

## Tech Mahindra Collaborates with a Major Tier I Auto Supplier in their QAD EE Roll-out Program

The client is a global seating systems supplier; supplying solutions in automotive seating, seat structures and mechanisms (SS&M), and interiors to Auto OEM's.

Tech Mahindra worked with the client and successfully replaced the old warehousing solution with the latest QAD offering

### Features

---

- QAD Automated Solutions (QAS) EE 2016 for Warehousing
- Enhanced existing AS transactions with best approach and improved performance
- AS functionality documentation

## Opportunities
