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and associates which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement, for the year then ended, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and of its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Group and its associate to cease to continue as a going concern.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 2 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31 March 2018, and their consolidated profit (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Emphasis of Matter

1. We draw attention to note 40 of the Consolidated Ind AS financial statements in respect of certain matters relating to erstwhile Satyam Computer Services Limited ("erstwhile Satyam"), amalgamated with the Holding Company with effect from April 1, 2011 which are discussed below:

Non-compliances of laws and regulations by the erstwhile Satyam under the former Management (prior to Government nominated Board) identified by various agencies have been responded to in earlier years and no further communication has been received on these matters and with the passage of time, the Holding Company does not expect any further proceedings in this regard.

The Holding Company's management, on the basis of current legal status and external legal opinion, has concluded that (i) claims made by 37 companies in the City Civil Court for alleged advances amounting to ₹ 12,304 Million made by these companies to erstwhile Satyam presented separately under 'Suspense account (net)' and (ii) the claims to these advances filed by Enforcement Directorate under the Prevention of Money Laundering Act in the High Court of Andhra Pradesh, will not sustain on ultimate resolution by the respective Courts as explained in the note.

2. We further draw attention to Note 44 which more fully explains that in case of one of the subsidiaries of the Group, the other auditors in their auditor's report have drawn attention to a possible charge, that may arise in respect of the on-going dispute which is currently sub-judice between the promoters of the subsidiary on various issues relating to the shareholders agreement, the outcome of which is not determinable at this stage.

Further, the auditors have drawn attention to the fact that the annual financial statements for the years ended from 31 March 2012 to 31 March 2017 have not yet been adopted by the members of that subsidiary in the annual general meetings in the absence of unanimous consent of both the shareholders. The financial statements as at and for the year ended 31 March 2018 have been drawn up by incorporating the opening balances based on the above mentioned financial statements. Adjustments to the opening balances, if any, will be made once the above mentioned financial statements are adopted.

Our opinion is not modified in respect of these matters.

Other Matters

1. The comparative financial information of the Group and associates for the year ended 31 March 2017 prepared in accordance with Ind AS included in these consolidated Ind AS financial statements have been audited by the predecessor auditor. The report of the predecessor auditor on the comparative financial information dated 26 May 2017 expressed an unmodified opinion.
2. We did not audit the financial statements/ financial information of 87 subsidiaries (including step-down subsidiaries), whose financial statements/financial information reflect total assets of ₹ 82,880 Million and net assets of ₹ 35,774 Million as at 31 March 2018, total revenues of ₹113,826 Million and net cash outflows amounting to ₹1,211 Million for the year ended on that date. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS financial statements;
 - d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Consolidated Ind AS financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries as noted in the 'Other matter' paragraph:
 - i. The Consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 39 to the Consolidated Ind AS financial statements.
 - ii. Provision has been made in the Consolidated Ind AS financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India during the year ended 31 March 2018.
 - iv. The disclosures in the Consolidated Ind AS financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited Consolidated Ind AS financial statements for the period ended 31 March 2017 have been disclosed. Refer Note 60 to the Consolidated Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF TECH MAHINDRA LIMITED

Referred to in paragraph 1(f) in Report on Other Legal and Regulatory Requirements of the Independent Auditor's Report to the Members of Tech Mahindra Limited on the Consolidated Ind AS financial statements for the year ended 31 March 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Tech Mahindra Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies, which are companies incorporated in India, as of 31 March 2018 in conjunction with our audit of the Consolidated Ind AS financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate companies and joint ventures which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors as mentioned in the Other Matters paragraph, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to 5 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

CONSOLIDATED CASH FLOW STATEMENT FOR THE YEAR ENDED MARCH 31, 2018

Consolidated Cash Flow Statement for the	₹ in Million	
	Year ended March 31, 2018	Year ended March 31, 2017
A Cash Flow from Operating Activities		
Profit before Income Tax	48,788	38,530
Adjustments for:		
Depreciation and Amortisation Expense	10,850	9,781
Allowances for Doubtful Receivables / Advances and Deposits and Bad Debts written off (net)	1,618	1,518
Share of (Profit) / Loss of Associates	(1)	23
Net gain on disposal of Property, Plant and Equipment, Investment Property and Intangible Assets	(1,564)	(36)
Finance Costs	1,624	1,286
Unrealised Exchange (Gain) / Loss (net)	(119)	(3,822)
Share Based Payments to Employees	887	1,346
Sundry Balances Written back	-	(950)
Interest Income	(1,455)	(1,248)
Rental Income	(269)	(115)
Dividend Income on Investments	(583)	(603)
Gain on sale of Investments, net	(499)	(172)
Profit on sale of subsidiary	(87)	-
Unrealised (gain) / loss on year end fair valuation of investments	(794)	(9)
Provision for diminution in value of investment in Associate and Goodwill	235	99
	58,631	45,628
Changes in working capital		
Trade Receivables and Other Assets	(10,442)	(398)
Trade Payables, Other Liabilities and Provisions	2,610	6,279
	(7,832)	5,881
Cash generated from operating activities before taxes	50,799	51,509
Income taxes paid, net	(15,264)	(10,795)
Net cash generated from operating activities (A)	35,535	40,714
B Cash Flow from Investing Activities		
Purchase of Property, Plant and Equipment, Intangible Assets and Investment property	(10,166)	(7,682)
Proceeds from Sale of Property, Plant and Equipment, Intangible Assets and Immovable assets	2,264	79
Purchase of Mutual Funds, Debentures and Other Investments	(178,563)	(153,684)
Proceeds from sale / redemption of Mutual Funds, Debentures and Other Investments	157,862	143,054
Investment in Associates and Subsidiaries (net of cash acquired)	(11,321)	(12,181)
Purchase Price Adjustment	442	205
Proceeds from sale of Subsidiary	258	-
Rental Income	196	87
Inter Corporate Deposits given	(2,300)	(4,286)
Repayment of Inter Corporate Deposits	5,086	-
Fixed Deposit/ Margin Money Placed	(80,799)	(80,045)
Fixed Deposit/ Margin Money Realized	82,199	84,386
Interest income received	1,245	1,172
Net cash (used in) investing activities (B)	(33,597)	(28,895)

CONSOLIDATED CASH FLOW STATEMENT FOR THE YEAR ENDED MARCH 31, 2018

Consolidated Cash Flow Statement for the	₹ in Million	
	Year ended March 31, 2018	Year ended March 31, 2017
C Cash Flow from Financing Activities		
Proceeds from Issuance of Equity Shares from exercise of stock options (net of refunds)	251	345
Payment of cash dividend (including dividend distribution tax thereon)	(9,438)	(12,392)
Share Application Money Infused by other Share Holders in Subsidiaries	606	-
Proceeds from Long-Term Borrowings	9,545	70
Repayment of Long-Term Borrowings	(2,112)	(2,480)
Movement in Short-Term Borrowings (net)	53	(141)
Finance Costs paid	(1,599)	(1,111)
Net cash (used in) financing activities (C)	(2,694)	(15,709)
Net (decrease) in cash and cash equivalents during the year (D=A+B+C)	(756)	(3,890)
Effect of exchange rate changes on cash & cash equivalents (E)	404	(35)
Cash and Cash Equivalents at the beginning of the year (F)	20,013	23,938
Cash and Cash Equivalents at the end of the year (G=D+E+F) (refer note 15)	19,661	20,013

Notes :

- I Purchase of Property, Plant and Equipment and Intangible Assets are stated inclusive of movements of Capital Work-in-Progress, Capital Creditors and Capital Advances between the commencement and end of the year and are considered as part of Investing Activity.
- II During the year ended March 31, 2018, the Company has acquired assets on finance lease amounting to ₹ 825 million (year ended March 31, 2017 ₹ 1265 million). The same are not reflected in the statement of cash flows being non cash in nature. (refer note 3 and 6)

Notes forming part of the Financial Statements for the year ended March 31, 2018

1. Corporate Information:

Tech Mahindra Limited (referred to as "TechM" or the "Company") is a leading provider of consulting-led integrated portfolio services to customers which are Telecom Equipment Manufacturers, Telecom Service Providers and IT Infrastructure Service Providers, Business Process Outsourcing Service Providers as well as Enterprise Solutions Services (BFSI, Retail & Logistics, Manufacturing, E&U, and Healthcare, Life Sciences, etc.) of Information Technology (IT) and IT-enabled services delivered through a network of multiple locations around the globe. It also provides comprehensive range of IT services, including IT enabled services, application development and maintenance, consulting and enterprise business solutions, extended engineering solutions and infrastructure management services to a diversified base of corporate customers in a wide range of industries including insurance, banking and financial services, manufacturing, telecommunications, transportation and engineering services.

The Company is a public limited company incorporated and domiciled in India. The address of its registered office is Gateway Building, Apollo Bunder, Mumbai – 400 001. The Company is listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). It has over 170 subsidiaries across the globe.

The financial statements for the year ended March 31, 2018 were approved by the Board of Directors and authorised for issue on May 25, 2018.

2. Significant accounting policies:

2.1 Statement of Compliance:

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016, guidelines issued by the Securities and Exchange Board of India ('SEBI') and other relevant provisions of the Companies Act, 2013.

Details of the Company's accounting policies are included in paragraphs 2.4 to 2.22.

Functional and presentation currency

These financial statements are presented in Indian rupees ("INR") which is also the

Company's functional currency. All amounts have been reported in Indian Rupees Million, except for share and per share data unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

2.2 Basis for preparation of financial statements:

These financial statements have been prepared on the historical cost basis and on an accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purpose in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 *Share-based Payment*, leasing transactions that are within the scope of Ind AS 17 *Leases*, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 *Inventories* or value in use in Ind AS 36 *Impairment of assets*.

2.3 Basis of Consolidation:

The Consolidated Financial Statements comprise the financial statements of Tech Mahindra Limited and its subsidiaries (the Company and its subsidiaries constitute "the Group"). The Company consolidates all entities which are controlled by it.

The Company establishes control when; it has power over the entity, is exposed or has rights to variable returns from its involvement with the entity and has ability to affect the entity's returns by using its power over the entity. The results of subsidiaries acquired, or sold, during the year are consolidated from the effective date of acquisition and up to the effective date of disposal, as appropriate.

The financial statements of the Group Companies are consolidated on a line-by-line basis and intra-group balances, transactions

including unrealized gain / loss from such transactions and cash flows are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

An associate is an entity over which the investor has significant influence but not control. An investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate, any excess of the cost of investment over the Company's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included in the carrying amount of investment. Any excess of the Company's share of the net fair value of the identifiable assets and liabilities over the cost of investment, after reassessment, is recognised in capital reserve in the period in which investment is acquired.

2.4 Business Combinations:

Business combinations are accounted for using the purchase (acquisition) method. The cost of an acquisition is measured as the fair value of the assets transferred, liabilities incurred or assumed and equity instruments issued at the date of exchange by the Group. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at fair value at the date of acquisition. Transaction costs incurred in connection with a business acquisition are expenses as incurred.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is

made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination. Contingent consideration that is classified as an asset or liability is remeasured at subsequent reporting dates in accordance with IND AS 109 *Financial Instruments* or IND AS 37 *Provisions, Contingent Liabilities and Contingent Assets*, with the corresponding gain or loss being recognised in profit or loss.

Business combinations arising from transfers of interests in entities that are under the common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Goodwill and intangible assets

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

Intangible assets acquired separately are measured at cost of acquisition. Intangible assets acquired in a business combination are measured at fair value as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

2.5 Use of Estimates:

The preparation of financial statements requires the management of the Group to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported

amounts of income and expenses during the reported period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Critical accounting estimates

i) Revenue Recognition

The Company applies the percentage of completion method in accounting for its fixed price contracts. Use of the percentage of completion method requires the Company to estimate the efforts or costs expended to date (input method) as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date. Volume discounts are recorded as reduction of revenue. When the volume discount varies with the levels of revenue, volume discount is recorded based on estimates of future revenue from the customer.

ii) Income taxes and deferred taxes

The major tax jurisdictions for the Company are India and the United States of America. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of the deferred

tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry-forward period are reduced. The policy for the same has been explained under Note 2.17.

iii) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Group's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology. The policy for the same has been explained under Note 2.6.

iv) Provisions

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. The policy for the same has been explained under Note 2.21.

v) Business combinations and intangible assets

Business combinations are accounted for using Ind AS 103. Ind AS 103 requires the identifiable intangible assets and contingent consideration to be fair valued in order to ascertain the net fair value of identifiable assets, liabilities and contingent liabilities of the acquiree. Significant estimates are required to be made in determining the value of contingent consideration and intangible assets and their estimated useful life. These valuations are generally conducted by independent valuation experts.

vi) Impairment of Goodwill

Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount

of a cash generating unit is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount of cash generating units is determined based on higher of value-in-use and fair value less cost to sell. The goodwill impairment test is performed at the level of the cash-generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represents the lowest level at which goodwill is monitored for internal management purposes. Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

vii) Defined benefit plans and compensated absences

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The policy for the same has been explained under Note-2.15.

viii) Expected credit losses on financial assets

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each

reporting period. The policy for the same has been explained under Note-2.9.

ix) Other estimates

The share based compensation expense is determined based on the Group's estimate of equity instruments that will eventually vest.

2.6 Property, Plant & Equipment and Intangible assets:

Property, Plant & Equipment and intangible assets are stated at cost less accumulated depreciation/amortisation and net of impairment. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use as at each reporting date is disclosed under capital work in progress.

Depreciable amount for assets is the cost of an asset, less its estimated residual value. Depreciation on Property, Plant & Equipment (including assets taken on lease), other than freehold land, is charged based on the straight line method on the estimated useful life as prescribed in Schedule II to the Companies Act, 2013 except in respect of the certain categories of assets, where the life of the assets has been assessed based on internal technical estimate, considering the nature of the asset, estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc. The estimated useful lives of assets are as follows:

Buildings	28 to 50 years
Computers	2 to 5 years
Plant and Equipments	3 to 20 years
Furniture and Fixtures	3 to 15 years
Vehicles	3 to 5 years
Office Equipments	3 to 20 years

Intangible assets are amortised on a straight line basis over their useful lives as given below:

Brand	4 to 10 years
Customer relationships/related intangibles	2 to 7 years
Intellectual Property Rights	4 to 10 Years
Software taken on lease	2 to 5 years
Others	3 to 5 years

The estimated useful lives and residual values of the Property, Plant & Equipment and Intangible assets are reviewed at the end of each reporting period.

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

The cost of software purchased for internal use is capitalized and depreciated in full in the month in which it is put to use.

Project specific intangible assets are amortised over their estimated useful lives on a straight line basis or over the period of the license/project period, whichever is lower.

Intellectual Property Rights ('IPR') comprise right to use for licensed software. The Company has recognised the IPR based on present value of consideration paid. Subsequent to initial recognition, the intangible asset is measured at cost, less any accumulated amortization and accumulated impairment losses. The IPR's are amortised over their estimated useful life of 10 years on a straight line basis.

An item of Property, Plant & Equipment and intangibles asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant & Equipment and intangible assets is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

When the use of a property changes from owner occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of reclassification.

2.7 Investment Property:

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and accumulated impairment losses, if any in

accordance with Ind AS 16 *Property, Plant and Equipment*.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Useful life of investment properties:

Buildings	28 to 50 years
Plant and Equipments	3 to 20 years
Furniture and Fixtures	3 to 15 years
Office equipment	3 to 20 years

2.8 Leases:

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date. The arrangement is, or contains a lease if, fulfilment of the arrangement is dependent on the use of a specific asset or assets, even if that right is not explicitly stated in the arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

i. Finance lease:

Where the Group, as a lessor, leases assets under finance lease, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is based on constant rate of return on the outstanding net investment.

Assets taken on finance lease are initially recognised as assets of the Company at the lower of the fair value of the leased item or the present value of the minimum lease payments. Lease payments are apportioned between finance costs and reduction of outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

ii. Operating lease:

Lease arrangements under which all risks and rewards of ownership are effectively retained by the lessor are classified as

operating lease. Lease rental under operating lease are recognised in the Statement of Profit and Loss on a straight line basis over the lease term except where the rentals are structured to increase in line with expected general inflation.

2.9 Impairment of Assets:

i) Financial assets

The Group applies the expected credit loss model for recognizing impairment loss on financial assets.

Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using effective interest rate.

Loss allowances for trade receivables are measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Lifetime expected credit loss is computed based on a provision matrix which takes in to the account historical credit loss experience adjusted for forward looking information. For other financial assets, expected credit loss is measured at the amount equal to twelve months expected credit loss unless there has been a significant increase in credit risk from initial recognition, in which case those are measured at lifetime expected credit loss.

ii) Non-financial assets

The Group assesses long-lived assets such as property, plant, equipment and acquired intangible assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset or group of assets may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the asset or group of assets. The recoverable amount of an asset or cash generating unit is the higher of its fair value less cost of disposal (FVLCD) and its value-in-use (VIU). The VIU of long-lived assets is calculated using projected future cash flows. FVLCD of a cash generating unit is computed using turnover and earnings multiples. If the recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The

reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment losses previously recognized are reversed such that the asset is recognized at its recoverable amount but not exceeding written down value which would have been reported if the impairment losses had not been recognized initially.

Goodwill

Goodwill is tested for impairment on an annual basis and whenever there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows. For the purpose of impairment testing, goodwill acquired in a business combination is allocated to the Group's cash generating units (CGU) or groups of CGU's expected to benefit from the synergies arising from the business combination.

A CGU is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets. Impairment occurs when the carrying amount of a CGU including the goodwill, exceeds the estimated recoverable amount of the CGU. The recoverable amount of a CGU is the higher of its fair value less cost to sell and its value-in-use. Value-in-use is the present value of future cash flows expected to be derived from the CGU.

Total impairment loss of a CGU is allocated first to reduce the carrying amount of goodwill allocated to the CGU and then to the other assets of the CGU pro-rata on the basis of the carrying amount of each asset in the CGU. An impairment loss on goodwill is recognized in net profit in the statement of profit and loss and is not reversed in the subsequent period.

2.10 Inventories:

Components and parts:

Components and parts are valued at lower of cost or net realizable value. Cost is determined on First-In-First Out basis.

Finished Goods:

Finished goods are valued at the lower of the

cost or net realisable value. Cost is determined on First-In-First Out basis.

Projects in Progress / Work in Progress:

Hardware equipment and other items are carried at the lower of cost and net realisable value. Cost is determined on a specific identification basis. Cost includes material cost, freight and other incidental expenses incurred in bringing the inventory to the present location / condition.

2.11 Revenue recognition:

Revenue from software services and business process outsourcing services include revenue earned from services rendered on 'time and material' basis, time bound fixed price engagements and system integration projects.

Revenue recognition is based on the terms and conditions as per the contracts entered into / understanding with the customers. All revenues from services, as rendered, are recognised when persuasive evidence of an arrangement exists, the sale price is fixed or determinable and collectability is reasonably assured and are reported net of sales incentives, discounts based on the terms of the contract and applicable indirect taxes.

The Group also performs time bound fixed price engagements, under which revenue is recognised using the 'percentage of completion' method of accounting, unless work completed cannot be reasonably estimated. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable. When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of profit and loss in the period in which such losses become probable based on the current contract estimates.

'Unbilled revenues' represent cost and earnings in excess of billings as at the end of the reporting period. 'Unearned revenues' represent billing in excess of revenue recognized. Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

Revenue from maintenance contracts is recognised ratably over the period of the contract in accordance with its terms. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognised on a straight line basis over the specified period.

Revenues from the sale of software and hardware products are recognised when the significant risk and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with the ownership of products have ceased, the amount of revenue can be estimated reliably, it is probable that economic benefit associated with the transaction will flow to the company and cost incurred in respect of transaction can be measured reliably.

License fees and royalties for use of entity assets are recognised in accordance with substance of the agreement. License fees / royalty contingent on the occurrence of a future event is recognised only when it is probable that the fee or royalty will be received.

When two or more revenue generating activities or deliverables are provided under a single arrangement, each deliverable that is considered to be a separate unit of account is accounted for separately. The allocation of the consideration from revenue arrangement to its separate units of account is based on the relative fair value of each unit. If the fair value of the delivered item is not reliably measurable, then revenue is allocated based on the difference between total arrangement consideration and the fair value of the undelivered item. Fair values are determined based on sale prices for the components when it is regularly sold separately, third party prices for similar components or cost plus an appropriate business specific profit margin related to the relevant component.

Reimbursement/Recoveries from customers are separately identified as contractual receivables.

Costs that relate directly to a contract and incurred in securing a contract are recognized as an asset (deferred contract costs) and amortized over the contract term as reduction in revenue.

Liquidated damages and penalties are accounted as per the contract terms wherever there is a delayed delivery attributable to the Company and when there is a reasonable certainty with which the same can be estimated.

The Company accrues the estimated cost of warranties at the time when the revenue is

recognized. The accruals are based on the Company's historical experience of material usage and service delivery costs.

The Company recognizes unearned finance income as financing revenue over the lease term using the effective interest rate method.

Dividend income is recognised when the Company's right to receive dividend is established. Interest income is recognised using effective interest rate method.

Rental income from the investment property is recognised in statement of profit and loss on a straight-line basis over the term of lease except where the rentals are structured to increase in line with expected general inflation.

2.12 Foreign currency transactions:

The functional currency of the Company and its Indian subsidiaries is Indian Rupees (INR) whereas the functional currency of foreign subsidiaries is the currency of their primary economic environment.

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the profit or loss.

2.13 Foreign Operations:

For the purpose of these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period. Exchange differences arising on translation are recognised in other comprehensive income and accumulated in equity.

When a subsidiary is disposed off, in full, the relevant amount is transferred to net profit in the statement of profit and loss.

2.14 Financial Instruments:

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or

issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

i) Non-derivative financial instruments:

Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method less impairment losses, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value

Financial assets not measured at amortised cost are carried at fair value through profit or loss (FVTPL) on initial recognition, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in 'other comprehensive income', for investment in equity instruments which are not held for trading.

The Group, on initial application of IND AS 109 *Financial Instruments* has made an irrevocable election to present in 'other comprehensive income', subsequent changes in fair value of equity instruments not held for trading.

Financial asset at FVTPL, are measured at fair values at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest rate method or at FVTPL. For financial liabilities carried at amortised cost, the carrying amounts approximate fair values due to the short term maturities of these instruments. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or is held for trading or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss.

ii) Derivative financial instruments and hedge accounting

The Group is exposed to foreign currency fluctuations on foreign currency assets, liabilities and forecasted cash flows nominated in foreign currency. The Group uses foreign currency forward contracts / options to hedge its risks associated with foreign currency fluctuations relating to certain forecasted transactions. The Group designates some of these forward contracts / options as hedge instruments and accounts for them as cash flow hedges applying the recognition and measurement principles set out in Ind AS 109.

The use of foreign currency forward contracts / options is governed by the Group's risk management policy approved by the Board of Directors, which provide written principles on the use of such financial derivatives consistent with the Group's risk management strategy. The counter party to the Group's foreign currency forward contracts is generally a bank. The Group does not use derivative financial instruments for speculative purposes.

Foreign currency forward contract/option derivative instruments are initially measured at fair value and are re-measured at subsequent reporting dates. Changes in the fair value of these derivatives that are designated and effective as hedges of future cash flows are recognised in other comprehensive income and accumulated under 'effective portion of cash flow hedges' (net of taxes), and the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Amounts previously recognised in other comprehensive income and accumulated in effective portion of cash flow hedges are reclassified to the Statement of Profit or Loss in the same period in which gains/losses on the item hedged are recognised in the Statement of Profit or Loss.

Changes in the fair value of derivative financial instruments that do not qualify for hedge accounting are recognized in the Statement of Profit and Loss as they arise.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. Cumulative gain or loss on the hedging instrument classified as effective portion of cash flow hedges is classified to Statement of Profit and Loss when the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in effective portion of cash flow hedges is transferred to the Statement of Profit and Loss for the period.

iii) Derecognition of financial instruments

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risk and rewards of transferred financial assets, the Company continues to recognize the financial asset and also recognizes the borrowing for the proceeds received.

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired.

iv) Financial Guarantee contracts

Financial guarantee contracts issued by the Company are initially measured at fair value and subsequently measured at the higher of the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18 Revenue.

2.15 Employee Benefits:

a) Gratuity:

In accordance with the Payment of Gratuity Act, 1972, the Group accounts for its gratuity liability covering eligible employees as a defined benefit plan. The gratuity plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of the employment based on the respective employee's last drawn salary and the tenure of the employment. Liabilities with regard to the Gratuity plan are determined based on an actuarial valuation carried out by an independent actuary as at the Balance Sheet date using the Projected Unit Credit method.

Actuarial gains and losses are recognised in full in other comprehensive income and accumulated in equity in the period in which they occur.

b) Provident fund:

The eligible employees of TechM and its Indian subsidiaries are entitled to receive the benefits of Provident fund, a defined contribution plan, in which both employees and TechM and its Indian subsidiaries make monthly contributions at a specified percentage of the covered employees' salary (currently at 12% of the basic salary) which are charged to the Statement of Profit and Loss on accrual basis. The provident fund contributions are paid to the Regional Provident Fund Commissioner by TechM and its Indian subsidiaries, except in case of one subsidiary where a portion of the contribution is made to approved provident fund trust managed by that subsidiary. The contribution to trust managed by the subsidiary is accounted for as a defined benefit plan as the subsidiary is liable for any shortfall in the fund assets based on the government specified minimum rate of return.

c) Superannuation and ESIC:

Contributions Superannuation fund and employees' state insurance scheme (ESI), which are defined contribution schemes, are charged to the Statement of Profit and Loss on an accrual basis.

The Group has no further obligations for superannuation fund benefits other than its annual contributions.

d) Other Long Term Employee Benefits:

The Group provides for compensated absences and long term service awards subject to Company's rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment or availment. The liability is accrued based on the number of days of unavailed leave at each Balance Sheet date and the awards are accrued based on number years of service of an employee. It is measured at the balance sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method.

Actuarial gains and losses are recognised in full in the Statement of Profit and Loss in the period in which they occur.

The Group also offers a short term benefit in the form of encashment of unavailed accumulated compensated absences above certain limits for all of its employees and same is provided for in the books at actual cost.

e) Other short-term employee benefits:

Other short-term employee benefits such as overseas social security contributions and performance incentives expected to be paid in exchange for services rendered by employees, are recognised in the statement of profit and loss during the period when the employee renders the service.

2.16 Borrowing costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

2.17 Taxation:

Tax expense comprises of current tax and deferred tax. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted as at the reporting date and applicable for the period. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemptions in accordance with the local tax laws existing in the respective countries.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit has a legally enforceable right and intends to settle the asset and liability on a net basis.

Deferred income taxes

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India. MAT credit is recognized for future economic benefits in the form of adjustment of future income tax liability and is considered as an asset if there is probable evidence that the Company will pay normal income tax.

Deferred tax assets and liabilities are offset when it relates to income taxes levied by the same taxation authority and the relevant entity

intends to settle its current tax assets and liabilities on a net basis.

Deferred tax liability (DTL) is not recognised on the accumulated undistributed profits of the subsidiary company in the consolidated financial statements of the company, if it is determined that such accumulated undistributed profits will not be distributed in the foreseeable future. When it is probable that the accumulated undistributed profits will be distributed in the foreseeable future, then DTL on accumulated undistributed profits of the subsidiary company is recognised in the consolidated statement of profit and loss of the company.

In cases, where the dividend distribution tax (DDT) paid by a subsidiary on distribution of its accumulated undistributed profits/ tax on dividend from a foreign subsidiary is allowed as a set off against the Company's own DDT liability, then the amount of DDT paid by domestic subsidiary/ tax paid on foreign dividend is recognised in the consolidated statement of changes in equity.

The Group recognises interest levied and penalties related to income tax assessments in interest expenses.

2.18 Employee Stock Option Plans:

Equity instruments granted are measured by reference to the fair value of the instrument at the date of grant. The equity instruments generally vest in a graded manner over the vesting period. The fair value determined at the grant date is expensed over the vesting period of the respective tranches of such grants (accelerated amortization). The share based compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

The expense is recognized in the statement of profit and loss with a corresponding increase to the 'share option outstanding account', which is a component of equity.

2.19 Research and development:

Research costs are recognized as an expense in the statement of profit and loss in the period they are incurred. Development costs are recognized in the statement of profit and loss unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the Company has an intention and ability to complete the development project and use the asset and the costs can be measured reliably.

2.20 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for any bonus shares issued during the year.

For calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

2.21 Provisions:

A provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

2.22 Assets Held for Sale

Non current assets held for sale are measured at the lower of their carrying value and fair value of the assets less costs to sale. Assets and liabilities classified as held for sale are presented separately in the Balance Sheet. Property, plant and equipment once classified as held for sale are not depreciated/ amortised.

2.23 New Accounting Standards yet to be adopted

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Group has not applied as they are effective for annual periods beginning on or after April 1, 2018:

Ind AS 115 – Revenue from Contracts with Customers

Ind AS 115 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. Ind AS 115 will supersede the current revenue

recognition standard Ind AS 18 Revenue, Ind AS 11 Construction Contracts when it becomes effective.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

The Group is evaluating the impact of this amendment on its financial statements and will apply the standard using the cumulative effective method, with the effect of initially applying IND AS 115 being recognized as an adjustment to the opening balance of retained earnings of the annual reporting period.

Ind AS 21 – The effect of changes in Foreign Exchange rates

The amendment has been incorporated in Ind AS 21 as Appendix B, which clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix is applicable for accounting periods beginning on or after April 1, 2018. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company is evaluating the impact of this amendment on its financial statements.

Note : -

Certain fixed deposits of the Company, then aggregating to ₹ 8,220 Million were alleged by 'The Enforcement Directorate' ('ED') to be 'proceeds of crime' and were provisionally attached by the ED (the Order). The Hon'ble High Court of Andhra Pradesh (the Court) had, pending further Orders in the Writ Petition, granted stay of the said Order and all proceedings thereto. The main Writ Petition is pending for final hearing. Meanwhile, the ED had challenged this interim Order passed by the Single Judge before the Division Bench of the Court. The Hon'ble High Court upon hearing the matter, has dismissed the Appeal filed by ED and affirmed the Stay granted by the Single Judge. Consequently, out of the aforesaid fixed deposits which were attached, fixed deposits aggregating ₹ 3,570 Million have been redeemed. Certain banks are awaiting clarification from the High Court of Andhra Pradesh before redeeming the fixed deposits amounting to ₹ 4,650 Million (principal including accrued interest amounts to ₹ 7,032 Million as of 31 March 2018 (31 March 2017 : ₹ 6,753 Million)) and the Company is pursuing the matter legally. (refer note 40)

Number of shares held by each shareholder holding more than 5 percent of the Equity Shares of the Company are as follows:

Name of Shareholder	As at		As at	
	March 31, 2018		March 31, 2017	
	No. of Shares held	% of Holding#	No. of Shares held	% of Holding#
Mahindra & Mahindra Limited	256,248,704	26	256,248,704	26

- # This percentage of holding is presented with reference to Issued, Subscribed and Paid up.
- Aggregate number of fully paid-up Equity Shares allotted by way of Bonus Shares in the immediately preceding five years : 240,161,577 Equity Shares of ₹10 each fully paid-up (equivalent to 480,323,154 Equity Shares of ₹ 5 each fully paid-up) were allotted as Bonus shares during the year ended March 31, 2015.
 - Each Equity Share entitles the holder to one vote and carries an equal right to dividend.
 - The shareholders at the Annual General Meeting held on August 2, 2017 approved dividend of ₹ 9 per equity share for year ended March 31, 2017 which was subsequently paid during the quarter ended September 30, 2017. The amount was recognized as distributions to equity shareholders during the year ended March 31, 2018 and the total appropriation was ₹ 9,438 Million including corporate dividend tax.
 - Refer note 55 for details relating to stock options.
 - On May 25, 2018, the Board of Directors of the company have proposed a final dividend of ₹14/- per share in respect of the year ended March 31, 2018 subject to the approval of shareholders at the Annual General Meeting. If approved, the dividend would result in a cash outflow of ₹ 16,508 Million inclusive of dividend distribution tax of ₹ 2,792 Million.
 - The Company manages its capital to ensure that it will be able to continue as a going concern while maximizing the return to stakeholders through the optimisation of the debt and equity balance. The Company is not subject to any externally imposed capital requirements. The Company's risk management committee reviews the capital structure of the Company on an ongoing basis. As part of this review, the committee considers the cost of capital and the risks associated with capital.

36.A Following entities have not been considered for consolidation:

The Group while considering the nature and insignificant variability of its return has concluded that it does not 'control' these foundations/trusts.

- Tech Mahindra Foundation (Section 8 company)
- Mahindra Educational Institutions (Section 8 Company)
- Mahindra Satyam Foundation Trust (Trust)
- TML Odd Lot Trust (Trust)

36.B Sale of Subsidiary:

LCC Middle East FZ-LLC', a LCC group subsidiary had entered into an Agreement with 'Talkpool AG' to sell its 100% holding into 'LCC Pakistan (Pvt.) Ltd' on October 31, 2017 ('closing date') for USD 5.20 Million of which USD 4 Million is received and balance USD 1.2 Million will be received in two equal installments of USD 0.60 Million each, in October 2018 and October 2019.

36.C Investment in Subsidiary:

During the year, the Company had acquired an additional 32.07% stake in Comviva Technologies Limited from Bharati Group and Westbridge Ventures II Investment Holdings for a total consideration of ₹ 3,618 Million and 0.68% stake from Comviva ESOP Trust for a consideration of ₹ 70 Million respectively.

As a result of this, the Company now holds 99.85 % stake in Comviva Technologies Limited as on March 31, 2018 (March 31, 2017: 67.10% stake).

36.D Investment in Associates:

On January 18, 2018, the Company had acquired through its subsidiary, 'Tech Mahindra (Americas) Inc', 22.50% stake in AltioStar Networks, Inc. (AltioStar) for a consideration of USD 15 Million (₹ 958 Million).

Further, AltioStar has issued warrants to Tech Mahindra (Americas), to purchase upto 7,932,455 common stock, which can be exercised by March 31, 2022 based on achievement of certain conditions.

37. Business Combinations:**A. Details of acquisitions during the year ended March 31, 2018.**

* Goodwill comprises of acquired workforce and expected synergies arising from the acquisition.

Note: The pro-forma effects of these acquisitions on the Group's results were not material.

- i. The Company through its subsidiary, Tech Mahindra Fintech Holdings Limited had acquired 100% equity stake in Target Topco Limited, UK on August 19, 2016 for an initial consideration of GBP 97.75 Million (₹ 8,595 Million).

As per Share Purchase Agreement, there are contingent payments payable to the selling shareholders of Target Topco Limited based on mutually agreed performance milestones upto December 31, 2019 with a cap of GBP 60 Million. Such payments to the extent linked to continuing employment of the erstwhile shareholders, have been considered as employee costs and recognised in statement of profit and loss on proportionate basis over the service period.

Fair value of financial liability payable as at March 31, 2018 amounts to GBP 4.60 Million (₹ 423 Million) (March 31, 2017: GBP 20.22 Million (₹ 1,778 Million)).

- ii. As per Shareholder's agreement dated May 27, 2016, Tech Mahindra Fintech Holdings limited may issue upto 12.5% of its share capital to employees of Target Topco Limited. As at March 31, 2018 5.37% shares of the above are outstanding. The Company has a call option and employees of Target Topco Limited have a put option for these issued shares, which can be exercised at an exercise price derived based on pricing mechanism stated in the agreement. The validity of this option is based on continuing employment of employees upto December 31, 2019. Cost of this is debited to statement of profit and loss account.

Fair value of financial liability payable as at March 31, 2018 amounts to GBP 2.09 Million (₹ 192 Million).

- iii. On June 21, 2016, the Company entered into an agreement to acquire 100 % share capital of The Bio Agency Limited, UK, for an initial consideration of GBP 24.91 Million (₹ 2,265 Million).

As per the Share Purchase Agreement there are contingent payments payable to the selling shareholders of The Bio Agency Limited on mutually agreed performance milestones upto April 30, 2019 with a cap of GBP 18.35 Million. Since such payments are linked to continuing employment provided by the erstwhile shareholders, they are considered as an employee costs and are recognised on a proportionate basis over the service period.

Fair value of of financial liability payable as at March 31, 2018 amounts to GBP 3.88 Million (₹ 356 Million) (March 31, 2017: GBP 11.33 Million (₹ 1,027 Million)).

- iv. On May 30, 2016, the Company through its subsidiary, PF Holdings B.V., acquired 76.06% stake in Pininfarina S.p.A. for a total upfront consideration of EUR 25 Million (₹ 1,890 Million).

Further, as per the share purchase agreement, PF Holdings B.V. made an open public offer to acquire remaining 7,205,128 shares of Pininfarina S.p.A at a price of Euro 1.10 per share, payable upfront. The open offer concluded on July 29, 2016 in which 22,348 equity shares were purchased and transferred on August 5, 2016 in the name of PF Holdings B.V. and accordingly, PF Holdings B.V. increased its holding to 76.18% of the share capital of Pininfarina S.p.A.

38. Disclosure as required under Ind AS 112:

- i. Non-controlling interest reported in the consolidated financial statements, based on the shareholding as stated in note 35 (i) comprises of entities which are not individually material to the Group. Therefore, disclosures as per Ind AS 112 are not given in the consolidated financial statements.
- ii. The associates forming part of the Group are not material to the Group and hence disclosure under Ind AS 112 is not given.

39.1 Capital Commitments

The estimated amount of contracts remaining to be executed on capital account (net of capital advances) and not provided for as at March 31, 2018 is ₹ 1,193 Million (March 31, 2017: ₹ 1,155 Million).

39.2 Purchase commitments in respect of investments

- i. The Company, pursuant to the share purchase agreement dated January 8, 2015, had acquired 100% stake in Sofgen Holdings Limited (Sofgen) on March 13, 2015 for a consideration upto USD 24.25 Million, out of which USD 14.25 Million (₹ 895 Million) was paid upfront and the balance amount of USD 10 Million was payable on achieving performance based milestones during the calendar years 2015 (USD 6 Million) and 2016 (USD 4 Million). The Company, based on mutual agreement, has agreed and paid a final settlement amount of USD 3 Million on July 14, 2017 and now no additional amounts are due.
- ii. During the year ended March 31, 2016, the Company had entered into a subscription agreement for a Limited Partnership interest with a USA based fund namely Northgate FinTech Innovations Partners, L.P (Northgate). The Company would invest upto USD 40 Million (₹ 2,555 Million) as a limited partner in Northgate. On September 26, 2016, the Partnership made a capital call of USD 1 Million to cover management fees from October, 2016. However, pending discussion with Northgate, the Company has not paid any amount till date.

- iii. The Company has agreed to fund its subsidiary FixStream Networks Inc. for an amount upto USD 20 Million (₹ 1,277 Million) through inter corporate loans. As at March 31, 2018, the Company has given a loan of USD 4.50 Million (₹ 287 Million) to FixStream Networks Inc. This loan is convertible into equity shares of FixStream Networks Inc. at a predetermined conversion ratio at the option of the Company once the total loan of USD 20 Million is provided to FixStream Networks Inc.
- iv. Tech Mahindra Servicos De Informatica LTDA (100% subsidiary of the Company) which held 51% stake in Complex IT Services Consultoria EM Informatica LTDA (Complex IT Services) had acquired balance stake of 49% in Complex IT Services on January 31, 2014. Out of total consideration payable, amount outstanding as of March 31, 2018 of BRL 8 Million (₹ 156 Million) (March 31, 2017 : BRL 16 Million (₹ 328 Million) is payable by December 2020.
- v. On May 15, 2015, the Company along with other shareholders incorporated Nth Dimension Ltd in the United Kingdom wherein the Company subscribed to 86.50% of its paid up in capital. The Company, entered into an agreement with other shareholders, dated June 2, 2017 through which it has acquired call and written put options over the 13.5% stake held by the other shareholders. These options shall vest based on the performance and employment conditions mentioned in the agreement.

39.3 Contingent Liabilities

- (a) Bank Guarantees/corporate guarantees outstanding as at March 31, 2018: ₹ 31,671 Million (March 31, 2017: ₹ 30,374 Million).
- (b) During the year ended March 31, 2018, the Company has given letters of support of USD 75 Million: ₹ 4,855 Million (March 31, 2017: USD 75 Million, ₹ 4,831 Million) to banks for loans availed by step down subsidiaries of the Company.

39.4 Contingent Liabilities in respect of Income Taxes/ Service Tax/Value Added Tax/Customs and International tax.

39.4.2 Footnotes to the Schedule

i. Petition before Hon'ble High Court of Judicature at Hyderabad: Financial years 2002-2003 to 2007-2008

Erstwhile Satyam had filed various petitions before Central Board of Direct Taxes (CBDT) requesting for stay of demands aggregating to ₹ 6,170 Million for the financial years 2002-2003 to 2007-2008 till the correct quantification of income and taxes payable is done for the respective years. In March 2011, the CBDT rejected the petition and erstwhile Satyam filed a Special Leave Petition before the Hon'ble Supreme Court which directed erstwhile Satyam to file a comprehensive petition/representation before CBDT and to submit a Bank Guarantee (BG) for ₹ 6,170 Million which was complied by erstwhile Satyam. The BG has been extended upto October 14, 2018.

The Assessing Officer served an Order dated January 30, 2012, for provisional attachment of properties under Section 281B of the Income-tax Act, 1961 attaching certain immovable assets of erstwhile Satyam. Erstwhile Satyam filed a writ petition in the Hon'ble High Court of Judicature at Hyderabad that has granted a stay on the provisional attachment order.

ii. Appointment of Special Auditor and re-assessment proceedings

- In August, 2011, the Additional Commissioner of Income-tax issued the Draft of Proposed Assessment Orders accompanied with the Draft Notices of demand resulting in a contingent liability of ₹ 7,948 Million and ₹ 9,637 Million for the financial years 2001-2002 and 2006-2007, respectively, proposing adjustments to the total income, including adjustments on account of Transfer Pricing. Erstwhile Satyam has filed its objections to the Draft of Proposed Assessment Orders for the aforesaid years on September 16, 2011 with the DRP, Hyderabad, which is pending disposal.
- Consequent to the letter of erstwhile Chairman of the erstwhile Satyam, the Assessing Officer had commissioned special audits for the financial years 2001-2002, 2002-2003, 2006-2007, 2007-2008 and 2008-2009 on various dates. Erstwhile Satyam had filed petitions before Hon'ble High Court of Judicature of Hyderabad challenging the special audits, which are pending disposal.

39.5 Other Claims on the Company not acknowledged as debts

- i) Claims against erstwhile Satyam not acknowledged as debts: ₹ 1,389 Million (March 31, 2017 ₹ 1,377 Million).
- ii) Claims made on the Company not acknowledged as debts: ₹ 113 Million (March 31, 2017 ₹ 135 Million).
- iii) Others ₹ 407 Million (March 31, 2017 ₹ 407 Million).
- iv) Claims against the Company for not contributing towards provident fund for employees working overseas in non-SSA countries, deputed from India ₹ 2,448 Million (March 31, 2017 ₹ 2,448). The Company has provided a Bank Guarantee of ₹ 500 Million (March 31, 2017 ₹ 500 Million).
- v) Claim against the Company for transfer of land in SEZ at Nagpur considered by Maharashtra Airport Development Company Limited (MADC) as 'non-formal transfer' as per its Transfer Policy and claiming the transfer fee of ₹ 150 Million.

39.6 Management's assessment of contingencies/claims

The amounts disclosed under contingencies/claims represent the best possible estimates arrived at on the basis of the available information. Due to high degree of judgment required in determining the amount of potential loss related to the various claims and litigations mentioned above and the inherent uncertainty in predicting future settlements and judicial decisions, the Group cannot estimate a range of possible losses.

However, the Group is carrying a provision for contingencies as at March 31, 2018, which, in the opinion of the Management, is adequate to cover any probable losses.

39.7 Delay in Conveyance of Immovable Properties

Pursuant to the Scheme of Amalgamation and Arrangement ('the Scheme') sanctioned by the Hon'ble High Courts of Andhra Pradesh and Bombay, Venturbay Consultants Private Limited (Venturbay), CanvasM Technologies Limited (CanvasM) and Mahindra Logisoft Business Solutions Limited (Logisoft), the wholly owned subsidiaries of the Company, and Satyam Computer Services Limited (Satyam) an associate of the Company (through Venturbay) and C&S System Technologies Private Limited (C&S) a wholly owned subsidiary of erstwhile Satyam, merged with the Company with effect from April 1, 2011 ('the appointed date'). Pursuant to the Scheme, the title deeds for the immovable properties pertaining to the amalgamating companies are pending conveyance in the name of the Company. The Company has initiated the name change formalities.

40. Certain matters relating to erstwhile Satyam Computer Services Limited (erstwhile Satyam):

In the letter dated January 7, 2009 Mr. B. Ramalinga Raju, the then Chairman of erstwhile Satyam, stated that the Balance Sheet of erstwhile Satyam as at September 30, 2008 carried inflated cash and bank balances, non-existent accrued interest, an understated liability and an overstated debtors position. Consequently, various regulators/investigating agencies such as the Serious Fraud Investigation Office ('SFIO')/Registrar of Companies ('ROC'), Directorate of Enforcement ('ED'), Central Bureau of Investigation ('CBI') had initiated investigations on various matters and conducted inspections and issued notices calling for information including from certain subsidiaries which have been responded to.

In 2009, SFIO initiated two proceedings against erstwhile Satyam for violations of Companies Act, 1956, which have since been compounded. Further, certain non-compliances/breaches of various laws and regulations by the erstwhile Satyam under the former Management (prior to Government nominated Board) were identified by various agencies. These have been responded to/appropriately addressed by the erstwhile Satyam/the Company and the Company does not expect any further proceedings in this regard.

On May 22, 2013, the ED had issued a show-cause notice to the erstwhile Satyam for contravention of provisions of the Foreign Exchange Management Act, 1999 ('FEMA') for alleged non-repatriation of American Depository Receipts ('ADR') proceeds aggregating to USD 39.2 Million. The Company has responded to the ED's show-cause notice on March 28, 2014 and has not received any further communication in this regard.

The ED had also issued a show-cause notice to the erstwhile Satyam on April 28, 2011 for contravention of the provisions of FEMA and the Foreign Exchange Management (Realisation, Repatriation and Surrender of Foreign Exchange) Regulations, 2000, in respect of the non-realisation and repatriation of export proceeds to the extent of foreign exchange equivalent to ₹ 506 Million for invoices raised during the period July 1997 to December 31, 2002. The erstwhile Satyam has responded to the show-cause notice and has not received any further communication in this regard.

As per the assessment of the Management, based on the forensic investigation and the information available, all identified/required adjustments/disclosures arising from the identified financial irregularities, had been made in the financial statements of erstwhile Satyam as at March 31, 2009. Considerable time has elapsed after the initiation of investigation by various regulators/agencies and no new information has come to the Management's notice which requires adjustments to the financial statements. Further, as per above, the investigations have been completed and no new claims have been received which need any further evaluation/adjustment/disclosure in the books of account.

Proceedings in relation to 'Alleged Advances':

Pursuant to the aforesaid letter dated January 7, 2009, the erstwhile Satyam received letters from 37 companies seeking confirmation by way of acknowledgement of receipt of certain alleged amounts by the erstwhile Satyam (referred to as 'alleged advances'). These letters were followed by legal notices from these companies dated August 4/5, 2009, claiming repayment of the alleged advances aggregating ₹ 12,304 Million stated to be given as temporary advances but without any evidence in support of the nature of these transactions. This is also borne out in the internal forensic investigation. The legal notices also claimed damages/compensation @18% per annum from the date of the advances till the date of repayment. The erstwhile Satyam has not acknowledged any liability to any of the 37 companies and has replied to the legal notices stating that the claims are legally untenable.

The 37 companies have filed petitions/suits for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad (Court), with a prayer that these companies be declared as indigent persons for seeking exemption from payment of requisite court fees.

One petition where court fees have been paid, the pauper petition was converted into a suit which is pending disposal. The petitions filed by remaining 36 companies are before the Court, at various stages of rejection of pauperism/trial of pauperism/inquiry. In one petition, the delay in submission of the petition has been condoned by the Court and the Company has obtained an interim stay Order from the Hon'ble High Court of Andhra Pradesh, which has remanded the matter to the lower Court directing to consider the application afresh. The Lower Court upon hearing the application has condoned the delay in re-submission of pauper petition. The Company has challenged the said order in Revision before the High Court of Andhra Pradesh, which is pending hearing. In another development, the Company has also filed a Revision against the orders of the Lower Court in the application filed by the Company to recall the Order in numbering the pauper petition as Original Petition. Hon'ble High Court has been pleased to stay the proceedings until further orders.

The Hon'ble High Court in its Order approving the merger of the erstwhile Satyam with the Company, further held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans, i.e. alleged advances, by the former Management of the erstwhile Satyam, the new Management of the erstwhile Satyam is justified in not crediting the amounts received in their names and not disclosing them as creditors and in disclosing such amounts as 'Amounts pending investigation suspense account (net)' in the financial statements. The Hon'ble High Court held, inter-alia, that the contention of the 37 companies that Satyam is retaining the money, i.e. the alleged advances, of the 'creditors' and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved beyond doubt which is not so in this case.

The said 37 companies have filed appeals before the Division Bench of the Hon'ble High Court of Andhra Pradesh, against the Orders of the Hon'ble High Court of Andhra Pradesh and the Hon'ble High Court of Judicature at Bombay sanctioning the scheme of merger of Satyam Computer Services Limited (Satyam) with the Company w.e.f. April 1, 2011, which are yet to be heard. One of the aforesaid companies has also appealed against the Order rejecting the Petition for winding-up of the erstwhile Satyam. These matters have been combined for hearing.

The Directorate of Enforcement (ED) while investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) had directed the erstwhile Satyam not to return the alleged advances until further instructions. In furtherance to the investigation, certain fixed deposits of the Company with certain banks, then aggregating to ₹ 8,220 Million were alleged by ED to be 'proceeds of crime' and were provisionally attached vide Order dated October 18, 2012 by the ED (the Order). The Hon'ble High Court of Andhra Pradesh (the Court) had, pending further Orders in the Writ Petition, granted stay of the said Order and all proceedings thereto vide its Order dated December 11, 2012. The main Writ Petition is pending for final hearing. Meanwhile, the ED had challenged this interim Order passed by the Single Judge before the Division Bench of the Court. Vide order dated December 31, 2014, the Hon'ble High Court upon hearing the matter, has dismissed the appeal filed by ED and affirmed the stay granted by the Single Judge. Consequently, out of the aforesaid fixed deposits which were attached, fixed deposits aggregating Rs 3,570 Million have been redeemed. Certain banks have not honored the redemption claim and the Company is pursuing the matter legally.

Criminal prosecution was initiated by the ED against SCSL, since merged with Tech Mahindra Limited (Company) under Section 3 of The Prevention of Money-Laundering Act, 2002 for alleged money laundering along with 212 accused person. Upon an application challenging the prosecution against the Company, the Hon'ble High Court of Andhra Pradesh quashed the proceedings by its Order dated December 22, 2014. The appeal preferred by the ED challenging the order of quashing the prosecution before the Division Bench of the High Court was dismissed by an order dated March 30, 2017 and confirmed the order of quashing.

A Special Leave Petition was filed by ED before the Hon'ble Supreme Court of India. By an order dated December 8, 2017, the Hon'ble Supreme Court dismissed the SLP filed by the ED and affirmed the order of the Single Judge quashing the prosecution against the Company.

In view of the aforesaid developments and based on an independent legal opinion the Management believes that the claim by the 37 companies for repayment of the alleged advances, including interest thereon is not legally tenable. Consequently, pending the final outcome of the proceedings, as a matter of prudence, the Company has accounted and disclosed the amount of ₹ 12,304 Million as 'Suspense Account (net)'. Although remote, in the event that these cases are decided against the Company, there would be no effect on the financial results or financial position of the Company.

41. Claims by certain Shareholders of erstwhile Satyam

In terms of the Settlement of claims made by Aberdeen Asset Management PLC., UK and Aberdeen Claims Administration Inc., USA, (together referred to as 'Aberdeen') the erstwhile Satyam has deposited a total amount of USD 80.16 Million towards the Settlement Amount and interest in an Escrow Account during the financial year ended March 31, 2013.

The Commissioner of Income Tax, Mumbai has filed two writ petitions before the Hon'ble High Court of Bombay, seeking to set aside the orders of Authority for Advance Ruling ('AAR') dated February 15, 2016, which ruled that no withholding tax is applicable for remittance of the Settlement Amount. The above writ petitions have been disposed off for non-removal of office objections vide order dated August 8, 2017. The Company has communicated with Aberdeen requesting for an indemnity (if the AAR decision is reversed by a higher authority) prior to remitting the funds.

42. Details of the investment property and its fair value

The Group had obtained the fair valuation of its investment property as at March 31, 2018 from an independent valuer who holds recognised and relevant professional qualification and has experience in the location and category of the investment property being valued.

During the year ended March 31, 2018, the Company has leased out a commercial building with related fixtures at Vizag and accordingly has reclassified ₹ 538 Million from property, plant & equipment to investment property.

The fair values of investment properties are given below:

Description	₹ in Million	
	As at	
	March 31, 2018*	March 31, 2017*
Land	1,116	622
Building	1,179	643
Plant & Machinery	603	100
Furniture & Fixtures	106	75
Office Equipments	3	4
Total	3,007	1,444

* Includes effect of foreign currency rate fluctuation.

43. Dispute with Venture Global Engineering LLC

Pursuant to a Joint Venture Agreement in 1999, the erstwhile Satyam and Venture Global Engineering LLC ('VGE') incorporated Satyam Venture Engineering Services Private Limited ('SVES') in India with an objective to provide engineering services to the automotive industry.

On March 20, 2003, numerous corporate affiliates of VGE filed for bankruptcy and consequently the erstwhile Satyam, exercised its option under the Shareholders Agreement (the 'SHA'), to purchase VGE's shares in SVES. The erstwhile Satyam's action, disputed by VGE, was upheld in arbitration by the London Court of International Arbitration vide its award in April 2006 (the 'Award').

The Courts in Michigan, USA, confirmed and directed enforcement of the Award. They also rejected VGE's challenge of the Award. In 2008, the District Court of Michigan further held VGE in contempt for its failure to honour the Award and inter-alia directed VGE to dismiss the nominees of VGE on its Board and replace them with individuals nominated by the erstwhile Satyam. This Order was also confirmed by the Sixth Circuit Court of Appeals in 2009. Consequently, erstwhile Satyam's nominees were appointed on the Board of SVES and SVES confirmed their appointment at its Board meeting held on June 26, 2008. The erstwhile Satyam was legally advised that SVES became its subsidiary with effect from that date.

In the meantime, while proceedings were pending in the USA, VGE filed a suit in April 2006, before the District Court of Secunderabad in India for setting aside the Award. The City Civil Court, vide its judgment in January 2012, has set aside the Award, against which the erstwhile Satyam preferred an appeal (Company Appeal) before the High Court.

VGE also filed a suit before the City Civil Court, Secunderabad inter alia seeking a direction to the Company to pay sales commission that it was entitled to under the Shareholders Agreement. In the said suit, two ex-parte Orders were issued directing the Company and Satyam to maintain status quo with regard to transfer of 50% shares of VGE and with regard to taking major decisions which are prejudicial to the interests of VGE. The said suit filed by VGE is still pending before the Civil Court. The Company has challenged the ex-parte Orders of the City Civil Court Secunderabad, before the High Court (SVES Appeal).

The High Court of Andhra Pradesh consolidated all the Company appeals and by a common Order dated August 23, 2013 set aside the Order of the City Civil Court, Hyderabad setting aside the award and also the ex-parte Orders of the City Civil Court, Secunderabad. The High Court as an interim measure ordered status quo with regard to transfer of shares. VGE has filed special leave petition against the said Order before Supreme Court of India, which is currently pending. The Supreme Court by an interim Order dated October 21, 2013 extended the High Court Order on the status-quo on transfer of shares. The Company has also filed a Special Leave Petition ('SLP') before the Supreme Court of India challenging the judgment of the High Court only on the limited issue as to whether the Civil Court has jurisdiction to entertain VGE's challenge to the Award. The said Petitions are pending before the Supreme Court. The Hon'ble Bench of Supreme Court, in view of the difference of opinion by an order dated November 1, 2017 has directed the registry to place the SLP's before the Chief Justice of India for appropriate further course of action.

In a related development, in December 2010, VGE and the sole shareholder of VGE (the Trust, and together with VGE, the Plaintiffs), filed a complaint against the erstwhile Satyam in the United States District Court for the Eastern District of Michigan (District Court) inter alia asserting claims under the Racketeer Influenced and Corrupt Organization Act, 1962 (RICO), fraudulent concealment and seeking monetary and exemplary damages (the Complaint). The District Court vide its order in March 2012 has dismissed the Plaintiffs Complaint. The District Court also rejected VGE's petition to amend the complaint. In June 2013, VGE's appeal against the order of the District Court has been allowed by the US Court of Appeals for the Sixth Circuit. The matter is currently before the District Court and the Company has filed a petition before District Court seeking dismissal of the Plaintiff's Complaint. The said petition is pending before the District Court. On March 31, 2015, the US District Court stayed the matter pending hearing and decision by the Indian Supreme Court in the Special Leave Petitions filed by VGE and the Company.

44. Satyam Venture Engineering Services Private Limited (SVES)

44.1 Accounting for sales commission

During the financial year 2011-2012, the Board of SVES reassessed the need to accrue sales commission considering that no services were rendered by Venture Global LLC during the period from FY 2005-2006 to FY 2011-2012. Accordingly, the Board of SVES decided to write back sales commission amounting to ₹ 359 Million pertaining to the years from FY 2005-2006 to FY 2010-2011 and to not accrue for sales commission for FY 2011-2012 amounting to ₹ 170 Million. However, pending the final disposal of legal proceedings in relation to disputes between Tech Mahindra Ltd and Venture Global LLC, the Board decided to account for a contingency provision for the sales commission amounting to ₹ 529 Million covering the period from FY 2005-2006 to FY 2011-2012. Considering the Order of the Honorable High Court of Andhra Pradesh dated August 23, 2013 directing all parties to maintain status quo, the Board based on a legal opinion decided not to reverse the contingency provision made in FY 2011-2012. Further, since the matter is subjudice, sales commission for subsequent periods has been disclosed as a contingent liability amounting to ₹ 1,446 Million as on March 31, 2018 (March 31, 2017: ₹ 1,122 Million).

44.2 Adoption of financial statements

At the Annual General Meetings of the SVES held on October 29, 2012, September 10, 2013, September 22, 2014, September 07, 2015, July 29, 2016 and July 19, 2017 one of the shareholders abstained from voting on the resolution for adoption of audited financial statements as at and for the year ended March 31, 2012, March 31, 2013, March 31, 2014, March 31, 2015, March 31, 2016 and March 31, 2017 respectively. In terms of Article 66 of the Articles of Association of SVES, the adoption of audited financial statements requires unanimous consent of both the shareholders of SVES. Therefore, the said financials have not been approved by the shareholders.

The financial statements as at and for the period ended March 31, 2018 have been drawn up incorporating the opening balances based on above said financial statements which have not been adopted by the Shareholders. Adjustments required, if any, will be made in accounts as and when determined.

45. Other matters (Foreign currency receivables):

In respect of overdue foreign currency receivables for the period's upto March 31, 2009 pertaining to erstwhile Satyam, the Company is taking steps under the provisions of FEMA, for recovery and/or permissions for write-offs as appropriate. Erstwhile Satyam under the Management post Government nominated Board has fully provided for these receivables.

46. Goodwill

Following is the summary of changes in carrying amount of goodwill:

Rs in Million

Particulars	Year ended	
	March 31, 2018	March 31, 2017
Balance at the beginning of the year	26,279	18,325
On addition/ acquisition during the year (Refer note 37.A)	4,715	9,102
Impairment of Goodwill	-	(96)
Effect of foreign currency exchange differences (net) and other adjustments	(3,267)	(1,052)
Balance at the end of the year	27,727	26,279

Allocation of goodwill by segments as of March 31, 2018 and March 31, 2017 is as follows:

Amount in ₹ Million

Particulars	As at	As at
	March 31, 2018	March 31, 2017
IT	23,982	22,534
BPO	3,745	3,745
Total	27,727	26,279

Allocation of goodwill to cash-generating units:

Goodwill has been allocated for impairment testing purposes to their underlying geographical / segmental classification. The recoverable amount is determined based on a value in use calculation which uses cash flow projections based on financial budgets approved by the management covering a year and over and an applicable discount rate.

The management believe that any reasonably possible change in the key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount.

The key assumptions used are as follows:

Budgeted Projections: The values assigned to the assumption reflect past experience and are consistent with the management's plans for focusing operations in these markets. The management believe that the planned market share growth per year for the next five years is reasonably achievable.

Budgeted gross margins: Average gross margins achieved in the period immediately before the budget margin period, increased for expected efficiency improvements. This reflects past experience, except for efficiency improvements.

Price inflation: The values assigned to the key assumption are consistent with external sources of information.

47. Details of employee benefits as required by IND AS-19 - Employee Benefits are as under:

a) Defined Contribution Plans

Amount recognized as an expense in the Statement of Profit and Loss for the year ended March 31, 2018 in respect of defined contribution plan is ₹ 2,980 Million (year ended March 31, 2017: ₹ 2,941 Million).

b) Defined Benefit Plan

The movement of present value of defined obligation is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Defined benefit obligation at the beginning of the year	3,391	3,009
Less : Transfer on account of sale of subsidiary	(31)	-
Current Service cost	719	539
Past Service Cost	66	29
Interest cost	209	213
Actuarial (gain)/loss – experience	(113)	5
Actuarial (gain)/loss – financial assumptions	(46)	-
Benefits paid	(707)	(404)
Projected benefit obligation at the end of the year	3,488	3,391

The composition of Funded Balance as at March 31, 2018 and March 31, 2017 is as follows:

₹ in Million

Change in Fair Value of Plan Assets *	As at	
	March 31, 2018	March 31, 2017
Fair value of plan assets at the beginning of the year	152	142
Interest income on Plan Assets	12	10
Actuarial (gain)/loss on plan assets	(1)	(0)
Fair value of plan assets at the end of the year	163	152

* The plan assets are primarily invested in insured managed fund and approved securities.

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Defined benefit obligation	3,488	3,391
Fair Value of Plan Assets	(163)	(152)
Net defined benefit obligation disclosed as:	3,325	3,239
- Current provisions	348	390
- Non-current provisions	2,977	2,848

Expense recognized in the Statement of Profit and Loss

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Service cost	719	539
Past service cost	66	29
Interest cost	209	213
Interest Income on Plan Assets	(14)	(10)
Expense recognized in the Statement of Profit and Loss	980	770

₹ in Million

Actuarial (gain)/loss recognized in OCI	March 31, 2018	March 31, 2017
Actuarial (gain)/loss arising during period	(162)	5
Actuarial (gain)/loss on plan assets	(0)	(3)
Net (gain)/loss recognised in Other Comprehensive Income	(162)	2

Principal Actuarial Assumptions (Non Funded)	March 31, 2018	March 31, 2017
Discount Rate	5.00% to 8.00%	4.00% to 7.90%
Expected rate of increase in compensation	2.00% to 12.00%	2.00% to 10.00%
Mortality rate	Indian assured lives Mortality (2006-08) Modified Ult.	Indian assured lives Mortality (2006-08) Modified Ult.
Withdrawal Rate	10.00% to 50.00%	10.00% to 50.00%

Principal Actuarial Assumptions (Funded)	March 31, 2018	March 31, 2017
Discount Rate	7.00%	7.50%
Expected rate of increase in compensation	7.00%	8.00%
Withdrawal Rate	17.00%	17.00%

The rate used to discount defined benefit obligations (both funded and unfunded) is determined by reference to market yields at the end of the reporting period on government bonds. However, subsidiaries, associates, joint ventures and branches domiciled outside India, discount rate on defined benefit obligations plans are with reference to market yields at the end of the reporting period on high quality corporate bonds. In case, such subsidiaries, associates, joint ventures and branches are domiciled in countries where there is no deep market in such bonds, the market yields (at the end of the reporting period) on government bonds of that country is used. The currency and term of the government bonds or corporate bonds is consistent with the currency and estimated term of the post-employment benefit obligations.

Disclosure related to indication of effect of the defined benefit plan on the entity's future cash flows

₹ in Million

Payout in the next	March 31, 2018	March 31, 2017
1 year	524	560
1-2 years	542	499
2-3 years	568	563
3-4 years	637	584
4-5 years	684	633
5 and beyond	3,207	3,030

Sensitivity analysis: A quantitative sensitivity analysis for significant assumption as at March 31, 2018 and March 31, 2017 is as shown below:

Effect on DBO on account of 0.5 % change in the assumed rates:						
Year	Discount Rate		Salary Escalation Rate		Withdrawal Rate	
	0.5% Increase	0.5% Decrease	0.5% Increase	0.5% Decrease	5% Increase	5% Decrease
March 31, 2018	(94)	100	101	(96)	(21)	(19)
March 31, 2017	(91)	110	106	(88)	(4)	(21)

The sensitivity results above determine their individual impact on Defined Benefit Obligation. In reality, the Plan is subject to multiple external experience items which may move the defined Benefit Obligation in similar or opposite directions, while the Plan's sensitivity to such changes can vary over time.

48. Auditors Remuneration (exclusive of service tax/GST):

₹ in Million

Particulars	*March 31, 2018	March 31, 2017
Audit fees (including quarterly audits)	39	44
For other services (certifications, etc)	16	35
For taxation matters	10	4
For reimbursement of expenses	1	-
Total	66	83

*Includes an amount of ₹13 Million (March 31, 2017: ₹ 83 Million) paid to the erstwhile auditors

49. Leases

- i. Group has taken premises and vehicles on operating lease. The expense on such lease rentals recognized in the Statement of Profit and Loss for the year ended March 31, 2018 is ₹ 3,789 Million including ₹ 227 Million car lease expenses classified as employee benefit expenses (year ended March 31, 2017: ₹ 4,122 Million including ₹ 556 Million car lease expenses classified as employee benefit expenses). The future lease payments of non-cancellable operating leases are as follows:

₹ in Million

Particulars	Not later than 1 year	Later than 1 year not later than 5 years	Later than 5 years
Minimum Lease rentals payable (March 31, 2017: ₹ 1,527 Million, ₹ 3,050 Million and ₹ 781 Million respectively)	1,451	2,837	672

- ii. Group has taken computers, software, plant & equipment and vehicles on finance lease. The future lease rent payable on such finance leases is as follows:

₹ in Million

Particulars	March 31, 2018	March 31, 2017
Minimum lease payments		
- Less than one year	1,415	1,016
- One to five years	1,748	1,561
Total	3,163	2,577
Present value of minimum lease payments		
- Less than one year	1,331	948
- One to five years	1,707	1,514
Total	3,038	2,462

- iii. Group has given premises, plant and equipment on operating lease. The rental income recognized in the Statement of Profit and Loss for the year ended March 31, 2018 is ₹ 269 Million (year ended March 31, 2017: ₹ 175 Million). The future lease rental receivable non cancellable operating leases are as follows:

₹ in Million

Particulars	Not later than 1 year	Later than 1 year not later than 5 years	Later than 5 years
Minimum Lease rentals receivable (March 31, 2017: ₹ 212 Million, ₹ 821 Million and ₹ 2,197 Million respectively)	346	818	2,296

- iv. Group has given computer equipment on finance lease. The future lease rentals receivable are as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Minimum lease receivables		
- Less than one year	291	220
- One to five years	292	356
Total	583	576
Present value of minimum lease receivables		
- Less than one year	257	197
- One to five years	259	301
Total	516	498

50. Financial Instruments and Risk Review

Financial Risk Management Framework

The Group is exposed primarily to fluctuations in foreign currency exchange rates, credit risk and liquidity risk which may impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential effects on the financial performance of the Group.

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyze the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions.

Financial Instruments by category

The carrying value and fair value of financial instruments by categories as of March 31, 2018 is as follows:

₹ in Million

Particulars	Fair value through P&L	Fair value through OCI	Derivative instruments in hedging relationship	Amortised cost	Total carrying value	Total fair value*
Assets:						
Cash and cash equivalents	-	-	-	19,661	19,661	19,661
Other balances with banks	-	-	-	10,782	10,782	10,782
Trade receivables	-	-	-	65,117	65,117	65,117
Investments (Other than associates)	41,773	122	-	5,013	46,908	46,908
Loans	-	-	-	1,552	1,552	1,552
Other financial assets	-	-	3,868	28,017	31,885	31,885
Total	41,773	122	3,868	130,142	175,905	175,905
Liabilities:						
Trade and other payables	-	-	-	20,368	20,368	20,368
Borrowings	-	-	-	23,965	23,965	23,965
Other financial liabilities	3,189	-	2,017	12,586	17,792	17,792
Total	3,189	-	2,017	56,919	62,125	62,125

The carrying value and fair value of financial instruments by categories as of March 31, 2017 is as follows:

₹ in Million

Particulars	Fair value through P&L	Fair value through OCI	Derivative instruments in hedging relationship	Amortised cost	Total carrying value	Total fair value*
Assets:						
Cash and cash equivalents	-	-	-	20,013	20,013	20,013
Other balances with banks	-	-	-	12,173	12,173	12,173
Trade receivables	-	-	-	53,533	53,533	53,533
Investments (Other than associates)	23,337	357	-	261	23,955	23,955
Loans	-	-	-	4,295	4,295	4,295
Other financial assets	-	-	9,823	23,828	33,651	33,651
Total	23,337	357	9,823	114,103	147,620	147,620
Liabilities:						
Trade and other payables	-	-	-	18,059	18,059	18,059
Borrowings	-	-	-	13,662	13,662	13,662
Other financial liabilities	6,370	-	81	6,335	14,253	14,253
Total	6,370	-	81	38,056	45,974	45,974

* The fair value of cash and cash equivalents, other balances with bank, trade receivables, unbilled revenues, loans, trade payables, borrowing and certain other financial assets and liabilities approximate their carrying amount largely due to the short term nature of these instruments.

Fair Value Hierarchy

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

The different levels have been defined as follows:

Level-1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level-2 – Inputs other than quoted prices included within level-1 that are observable for asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level-3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

₹ in Million

Particulars	As at March 31, 2018			
	Level 1	Level 2	Level 3	Total
Financial Assets:

Total	-	81	5,541	5,622

Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

Financial instruments that are subject to concentration of credit risk principally consist of trade receivables, investments, loans, derivative financial instruments, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Group result in material concentration of credit risk.

Credit risk on cash and cash equivalents is limited as the Group generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units, quoted bonds issued by government and quasi government organizations and non-convertible debentures issued by institutions with high credit ratings.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 174,751 and ₹ 147,029 Million as of March 31, 2018 and March 31, 2017 respectively, being the total of the carrying amount of trade receivables, investments, cash and cash equivalents, other balances with banks, loans and other financial assets.

In addition, the Group is exposed to credit risk in relation to financial guarantees given to banks provided by the Group. The Group's maximum exposure in this respect is the maximum amount the Group would have to pay if the guarantee is called on (refer Note 39.3 above).

Trade receivables

Ind AS requires expected credit losses to be measured through a loss allowance. The Group assesses at each Balance Sheet date whether a financial asset or a group of financial assets is impaired. The Group recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. Group's exposure to customers is diversified and no single customer contributes to more than 10% of outstanding accounts receivable and unbilled revenue as of March 31, 2018 and March 31, 2017. The concentration of credit risk is limited due to the fact that the customer base is large.

The expected credit loss allowance is based on the ageing of receivables are due and the rates in the provision matrix. Movement in the expected credit loss allowance is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Balance at the beginning of the year	7,008	8,254
Movement in the expected credit loss allowance on trade receivables and other financial assets:		
Provided during the year	541	2,234
Reversed/utilised during the year	(122)	(3,553)
Translation adjustment	127	73
Balance at the end of the year	7,554	7,008

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

a) Foreign Currency exchange rate risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the Group operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar, Euro, Great Britain Pound, Australian Dollar and Canadian Dollar against the respective functional currency of the Company. The Group, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange currency risk.

The Group evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies.

The foreign exchange rate sensitivity is calculated by aggregation of the net foreign exchange rate exposure and a simultaneous parallel foreign exchange rates shift of all the currencies by 1% against the respective functional currencies of the Company.

Further the exposure as indicated below is mitigated by some of the derivative contracts entered into by the Company as disclosed in note below.

The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

₹ in Million

Particulars	Currency	March 31, 2018	March 31, 2017
Financial Assets	USD	45,885	53,434
	EUR	8,515	8,404
	GBP	7,756	6,518
	AUD	4,309	4,288
	CAD	2,394	3,033
	Others	14,933	13,941
Total		83,792	89,618
Financial Liabilities	USD	20,901	15,256
	EUR	2,505	1,260
	GBP	1,442	349
	AUD	1,072	292
	CAD	676	611
	Others	4,922	2,456
Total		31,518	20,224

A reasonably possible strengthening by 1% of USD, GBP, EUR, AUD and CAD against Indian Rupee as at March 31, 2018 and March 31, 2017 will affect the statement of profit and loss by the amounts shown below:

₹ in Million

Currency	March 31, 2018	March 31, 2017
USD	250	382
EUR	60	71
GBP	63	62
AUD	32	40
CAD	17	24

b) Forward Exchange Contracts/Options

The Group enters into foreign Exchange Forward Contracts and Currency Option Contracts to offset the foreign currency risk arising from the amounts denominated in currencies other than the Indian Rupee. The counter party to the Group's foreign currency Forward Contracts and Currency Option Contracts is generally a bank. These contracts are entered into to hedge the foreign currency risks of certain forecasted transactions. These contracts are for a period between 1 day and 2 years.

The following are the principal amounts of outstanding foreign currency exchange forward contracts entered into by the Group which have been designated as Cash Flow Hedges:

Type of cover	Amount outstanding in Foreign currency (in Million)	Fair Value Gain / (Loss) (₹ in Million)	
Forwards	GBP to USD 200 (March 31, 2017: 189)	(1,165) (March 31, 2017: 1,480)	
	EUR to USD 176 (March 31, 2017: 132)	(834) (March 31, 2017: 262)	
	AUD to USD 37 (March 31, 2017: 70)	16 (March 31, 2017: (43))	
	USD to CAD 41 (March 31, 2017: 44)	15 (March 31, 2017: 39)	
	EUR to INR Nil (March 31, 2017: 6)	Nil (March 31, 2017: 58)	
	AUD to INR Nil (March 31, 2017: 2)	Nil (March 31, 2017: 4)	
	USD to INR 1,117 (March 31, 2017: 1,454)	4,005 (March 31, 2017: 7,834)	
	Options	GBP to USD 36 (March 31, 2017: 12)	(202) (March 31, 2017: (1))
		EUR to USD 69 (March 31, 2017: Nil)	(145) (March 31, 2017: Nil)
USD to INR 96 (March 31, 2017: 6)		7 (March 31, 2017: 31)	

The movement in hedging reserve for derivatives designated as Cash Flow Hedges is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Balance at the beginning of the year	7,428	1,910
Changes in the fair value of effective portion of derivatives – (gain)/loss	(697)	9,365
Net (gain)/loss reclassified to statement of profit and loss on occurrence of hedged forecasted transactions	(5,757)	(3,844)
(gain)/loss on cash flow hedging derivatives, net	(6,454)	5,521
Balance as at the end of the year	974	7,428
Tax Impact on effective portion of outstanding derivatives	(177)	(2,527)
Balance as at the end of the year, net of deferred tax	797	4,901

c) Details of Interest Rate Swap Contracts

Details of Interest Rate Swap Contracts outstanding at the end of reporting period:

₹ in Million

Particulars	Average Contracted Fixed Interest Rate		Notional Principal Value		Fair Value assets (liabilities)	
	March 31, 2018	March 31, 2017	March 31, 2018	March 31, 2017	March 31, 2018	March 31, 2017
	%	%	₹	₹	₹	₹
Cash Flow Hedges						
Outstanding receive floating pay fixed contracts						
Less than 1 year	1.224% to 3.281%	1.22% to 2.94%	4,562	4,863	47	2
1 to 2 years	1.224% to 1.804%	1.22% to 3.28%	3,910	4,539	53	22
2 to 5 years	1.224%	1.22% to 1.80%	2,607	3,891	29	54
5 years +	-	-	-	-	-	-

Interest Rate Sensitivity Analysis

If interest rates had been 0.25 basis points higher/lower and all other variables were held constant, the Group's profit for the year ended March 31, 2018 would decrease/increase by ₹ 9 Million (March 31, 2017: decrease/increase by ₹ 7 Million). This is mainly attributable to the Group's exposure to interest rates on its variable rate borrowings.

Liquidity Risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of significant financial liabilities as of March 31, 2018:

₹ in Million

Particulars	Less than 1 year	1-3 years	More than 3 years	Total
Non-Derivative Financial Liabilities				
Finance lease obligation	1,331	1,562	145	3,038
Other borrowings	14,924	6,004	-	20,928
Trade Payables	20,368	-	-	20,368
Other financial liabilities	10,700	5,075	-	15,775
Total	47,323	12,641	145	60,109
Derivative Financial Liabilities	1,363	654	-	2,017
Total	48,686	13,295	145	62,126

The table below provides details regarding the contractual maturities of significant financial liabilities as of March 31, 2017:

₹ in Million

Particulars	Less than 1 year	1-3 years	More than 3 years	Total
Non-Derivative Financial Liabilities				
Finance lease obligation	1,163	1,850	172	3,185
Other borrowings	8,646	1,889	-	10,535
Trade Payables	23,117	-	-	23,117
Other financial liabilities	2,710	4,928	9	7,647
Total	35,636	8,667	181	44,484
Derivative Financial Liabilities	53	28	-	81
Total	35,689	8,695	181	44,565

51. Current Tax and Deferred Tax

The income tax expense for the year ended can be reconciled to the accounting profit as follows:

₹ in Million

Particulars	Year ended	
	March 31, 2018	March 31, 2017
Profit before income taxes	48,788	38,530
Enacted tax rates in India	34.608%	34.608%
Income tax expense calculated at 34.608%	16,885	13,334
Effect of income that is exempt from tax	(5,390)	(5,004)
Effect of expenses disallowed for tax purpose	1,806	1,369
Effect of differential overseas tax rate	642	1,087
Effect of income taxes related to prior years	(2,573)	(769)
Others	(444)	(4)
Income tax expense recognised in profit or loss	10,926	10,021

The tax rate used for the above reconciliation is the rate as applicable for the respective period payable by corporate entities in India on taxable profits under the Indian income tax laws.

Current tax expense for the year ended March 31, 2018 is net of reversal of provision of ₹ 2,573 Million (year ended March 31, 2017: ₹ 769 Million) pertaining to earlier periods written back.

Deferred Tax:

The breakup of Deferred Tax Assets presented in the Balance Sheet is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Employee Benefits	1,841	1,591
Property, Plant and Equipment	1,105	1,589
Provisions	1,315	1,365
Changes in fair value of derivatives designated as hedges	(372)	(3,298)
Other Items*	1,877	1,427
Total	5,766	2,674

* Other items also includes deferred tax on brought forward losses.

The breakup of Deferred Tax Liability presented in the Balance Sheet is as follows:

₹ in Million

Particulars	As at	
	March 31, 2018	March 31, 2017
Other Items	58	95
Total	58	95

55. Employee Stock Option Scheme

i. ESOP 2000 & ESOP 2010:

The Company has instituted 'Employee Stock Option Plan 2000' (ESOP 2000) and 'Employee Stock Option Plan 2010' (ESOP 2010) for eligible employees and Directors of the Company and its subsidiaries. The vesting pattern of the schemes has been provided below. The options can be exercised over a period of 5 years from the date of the grant. Each option carries with it the right to purchase one equity share of the Company at the exercise price determined by the Company at the time of grant for ESOP 2000 and exercise price as determined by the Nomination and remuneration Committee for ESOP 2010.

ii. ESOP 2006 & ESOP 2014:

The Company has instituted 'Employee Stock Option Plan 2006' (ESOP 2006) and 'Employee Stock Option Plan 2014' (ESOP 2014) for eligible employees and Directors of the Company and its subsidiaries. In terms of the said plan, the Nomination and Remuneration Committee has granted options to the employees of the Group. The maximum exercise period is 7 years from the date of grant for ESOP 2006 and options can be exercised over a period of 5 years from the date of vesting for ESOP 2014.

The vesting period of the above mentioned 4 ESOP Schemes, namely ESOP 2000, ESOP 2006, ESOP 2010 and ESOP 2014 are as follows:

Vesting percentage of options			
Service period from date of grant	ESOP 2000 and ESOP 2010	ESOP 2006	ESOP 2014
12 months	33.33%	10%	15%
24 months	33.33%	15%	20%
36 months	33.33%	20%	30%
48 months	-	25%	35%
60 months	-	30%	-

iii. TML ESOP – B 2013:

Erstwhile Satyam has established a scheme 'Associate Stock Option Plan – B' (ASOP - B) under which 28,925,610 options were available for grant/exercise at the time the Scheme of Amalgamation became effective. Post-merger, these options were adjusted in terms of the approved Scheme of Amalgamation. Each option entitles the holder one equity share of the Company. These options vest over a period of 1 to 4 years from the date of the grant. Upon vesting, employees have 5 years to exercise the options. Post-merger, the name of the ESOP scheme has been changed to 'TML ESOP B 2013'.

iv. TML- RSU:

The erstwhile Satyam has established a scheme 'Associate Stock Option Plan - Restricted Stock Units (ASOP – RSUs)' to be administered by the Administrator of the ASOP – RSUs, a committee appointed by the Board of Directors of the erstwhile Satyam in May 2000. Under the scheme, 1,529,412 equity shares (equivalent number of equity shares post-merger) are reserved to be issued to eligible associates at a price to be determined by the Administrator which shall not be less than the face value of the share. These RSUs vest over a period of 1 to 4 years from the date of the grant. The maximum time available to exercise the options upon vesting is five years from the date of each vesting. Post-merger, the name of the ESOP scheme has been changed to TML RSU.

v. ESOP – A:

Erstwhile Satyam had established an ESOP scheme viz., 'Associate Stock Option Plan – A' (ASOP - A) formulated prior to the SEBI Guidelines on ESOP and ESOS issued in 1999. This plan was administered through a Trust viz., Satyam Associates Trust (Satyam Trust). At the time the Scheme of Amalgamation and Arrangement became effective, the Satyam Trust was holding 2,055,320 shares of erstwhile Satyam, which post amalgamation were converted into 241,802 shares of the Company at the approved share exchange ratio and this scheme has been transitioned and renamed as ESOP-A. Satyam Trust grants warrants to the employees of the Company with an exercise price and terms of vesting advised by the Nomination and Remuneration Committee of the Company. Each warrant shall entitle the warrant holder to one equity share. The exercise period is 180 days from the date of each vesting.

vi. Employee Stock Option Scheme – ESOS:

Erstwhile MESL has established Employee Stock Option Scheme (ESOS) - ESOS for which 1,400,000 equity shares were earmarked. ESOS Scheme is administered through a Trust viz., MES Employees Stock Option Trust. The options under this Scheme vest over a period of 1 to 3 years from the date

of the grant. Upon vesting, employees have 7 years to exercise the options. As on the effective date of amalgamation, 18,084 options were outstanding under ESOS, which were converted into equivalent 30,144 options of the Company giving effect to approved share exchange ratio, split and bonus.

vii. Details of options granted during the year:

ESOP Scheme	Method of Settlement	Number of options granted during the year ended March 31, 2018	Grant date	Weighted average fair value

ESOP-2014	451-600	41,600	4.33	68,000	5.74
ESOP-2014	601-750	3,622,201	4.12	4,127,640	5.20
ESOS	5-150	5,252	0	20,196	0.68

* Weighted average remaining life for options exercised pending allotment as at year end has been considered as '0'.

- xi. The employee stock compensation cost for the Employee Stock Option Plan 2010, Employee Stock Option Plan 2000, Employee Stock Option Plan- B 2013, ESOP-A, ESOP 2014 and TML-RSU schemes has been computed by reference to the fair value of share options granted and amortized over each vesting period. For the year ended March 31, 2018 the Company has accounted for employee stock compensation cost (equity settled) amounting to ₹ 887 Million (March 31, 2017: ₹ 1,346 Million).
- xii. The fair value of each option is estimated on the date of grant based on the following assumptions (on weighted average basis):

Assumptions	For grants made during year ended		
	March 31, 2018		March 31, 2017
Particulars	ESOP 2014	ESOP A	ESOP 2014
Weighted average share price	381-599	430	423-491
Exercise Price	5-362	5	5
Expected Volatility (%)	27-29	29	27-30
Expected Life (in years)	2-6	3	2-6
Expected Dividend (%)	1.2	1.2	1
Risk Free Interest Rate (%)	6-7	6.2	6-7

The Black and Scholes valuation model has been used for computing the weighted average fair value.

xiii. Pininfarina S.p.A. Stock Option Plan (SOP) 2016 - 2023:

Pininfarina S.p.A. has instituted 'Stock Option Plan 2016-2023' for employees of Pininfarina S.p.A. The options can be exercised over a period of 7 years from the date of grant (November 21, 2016) each option carries with it the right to purchase one equity share of Pininfarina S.p.A. at the exercise price determined by Pininfarina S.p.A.

The vesting period of the SOP Pininfarina S.p.A. 2016-2023 is as follows:

Vesting percentage of options	
Service period from date of grant	SOP 2016 and SOP 2023
12 months	33.33%
24 months	33.33%
36 months	33.33%

Pininfarina S.p.A has instituted 'Stock Option Plan 2016-2023' for which 2,225,925 equity shares were earmarked. The options under this Scheme vest over a period of 1 to 7 years from the date of the grant.

- xiv. The fair value of SOP Pininfarnia S.p.A 2016 – 2023 option is estimated on the date of grant based on the following assumptions (on weighted average basis):

Particulars	For the year ended	
	March 31, 2018	March 31, 2017
Weighted average share price	Euro 0.9959	Euro 0.9959
Exercise price	Euro 1.1	Euro 1.1
Expected Volatility (%)	80	80
Expected life	3.3 Years	3.3 Years
Expected dividend (%)	0	0
Risk free interest rate (%)	(0.41)	(0.41)

The Black and Scholes valuation model has been used for computing the weighted average fair value.

56. Earnings Per Share is calculated as follows:

₹ in Million except earnings per share

Particulars	For the year ended	
	March 31, 2018	March 31, 2017
Net Profit attributable to shareholders after taxation	37,998	28,129
Equity Shares outstanding as at the end of the year (in nos.)	883,318,628	877,539,300
Weighted average Equity Shares outstanding as at the end of the year (in nos.)	883,261,979	875,311,309
Weighted average number of Equity Shares used as denominator for calculating Basic Earnings Per Share	883,261,979	875,311,309
Add: Dilutive impact of employee stock options	7,365,157	13,578,961
Number of Equity Shares used as denominator for calculating Diluted Earnings Per Share	890,627,136	888,890,270
Nominal Value per Equity Share (in ₹)	5.00	5.00
Earnings Per Share		
Earnings Per Share (Basic) (in ₹)	43.02	32.14
Earnings Per Share (Diluted) (in ₹)	42.66	31.64

Basic earnings per share is calculated by dividing the profit attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year including vested option exercisable for little or no consideration.

57. Ind AS 108 establishes standards for the way that companies report information about their operating segments and related disclosures, as applicable about products and services, geographic areas, and major customers.

Based on the "management approach" as defined in Ind AS 108, the management evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments.

The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies. Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Certain expenses such as depreciation, stock compensation cost and finance cost, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying assets are used interchangeably. Management believes that it is not practical to provide segment disclosures relating to those expenses, and accordingly these expenses are separately disclosed as "unallocated" and adjusted against the operating income of the Group.

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Group's chief operating decision maker is the Chief Executive Officer and Managing Director.

The Group has identified business segments as reportable segments. Accordingly, Information Technology (IT) Business and Business Processing Outsourcing (BPO) has been disclosed as business segments. Geographical information on revenue and business segment revenue information is collated based on individual customers invoiced or in relation to which the revenue is otherwise recognized.

Segregation of assets (except trade and other receivables), liabilities, depreciation and other non-cash expenses into various business segments has not been done as the assets are used interchangeably between segments and TechM is of the view that it is not practical to reasonably allocate liabilities and other non-cash expenses to individual segments as the same will not be meaningful.

Information on reportable segments for the year ended March 31, 2018 is given below:

A. Business Segments

₹ in Million

Particulars	For the year ended					
	March 31, 2018			March 31, 2017		
	IT Services	BPO	Total	IT Services	BPO	Total
Revenue	285,715	22,014	307,729	271,236	20,172	291,408
Direct Expenses	228,096	15,720	243,816	218,540	14,170	232,710
Segmental Operating Income	57,619	6,294	63,913	52,696	6,002	58,698
Less : Unallocable Expenses						
Finance Costs			1,624			1,286
Depreciation and amortisation expense			10,850			9,781
Other Unallocable Expenses			16,817			16,854
Total Unallocable Expenses			29,291			27,921
Operating Income			34,622			30,777
Other Income			14,165			7,776
Share in Profit/(Loss) of Associate			1			(23)
Profit before Tax			48,788			38,530
Provision for Taxation:						
Current tax and deferred tax			10,926			10,021
Profit for the year attributable to:						
Owners of the Company			37,998			28,129
Non-Controlling Interest			(136)			380

₹ in Million

Statement of segment Assets and Liabilities	March 31, 2018	March 31, 2017
Segment Assets		
Trade and Other Receivables		
IT	84,461	70,833
BPO	6,182	4,296
Total Trade Receivables	90,643	75,129
Goodwill		
IT	23,982	22,534
BPO	3,745	3,745
Total Goodwill	27,727	26,279
Unallocable Assets	186,002	159,257
TOTAL ASSETS	304,372	260,665
Segment Liabilities		
Unearned revenue		
IT	2,752	3,013
BPO	-	130
Total Unearned revenue	2,752	3,143
Advance from customer		
IT	3,336	2,529
BPO	-	-
Advance from customer	3,336	2,529
Unallocable Liabilities	104,765	85,980
TOTAL LIABILITIES	110,853	91,652

B. Revenues as per geographies

₹ in Million

Geography	For the year ended	
	March 31, 2018	March 31, 2017
Americas	143,391	137,665
Europe region	91,695	85,245
India	17,991	17,554
Rest of world	54,652	68,498
Total	307,729	291,408

During the period ended March 31, 2018 one customer individually accounted for more than 10% of the revenue.

Management believes that it is currently not practicable to provide disclosure of geographical location wise assets, since the meaningful segregation of available information is onerous.

58. Additional Information as per Section 129 of the Companies Act, 2013:

Notes:

1. Refer note 36A for the entities which has not been considered for consolidation.
2. These numbers includes numbers of their subsidiaries and associates, as applicable.
3. Subsidiary has been liquidated/dissolved as per the laws of the domiciled country.
4. Amount represents the investment made in associates as per equity method.

59. The previous year figures have been audited by a firm other than B S R & Co. LLP.
60. The disclosures regarding details of specified bank notes held and transacted during November 8, 2016 to December 30, 2016 has not been made since the requirement does not pertain to financial year ended March 31, 2018. Corresponding disclosure as appearing in the audited Standalone Ind AS financial statements for the period ended March 31, 2017 have been disclosed below:

Details of Specified Bank Notes (SBN) held and transacted during the period November 8, 2016 to December 30, 2016:

Particulars	SBNs	Other denomination notes	Total
Closing cash in hand as on November 8, 2016	361,000	36,028	397,028
Add: Permitted receipts	7,500*	657,867	665,367
Less: Permitted payments	-	501,884	501,884
Less: Amount deposited in Banks	368,500	-	368,500
Closing cash in hand as on December 30, 2016	-	192,011	192,011

* The amount pertains to imprest employee advance in old currency which was returned by the employee on settlement of claims.

61. Previous year figures have been regrouped wherever necessary, to correspond with the current period's classification / disclosure.
